Eventually, you will very discover a supplementary experience and feat by spending more cash. yet when? accomplish you allow that you require to get those every needs once having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will guide you to understand even more in this area the globe, experience, some places, in the manner of history, amusement, and a lot more?

It is your certainly own era to appear in reviewing habit. in the course of guides you could enjoy now is **Girls To The Front True Story Of Riot Grrrl Revolution Sara Marcus** below.

Angels and Heroes Nov 22 2021 In his popular first two books Angels in the ER (over 200,000 copies sold) and Angels On Call, Dr. Robert Lesslie inspired readers with moving accounts of remarkable people and incidents from his 25 years as an ER doctor. Now in Angels and Heroes, Dr. Lesslie shares amazing experiences of the courageous men and women who exhibit the grace and strength of angels in the face of danger every day. In this uplifting book, readers will be inspired by the human connections and the divine moments in: breathtaking stories from the front lines of the police extraordinary adventures of our firemen poignant tales from the men and women of EMS And more unforgettable heart and soul rescues from the ER These fascinating true experiences will encourage readers to appreciate those who serve others—and to watch for those moments when they too can rescue someone with God's love.

Police, Arrests & Suspects Jun 05 2020 FACT is stranger than FICTION on the front line... Who's afraid of the Ginger Bread Man? Why do police like big busts? How can a priest assist in a violent robbery? When does Hitler figure in police negotiations? Why can making mashed potato get you arrested? When do police deploy the banana phone? What happens when you die if CSI don't like you? Come on patrol with PC Donoghue and discover the funny, interesting and bizarre side of life on the front line of British policing. Police, Arrests & Suspects is the third fascinating account of a front line police response officer in 'The True Story of a Front Line Officer' series. John's books remain hugely popular today, with over 600 5-star Amazon reviews combined. WARNING: Contains Humour & Traces of Nuts

The Last Fighting Tommy Jan 01 2020 The extraordinary and moving story of a man, now aged 108, whose life has spanned six monarchs and twenty Prime Ministers .

None But the Brave Mar 03 2020 "On June 6, 1944, Allied forces embarked on the largest amphibious invasion in history, a day now know as D-Day. Amongst the more than 160,000 soldiers on board over 5000 armored vessels were surgeons, doctors, and medics who would tend to the wounded, valiantly attempting to bring their soldiers home alive. Goodman's latest novel is a gripping, tension-filled look inside the lives of the men and women who gallantly served the Allied forces during the final years of World War II."--P. [4] of cover.

Soldat Nov 30 2019 Paris. The Somme. The Italian Campaign. The Russian Front. And inside Hitler's bunker during The Battle of Berlin . . . World War II through the eyes of a soldier of the Reich. Siegfried Knappe fought, was wounded, and survived battles in nearly every major Wehrmacht campaign. His astonishing career begins with Hitler's rise to power—and ends with a five-year term in a Russian prison camp, after the Allies rolled victoriously into the smoking rubble of Berlin. The enormous range of Knappe's fighting experiences provides an unrivaled combat history of World War II, and a great deal more besides. Based on Knappe's wartime diaries, filled with 16 pages of photos he smuggled into the West at war's end, Soldat delivers a rare opportunity for the reader to understand how a ruthless psychopath motivated an entire generation of ordinary Germans to carry out his monstrous schemes . . . and offers stunning insight into the life of a soldier in Hitler's army. "Remarkable! World War II from inside the Wehrmacht."—Kirkus Reviews

Murder on the Home Front Sep 01 2022 It is 1941. While the "war of chaos" rages in the skies above London, an unending fight against violence, murder and the criminal underworld continues on the streets below. One ordinary day, in an ordinary courtroom, forensic pathologist Dr. Keith Simpson asks a keen young journalist to be his secretary. Although the "horrors of secretarial work" don't appeal to Molly Lefebure, she's intrigued to know exactly what goes on behind a mortuary door. Capable and curious, "Miss Molly" quickly becomes indispensable to Dr. Simpson as he meticulously pursues the truth. Accompanying him from somber morgues to London's most gruesome crime scenes, Molly observes and assists as he uncovers the dark secrets that all murder victims keep. With a sharp sense of humor and a rebellious spirit, Molly tells her own remarkable true story here with warmth and wit, painting a vivid portrait of wartime London.

The Kitchen Front Mar 27 2022 From Jennifer Ryan, the bestselling author of The Chilbury Ladies' Choir, comes an unforgettable story inspired by the true events of a BBC-sponsored wartime cooking competition. 'The Great British Bake Off set in World War Two . . . an enchanting hug of a novel' – Cathy Kelly, author of Other Women 'A gorgeous novel about making the best of things during difficult times, whilst celebrating the importance of sisterhood and friendship' – Jill Mansell, author of Should I Tell You? Some wars will be fought at home . . . Two years into the Second World War, and German U-boats are frequently disrupting Britain's supply of food. In an effort to help housewives with food rationing, a BBC radio programme called The Kitchen Front launches a new cooking contest – and the grand prize is a job as the programme's first-ever female co-host. For young widow Audrey, winning the competition could be a chance to pay off her husband's debts and keep a roof over her children's heads. However, her estranged sister, Gwendoline, is equally set on success even if her own kitchen maid, Nell, is competing against her. And then there is Zelda, a London-trained chef desperate to succeed in a male-dominated profession – and harbouring a secret that will change everything . . .

From the Back Streets to the Front Line Jun 25 2019 Growing up in the back streets of Cardiff and being one of 10 children could never have prepared William for what life was about to ask of him.at 18 years of age his whole world would be changed forever! This is Williams' story.from a boy swimming in the River Taff to becoming a man and seeing the world as a Soldier in the Second World War, in Algeria, Tunisia, Italy and Austria.

The War that Saved My Life Sep 20 2021 * Newbery Honor Book * #1 New York Times Bestseller * Winner of the Schneider Family Book Award * Wall Street Journal Best Children's Books of the Year * New York Public Library's 100 Books for Reading and Sharing An exceptionally moving story of triumph against all odds set during World War II, from the acclaimed author of Fighting Words, and for fans of Fish in a Tree and Number the Stars. Ten-year-old Ada has never left her one-room apartment. Her mother is too humiliated by Ada's twisted foot to let her outside. So when her little brother Jamie is shipped out of London to escape the war, Ada doesn't waste a minute—she sneaks out to join him. So begins a new adventure for Ada, and for Susan Smith, the woman who is forced to take the two kids in. As Ada teaches herself to ride a pony, learns to read, and watches for German spies, she begins to trust Susan—and Susan begins to love Ada and Jamie. But in the end, will their bond be enough to hold them together through wartime? Or will Ada and her brother fall back into the cruel hands of their mother? This masterful work of historical fiction is equal parts adventure and a moving tale of family and identity—a classic in the making. "Achingly lovely...Nuanced and emotionally acute."—The Wall Street Journal "Unforgettable...unflinching."—Common Sense Media ? "Brisk and honest...Cause for celebration."—Kirkus, starred review ? "Poignant."—Publishers Weekly, starred review ? "Powerful."—The Horn Book, starred review "Affecting."—Booklist "Emotionally satisfying...[A] page-turner."—BCCB "Exquisitely written...Heart-lifting."—SLJ "Astounding...This book is remarkable."—Karen Cushman, author The Midwife's Apprentice "Beautifully told."—Patricia MacLachlan, author of Sarah, Plain and Tall "I read this novel in two big gulps."—Gary D. Schmidt, author of Okay for Now "I love Ada's bold heart...Her story's riveting."—Sheila Turnage, author of Three Times Lucky

Diary of Squandered Valor Jan 13 2021 "A Gunner's Mate's gripping account of his ship's terrifying run through German U-boats' infamous gauntlet of death in the icy North Seas--in the U.S.'s first convoy to Russia before World War II was even declared"--Provided by publisher.

Tweets from the Trenches Jul 19 2021 "Follow Carmichael's odyssey deep into the dugouts of World War I military history. ... This 168-page book is written in flash documentary creative non-fiction, and features small stories pulled from journals and letters of Allied soldiers from Prince Edward Island to Yorkshire to South Carolina, touching on everything from rationed rum and brave homing pigeons to post-traumatic stress disorder."--

Crossing the Eastern Front Nov 10 2020 Kidnapped at gunpoint by a German unit from his village in the heart of Transylvania, a devout teenager is starving to death in a POW camp. The only way out is to join a Romanian Waffen-SS unit. As the Anglo-American and Soviet fronts grip Nazi Germany in an ever-tightening vise, the last months of war find him on the losing side, wearing its most hated uniform.

Slippin' Out of Darkness Aug 27 2019 The first biography of the seminal music group WAR whose many hits include "Spill the Wine," "All Day Music," "Why Can't We Be Friends?" "Slippin' into Darkness," "The Cisco Kid," and - of course - "Low Rider." They combined rock, funk, soul, R&B, jazz, and a strong Latin vibe in their music, they have been awarded two Platinum and eight Gold records in their career. Their album "The World is a Ghetto" was the bestselling release of 1973 and was #444 on the list of "Rolling Stone's Top 500 Albums" list. This unauthorized book follows the group from their early incarnations when Harold Brown and Howard Scott met to form the Creators and then the Night Shift, to their partnership with former Animals lead singer Eric Burdon, to a highly successful career on their own with the core original lineup of Brown, Scott, Lee Oskar, Lonnie Jordan, B.B. Dickerson, Papa Dee Allen, and Charles Miller. The story also follows the band through their later, leaner years, the tragic deaths of two members, and the conflicts that led to a fissure and a split of performing entities that continues to this day. Featuring original interviews, archival research, and musical analysis and commentary, "Slippin' Out of Darkness: The Story of WAR" tells the tale of one of the most unique bands in the history of Classic Rock-era music.

Rags: Hero Dog of WWI: A True Story Feb 11 2021 "A stray dog named Rags befriends a U.S. soldier in Paris, France, during WWI. Rags traveled with the troops carrying messages from the front line to the back. His loyalty kept him by his owner's side until Sergeant Donovan died at the base hospital in Chicago"--

Girls to the Front Jun 29 2022 "Not only a historical rockument of the revolutionary 90s counterculture Riot Grrrl movement. . . but also a rousing inspiration for a new generation of empowered rebel girls to strap on guitars and stick it to The Man." — Vanity Fair Girls to the Front is the epic, definitive history of the Riot Grrrl movement—the radical feminist punk uprising that exploded into the public eye in the 1990s, altering America's gender landscape forever.

Author Sara Marcus, a music and politics writer for Time Out New York, Slate.com, Pos, and Heeb magazine, interweaves research, interviews, and her own memories as a Riot Grrrl front-liner. Her passionate, sophisticated narrative brilliantly conveys the story of punk bands like Bikini Kill, Bratmobile, Heavens to Betsy—as well as successors like Sleater-Kinney, Partyline, and Kathleen Hanna's Le Tigre—and their effect on today's culture.

My Vietnam War Apr 15 2021 Writers have been writing about war since the siege of Troy, but few, if any, have captured the first-person experience of war as deeply as My Vietnam War. Set in 1967 (the deadliest year of the Vietnam War), this memoir-style novel depicts the psychological journey of a young man whose carefree days of studying philosophy at the university are ended by the draft. The story follows him from his initial rear-echelon assignment in Saigon, where he falls for a mysterious storytelling bar girl, to his eventual posting at an isolated front-line firebase in one of the deepest parts of the Vietnam jungle. While recovering from a leg wound (he is hit by a piece of bone from a fellow soldier who stepped on a booby trap mine), he becomes the assistant medic and sees the horrors of war close up. The experience begins his steady spiral down into PTSD. After he is seriously wounded, he ends up back in Saigon where, after an old friend from Arizona gets him involved in the underground drug trade, the mysterious bar girl may be his only hope for salvation. It is a powerful story, well-written, with vivid detail that you will never forget.

The Forgotten Soldier May 17 2021 A young man with a French father but a German mother is inducted into the Wehrmacht in the summer of 1942. He could just as easily have become a French soldier. Following his initial excitement, the book becomes a horrifying chronicle of misery, cold, fear, starvation and disillusionment. THE FORGOTTEN SOLDIER is one of those few classic accounts of an individual's experience of an international anguish, the single most harrowing and incredible account of war that you are ever likely to read.

Holding Back The Tears Jan 31 2020 This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you"; - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her belief's about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

One Man's Initiation—1917 Oct 22 2021 "One Man's Initiation—1917" by John Dos Passos. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. Out of War Feb 23 2022 Chronicles the stories of Columbian children who have lost parents, homes, schools, and any hope of day-to-day security, yet work for change and face the future with the confidence that their efforts will make a difference.

Storm Front Jan 25 2022 _____ 'As vivid and compelling as the best adventure thriller, and a fitting tribute to a small band of men who became heroes' ANDY MCNAB 'Gripping, revealing and extraordinarily well-researched, this is a riveting new account of a little known but crucial war' SIR RANULPH FIENNES _____ Dawn. 19 July 1972. A force of nearly three hundred heavily armed, well-trained guerrillas launches a surprise attack on the small fishing village of Mirbat. All that stands in their way is a troop of just nine SAS, aided only by an elite band of fighter pilots overhead. Two years earlier a Communist rebellion had threatened the Arabian Peninsula, in the strategically critical Sultanate of Oman. Following a covert intelligence mission, 22 SAS deployed their largest ever assault force against the rebels. But this was to be a bitter and hard-fought campaign culminating the Battle of Mirbat which would become a defining moment for the Regiment. Their heroism that day would remain part of the SAS legend for ever.

The Englishman's Daughter Dec 24 2021 In the first terrifying days of World War I, four British soldiers found themselves trapped behind enemy lines on the western front. They were forced to hide in the tiny French village of Villeret, whose inhabitants made the courageous decision to shelter the fugitives until they could pass as Picard peasants. The Englishman's Daughter is the never-before-told story of these extraordinary men, their protectors, and of the haunting love affair between Private Robert Digby and Claire Dessenne, the most beautiful woman in Villeret. Their passion would result in the birth of a child known as "The Englishman's Daughter," and in an act of unspeakable betrayal, a tragic legacy that would haunt the village for generations to come. Through the testimonies of the villagers and the last letters of the soldiers, acclaimed journalist Ben Macintyre has pieced together a harrowing account of how life was lived behind enemy lines during the Great War, and offers a compelling solution to a gripping mystery that reverberates to this day.

On the Front Line Apr 27 2022 In 1930, the editor of Everyman Magazine requested entries for a new anthology of Great War accounts. The result was a revolutionary book unlike any other of the period; for as Malcolm Brown notes in his introduction 'I believe it might fairly be described as a rediscovered classic'. It was the very first collection to reveal the many dimensions of the war through the eyes of the ordinary soldier and offers heart-stopping renditions of the very first gas attack; aerial dogfights above the trenches; the moment of going over the top. Told chronologically, from the first scrambles of 1914, the drudgery of the war of attrition once the trenches had been dug, to the final joy of Armistice.

The Diary of an Unprofessional Soldier Aug 08 2020

Beyond The Call Nov 03 2022 This inspiring true story of veteran Air Force bomber pilot Robert Trimble, who laid his life on the line to rescue World War II POWs on the Eastern Front. Near the end of World War II, thousands of Allied ex-prisoners of war were abandoned to wander the war-torn Eastern Front. With no food, shelter, or supplies, the POWs were an army of dying men. As the Red Army advanced across Poland, the Nazi prison camps were liberated. In defiance of humanity, the freed Allied prisoners were discarded without aid. The Soviets viewed POWs as cowards, and regarded all refugees as potential spies or partisans. The United States repeatedly offered to help, but were refused. With relations between the Allies strained, a plan was conceived for an undercover rescue mission. In total secrecy, the OSS chose an obscure American air force detachment stationed at a Ukrainian airfield. The man they picked to undertake it was veteran 8th Air Force bomber pilot Captain Robert Trimble. With little covert training, Trimble took the mission. He would survive by wit, courage, and determination. This is the compelling, true story

of an American hero who risked everything to bring his fellow soldiers home to safety and freedom. INCLUDES PHOTOS

Baby Bumps Jul 07 2020 From the author of the award-winning blog Snarky Mommy comes a book that will make every woman who has ever been pregnant pee with laughter (not that that's hard). Wearing her highest heels and hottest pregnancy jeans, Amy Sprenger marches into her doctor's office, beverage in hand, ready to finally see whether her baby is a boy or a girl. Sure, sure, this appointment is supposed to be about checking the health of the baby, but everyone who's ever been there knows it's really about looking for what lays, or doesn't lay, between the legs. So when the doctor tells her she has an incompetent cervix, Amy becomes immediately offended on behalf of her reproductive organs. Is that just a politically correct way of saying her cervix sucks? Unfortunately, as she's soon to learn, it's a lot more than that. The only way to keep that baby from falling out on the sidewalk (probably in front of Starbucks) is for her doctor to stitch her cervix closed and for Amy to stay in bed for the next four months. Four months that are carefully detailed in this "memoir." A memoir that, while basically true, has been embellished with Amy's signature brand of humor and hilarity. With more time off than a castoff contestant on "The Bachelor," Amy takes pen to paper and settles in for the ride. But instead of sitting around eating bonbons, she's popping hypertension drugs to stave off preterm labor. And complications? Oh, she's got your complications. She's gut-rehabbing her house. Her mother moves in to care for her. Her husband takes a "mancation" while she's stuck in the hospital. And every time she has a contraction, she's convinced it's The Big One. Living by the adage that laughter is the best medicine, Amy fumbles her way through a series of sometimes serious and usually embarrassing situations. And just to be clear, using a bedpan qualifies as both serious and embarrassing. "Amy Sprenger's foray into factual fiction is a hilarious (and sometimes poignant) look at high-risk pregnancy from her view at the end of the bed. Sprenger offers a fresh and funny voice that readers will love!" -- New York Times bestselling author Jen Lancaster

From Dardanelles to Palestine May 05 2020

Wounded Jun 17 2021 "[O]ffers a new look from the perspective of wounded soldiers and those who strove to save them; utilizes first-hand accounts of medical personnel and wounded men to produce an immediate, intimate narrative; deeply researched and based on unpublished diaries, letters and other accounts from the war, many housed in the Imperial War Museum"--

Albanian Escape Sep 08 2020 Thrust into a perilous situation and determined to survive, a group of World War II Army flight nurses crash-lands in Albania, finding courage and strength in the kindnesses of Albanians and guerrillas who hide them from the Germans. 26 illustrations.

The Trench Jul 27 2019 The book details the history of the 10th Battalion of the East Yorkshire, known as the Hull Pals, from September 1914 to May 1918. In around 150 pages it will provide viewers with answers to the questions the program will generate: Who were these men? What did they do? Which of them survived? Where did they really come from? Did they really live like this? Over 150 photographs, illustrations and maps record in detail the lives of these men; many of the illustrations have never been seen before. Known locally as "The Commercials" because they were a battalion of office workers, the 1400 men trained in England, were sent to fight the Turks in Egypt and then returned to spend nearly three years in the trenches of the Western Front. Their losses were heavy, with around one in four being killed.

Gradual failure : the air war over North Vietnam 1965-1966 Sep 28 2019

All Quiet on the Western Front Jul 31 2022 Real Reads is a series of adaptations of great literature from around the world that makes classic stories, dramas and histories available to young readers as a bridge to the full texts, to language students wanting access to other cultures and to adult readers who are unlikely ever to read the original versions. To commemorate the start of World War I, Real Reads is presenting adaptations of three key works from this catastrophic period. Reading Level: Grade 4; Interest Level: Grades 6-12. Perfect for struggling and reluctant readers. Original.

Home Front Oct 02 2022 In January of 1944, the United States is fighting a war on two fronts-Europe and Asia-as eighteen-year-old Vee Hammontree bravely travels from Missouri to Idaho where she intends to marry her high-school sweetheart. Both her fiance, Robert, and her older brother, Eugene, have enlisted in the U.S. Army Air Corps in the hopes of saving the world from tyranny. While the U.S. troops are fighting overseas, Vee resolves to contribute to the war effort by joining the workforce at Pratt&Whitney to build airplane engines-something that could help ensure the survival of both her husband and her brother. Like others on the home front, she becomes a woman laborer, works to boost morale for the ones who are serving, and makes the ultimate sacrifice-losing one of her own. Home Front weaves together two true stories of sacrifice-one gleaned from Vee's personal diaries of the 1940s, the other through letters home from the war.

Storm Front Apr 03 2020 Praise for Phoenix Squadron: * Rowland White combines pulse-pounding tension with riveting detail. If only all military history was written like this... - Andy McNab * A page-turning thriller of a book...White's obvious passion infuses every page and is highly infectious, while the level of detail should send any budding Tom Clancy rushing to the bookshops - Telegraph Praise for Vulcan 607: * Big heavy bombers. Proper old-fashioned heroism...I more than enjoyed it, it could have been written specially for me - Jeremy Clarkson * Gripping, endlessly fascinating detail. I read the book in one sitting: it is an utterly compelling war story, brilliantly written - Simon Winchester

Until We Meet Again Oct 29 2019 Tells the story of two Polish teenagers, whose love survived the Nazi occupation and imprisonment at Auschwitz

The Finest Hours (Young Readers Edition) Aug 20 2021 On the night of February 18, 1952, during one of the worst winter storms that New England has ever seen, two oil tankers just off the shore of Cape Cod were torn in half by the force of the storm. This middle-grade adaptation of an adult nonfiction book tells the story of the shipwreck and a harrowing Coast Guard rescue when four men in a tiny lifeboat overcame insurmountable odds and saved more than 30 stranded sailors. This is a fast-paced, uplifting story that puts young readers in the middle of the action. It's a gripping story of heroism and survival with the same intensity as the bestselling book and movie *The Perfect Storm*. A Christy Ottaviano Book

Bugs and Bullets Dec 12 2020 Romania entered World War I in the summer of 1916 woefully unprepared to sustain a war on its own. The country faced near collapse as its Allies did not follow through on their promises and the Central Powers advanced into the kingdom. An unexpected participant in the events that unfolded as the Central Powers invaded Romania and occupied the capital city of Bucharest was an American doctor, Joseph Breckinridge Bayne. Like many of his generation, such as Ernest Hemingway, Richard Norton, Anne Hathaway Vanderbilt, and many others, driven by a spirit of adventure and a desire to help humanity in this moment of crisis, Bayne set out for Europe to throw in his lot with the Allied forces. After arriving in London, an unlikely set of circumstances led him to Romania, an isolated post on the Eastern Front of the war where his medical skills were greatly needed. Bug and Bullets is the memoir of this brave doctor who spent the next two years combating disease and epidemics, and dealing with the horrors of war from behind enemy lines on the Eastern Front. Bayne worked at a military hospital in Bucharest, both before and after the German occupation of the Romanian capital. When the front lines had stabilized further to the East and the influx of wounded soldiers ceased, Bayne took his services to the villages outside the capital that were ravaged by disease and hunger. Once the war had ended, Bayne again volunteered his services and returned to Romania with the Red Cross to help to reign in the typhoid epidemic and to rebuild the country he had grown to love. Bayne's memoir provides a unique account of life in Romania during the First World War. He vividly describes medical conditions faced on the Eastern Front, revealing firsthand the savagery of war. Bug and Bullets portrays the difficulties faced by the civilian population, overwhelmed by hunger and disease. As a foreign observer, he also provides a unique glimpse into life in Romanian villages during the war and creates an insightful portrait of the land and its people. This edition of Bug and Bullets, published to mark the 100th anniversary of the end of the Great War, is edited and enhanced by a thorough introductory study on the author's life and work by Dr. Ernest H. Latham, Jr., former cultural attaché at the American Embassy in Bucharest. Dr. Latham is a well-known specialist in Romanian history and has written the only biography of Dr. Bayne, entitled *What Strange Fate*. Bug and Bullets is essential reading for anyone interested in medical conditions during World War I and life on the Eastern Front during this dramatic period in history. It also provides a valuable look at life in the country on the eve of the creation of modern Romania.

The Forgotten Soldier May 29 2022 The illustrated edition of the classic German WWII autobiography

Flight of Remembrance Mar 15 2021 Now an Award-Winning Finalist in the Non-Fiction: Narrative category of The 2012 USA Best Book Awards, sponsored by USA Book News. Obtain a free 40-page excerpt on www.kirschstonebooks.com. Against the backdrop of World War II tragedy and devastation in Latvia, Poland and Germany and three decades of European history, this true narrative provides a window into the palpitating heart of wartime upheaval through the lives of Rolf Dutzmann and Lilo Wassull-two people fatefully positioned "on the other side." In December of 1939, swept along on a tide of dire necessity and circumstance due to the imminent Soviet takeover of his homeland, Rolf, a young Latvian aeronautical engineering student, flees with his family to Germany, a country fully under Hitler's control and already engaged in a brutal war. While the account chronicles Rolf's pursuit of his technical dream against daunting wartime odds, it is first and foremost a poignant love story that plays out against a panorama of worldwide chaos and destruction. It is also a story of the seen and unseen forces that coalesce to keep Rolf and Lilo alive after they meet in 1940 Berlin, leading them through a chain of cataclysmic events including Rolf's draft into the Luftwaffe and his father's assignment as chief inspector of V-2 rocket production; the bombing of Berlin; the destruction of their homes; their numerous desperate, cross-country escapes from the bombing, the advancing Soviet troops from the east, and other Allied forces from the west; the POW camp hardships; and the deprivation of the postwar years. Despite the immeasurable evil, suffering and desolation of World War II, a synchronistic chain of events provides an uplifting reminder that love and hope may take wing even out of the ashes of life's most terrifying adversities.
