Hole in My Life Oct 02 2022 Becoming a writer the hard way In the summer of 1971, Jack Gantos was an aspiring writer looking for adventure, cash for college tuition, and a way out of a dead-end job. For ten thousand dollars, he recklessly agreed to help sail a sixty-foot yacht loaded with a ton of hashish from the Virgin Islands to New York City, where he and his partners sold the drug until federal agents caught up with them. For his part in the conspiracy, Gantos was sentenced to serve up to six years in prison. In *Hole in My Life*, this prizewinning author of over thirty books for young people confronts the period of struggle and confinement that marked the end of his own youth. On the surface, the narrative tumbles from one crazed moment to the next as Gantos pieces together the story of his restless final year of high school, his short-lived career as a criminal, and his time in prison. But running just beneath the action is the story of how Gantos - once he was locked up in a small, yellow-walled cell - moved from wanting to be a writer to writing, and how dedicating himself more fully to the thing he most wanted to do helped him endure and ultimately overcome the worst experience of his life. This title has Common Core connections. *Hole in My Life* is a 2003 Bank Street - Best Children's Book of the Year.

Bringing Words to Life Jul 31 2022 "Exciting and engaging vocabulary instruction can set students on the path to a lifelong fascination with words. This book provides a research-based framework and practical strategies for vocabulary development with children from the earliest grades through high school. The authors emphasize instruction that offers rich information about words and their uses and enhances students' language comprehension and production. Teachers are guided in selecting words for instruction; developing student-friendly explanations of new words; creating meaningful learning activities; and getting students involved in thinking about, using, and noticing new words both within and outside the classroom. Many concrete examples, sample classroom dialogues, and exercises for teachers bring the material to life. Helpful appendices include suggestions for trade books that help children enlarge their vocabulary and/or have fun with different aspects of words"--

UnWholly Jan 31 2020 "Thanks to Connor, Lev, and Risa, and their high-profile revolt at Happy Jack

Harvest Camp, people can no longer turn a blind eye to unwinding. Ridding society of troublesome teens and, in the same stroke, providing much-needed tissues for transplant might be convenient, but its morality has finally been brought into question. However, unwinding has become big business, and there are powerful political and corporate interests that want to see it not only continue, but expand, allowing the unwinding of prisoners and the impoverished. Cam is a teen who does not exist. He is made entirely out of the parts of other unwinds. Cam, a 21st century Frankenstein, struggles with a search for identity and meaning, as well as the concept of his own soul, if indeed a rewind being can have one. When a sadistic bounty hunter who takes "trophies" from the unwinds he captures starts to pursue Connor, Risa and Lev, Cam finds his fate inextricably bound with theirs"--

Home of the Brave Apr 15 2021 Kek comes from Africa. In America he sees snow for the first time, and feels its sting. He's never walked on ice, and he falls. He wonders if the people in this new place will be like the winter - cold and unkind. In Africa, Kek lived with his mother, father, and brother. But only he and his mother have survived, and now she's missing. Kek is on his own. Slowly, he makes friends: a girl who is in foster care; an old woman who owns a rundown farm, and a cow whose name means "family" in Kek's native language. As Kek awaits word of his mother's fate, he weathers the tough Minnesota winter by finding warmth in his new friendships, strength in his memories, and belief in his new country. Bestselling author Katherine Applegate presents a beautifully wrought novel about an immigrant's journey from hardship to hope. Home of the Brave is a 2008 Bank Street - Best Children's Book of the Year.

Kid Power Nov 30 2019 Winner of the Dorothy Canfield Fisher Award and the Sequoyah Children's Book Award: To save money for a bike, a young girl becomes a business tycoon Janie is desperate for

a new bike, but her parents won't buy her one unless she can pay for half of it herself. She's too young to babysit and it's too late to get a paper route, so Janie decides to open her own business. She calls it Kid Power and promises her customers that there is no problem too big or too small for her to handle—but this budding entrepreneur will soon find that running a company isn't as easy as it looks. As Janie begins walking dogs, feeding cats, cleaning gutters, and pulling weeds, she gets closer and closer to her bike. But as Kid Power grows bigger than Janie can handle, she learns that there are some problems money can't solve, and some things even more important than getting a new bike.

Evaluating Second Language Vocabulary and Grammar Instruction Jul 07 2020 Providing a much-needed critical synthesis of research on teaching vocabulary and grammar to students of a second or foreign language, this book puts the research into perspective in order to distil recommendations for language teaching. Boers evaluates a comprehensive range of both well-established and lesser-known research strands and classroom practices to draw out the most effective instructional approaches to teaching words, multiword expressions and grammar patterns. Chapters discuss learning as a by-product of communicative activities, language-focused instruction, diverse types of exercises, mnemonic techniques and more, with a view to building bridges between the available research on such instructional approaches and how they are commonly implemented in actual language courses and textbooks. This book helps teachers make research-informed decisions regarding their instructional approaches to words, phrases and patterns, and direct researchers to specific areas in need of further inquiry. Boers not only demonstrates how research findings can inform effective teaching, but also calls for a deeper appreciation on the part of researchers of the realities of the teaching profession, making this a worthwhile text for preservice teachers, teacher

educators, graduate students and scholars.

The Far Away Brothers Jan 25 2022 The deeply reported story of identical twin brothers who escape El Salvador's violence to build new lives in California—fighting to survive, to stay, and to belong.

“Impeccably timed, intimately reported, and beautifully expressed.”—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • WINNER OF THE RIDENHOUR BOOK PRIZE • SILVER WINNER OF THE CALIFORNIA BOOK AWARD

Growing up in rural El Salvador in the wake of the civil war, the United States was a distant fantasy to identical twins Ernesto and Raul Flores—until, at age seventeen, a deadly threat from the region's brutal gangs forces them to flee the only home they've ever known. In this urgent chronicle of contemporary immigration, journalist Lauren Markham follows the Flores twins as they make their way across the Rio Grande and the Texas desert, into the hands of immigration authorities, and from there to their estranged older brother in Oakland, CA. Soon these unaccompanied minors are navigating school in a new language, working to pay down their mounting coyote debt, and facing their day in immigration court, while also encountering the triumphs and pitfalls of teenage life with only each other for support. With intimate access and breathtaking range, Markham offers an unforgettable testament to the migrant experience. FINALIST FOR THE LOS ANGELES TIMES BOOK PRIZE • SHORTLISTED FOR THE J. ANTHONY LUKAS BOOK PRIZE • LONGLISTED FOR THE PEN/BOGRAD WELD PRIZE FOR BIOGRAPHY “[This] beautifully written book . . . can be read as a supplement to the current news, a chronicle of the problems that Central Americans are fleeing and the horrors they suffer in flight. But it transcends the crisis. Markham's deep, frank reporting is also useful in thinking ahead to the challenges of assimilation, for the struggling twins and many others like them. . . . Her reporting is intimate and detailed, and her tone is a special pleasure.

Trustworthy, calm, decent, it offers refuge from a world consumed by Twitter screeds and cable news demagogues. . . . A generous book for an ungenerous age.”—Jason DeParle, *The New York Review of Books* “You should read *The Far Away Brothers*. We all should.”—NPR “This is the sort of news that is the opposite of fake. . . . Markham is our knowing, compassionate ally, our guide in sorting out, up close, how our new national immigration policy is playing out from a human perspective. . . . An important book.”—*The Minneapolis Star Tribune*

Life Is So Good Nov 03 2022 One man’s extraordinary journey through the twentieth century and how he learned to read at age 98 “Things will be all right. People need to hear that. Life is good, just as it is. There isn’t anything I would change about my life.”—George Dawson In this remarkable book, George Dawson, a slave’s grandson who learned to read at age 98 and lived to the age of 103, reflects on his life and shares valuable lessons in living, as well as a fresh, firsthand view of America during the entire sweep of the twentieth century. Richard Glaubman captures Dawson’s irresistible voice and view of the world, offering insights into humanity, history, hardships, and happiness. From segregation and civil rights, to the wars and the presidents, to defining moments in history, George Dawson’s description and assessment of the last century inspires readers with the message that has sustained him through it all: “Life is so good. I do believe it’s getting better.” WINNER OF THE CHRISTOPHER AWARD “A remarkable autobiography . . . the feel-good story of the year.”—*The Christian Science Monitor* “A testament to the power of perseverance.”—*USA Today* “*Life Is So Good* is about character, soul and spirit. . . . The pride in standing his ground is matched—maybe even exceeded—by the accomplishment of [George Dawson’s] hard-won education.”—*The Washington Post* “Eloquent . . . engrossing . . . an astonishing and unforgettable memoir.”—*Publishers Weekly* Look for special features inside. The Shade of the Moon Sep 28 2019 In this eagerly awaited addition to the dystopian series begun with New York Times best-seller *Life As We Knew It*, Jon Evans is one of the lucky ones—until he realizes that escaping his safe haven may be the only way to truly survive.

Middle School, The Worst Years of My Life May 29 2022 Bestselling author James Patterson's most beloved middle grade protagonist, Rafe Khatchadorian, is getting the Hollywood treatment! A film version of *Middle School: The Worst Years of My Life* starring Griffin Gluck, Lauren Graham, Rob Riggle, and Thomas Barbusca smashes into theaters in October 2016. In his acclaimed and number-one bestselling middle-grade comic debut, Children's Choice Award Author of the Year James Patterson has never been more hilarious--or heartwarming. Rafe Khatchadorian has enough problems at home without throwing his first year of middle school into the mix. Luckily, he's got an ace plan for the best year ever, if only he can pull it off: With his best friend Leonardo the Silent awarding him points, Rafe tries to break every rule in his school's oppressive Code of Conduct. Chewing gum in class--5,000 points! Running in the hallway--10,000 points! Pulling the fire alarm--50,000 points! But when Rafe's game starts to catch up with him, he'll have to decide if winning is all that matters, or if he's finally ready to face the rules, bullies, and truths he's been avoiding. James Patterson's debut middle-grade novel addresses some of middle schoolers' biggest issues: bullies, first crushes, and finding out what makes each of us special, all with a hilarious main character and fantastic in-text illustrations that are sure to have young readers begging for more!

Pelé Dec 24 2021 Edson Arantes do Nascimento, known to his schoolmates as Pelé, grew up in poverty in the Sao Paulo region of Brazil. He was too poor to afford a real soccer ball, so he played with a ball of newspaper tied together with string. Yet he dominated the youth leagues and signed his first professional soccer contract at the age of fifteen. Within two years he was celebrated internationally, when he led Brazil to victory at the world cup. Known by his fans as "O Rei" (The King), Pelé is widely regarded as the greatest soccer player of all time. But he's more than just an athlete: he also traveled the world as goodwill ambassador for UNICEF. Pelé is the living symbol of a sport he dubbed "the beautiful game"—a game that brings people together regardless of race or nationality. In the graphic novel *Pele: The King of Soccer*, Eddy Simon and Vincent Brascaglia beautifully depict Pele's rise from the slums of Brazil to the national stage.

A Basic Vocabulary of Scientific and Technological German Jan 01 2020 A Basic Vocabulary of Scientific and Technological German is a collection of common scientific and technological terms used in many fields in science, commerce, and industry. This book provides the most commonly used German terms and words in the applied and pure sciences, such as anatomy and physiology, and in commerce and industry. The author explains German grammar particularly as it is used in modern scientific and research papers. He introduces the concept of separable and inseparable compounds and explains sample uses. Like in English, he also explains how words are compounded and

constructed in the German language. German punctuation is also noted. The book discusses irregular verbs that can be grouped into 14 sections. A particular section that can prove useful is a list of abbreviations and their meanings as these are used in German scientific and technical papers. A dictionary, a table of irregular verbs, and other conversion tables are available at the end of this book. This collection can be immensely useful for translators, librarians, researchers in science, students learning German, as well as foreign people conducting business and government affairs in Germany.

Teaching and Learning Vocabulary Oct 10 2020 Although proficiency in vocabulary has long been recognized as basic to reading proficiency, there has been a paucity of research on vocabulary teaching and learning over the last two decades. Recognizing this, the U.S. Department of Education recently sponsored a Focus on Vocabulary conference that attracted the best-known and most active researchers in the vocabulary field. This book is the outgrowth of that conference. It presents scientific evidence from leading research programs that address persistent issues regarding the role of vocabulary in text comprehension. Part I examines how vocabulary is learned; Part II presents instructional interventions that enhance vocabulary; and Part III looks at which words to choose for vocabulary instruction. Other key features of this timely new book include: *Broad Coverage. The book addresses the full range of students populating current classrooms--young children, English Language Learners, and young adolescents. *Issues Focus. By focusing on persistent issues from the perspective of critical school populations, this volume provides a rich, scientific foundation for effective vocabulary instruction and policy. *Author Expertise. Few volumes can boast of a more luminous cast of contributing authors (see table of contents). This book is suitable for anyone (graduate students, in-service reading specialists and curriculum directors, college faculty, and

researchers) who deals with vocabulary learning and instruction as a vital component of reading proficiency.

[Insights into Non-native Vocabulary Teaching and Learning](#) Jun 25 2019 In a field like L2 vocabulary teaching and learning where interest and research studies are burgeoning, this book offers a useful collection of papers that contains new ways of investigating vocabulary development, techniques for vocabulary teaching such as the Focus on Form hypothesis, word associations, and the use of concordance data. In addition, it tackles recent areas of analysis such as the treatment of vocabulary in teaching materials—an area of almost complete neglect in the literature. The book is divided into three parts. Part one provides the overview and deals with the development of a model for vocabulary teaching and learning. Part two focuses on empirical studies on lexical processing in English and Spanish. Part three centers on materials design for vocabulary teaching and learning. The advances made in this book will certainly be of interest to researchers, teachers, and graduate students working on this very active field of inquiry.

HSK 9 Classified Chinese Vocabulary Book Jul 19 2021 This is the vocabulary list for New HSK 9! Is there any HSK 9? Yes, the initial Classification from 1992 to 2009. There are total 8000 vocabularies. New HSK (after 2009) which cut the vocabulary to 5000, just want to set a lower passing bar for students who take Chinese as second language or foreign language. There are around 100,000 vocabularies in comprehensive Chinese dictionary. The new HSK 5000 vocabularies only account for 5%, which is far from enough for students to continue their college in China taught in Chinese. For advance level oversea Chinese examinations like IB

Chinese_A_Language_and_literature_HL, IB Chinese_A_Literature_HL, IB Chinese_B_HL, SAT Chinese, AP Chinese, Edexcel A LEVEL Chinese 9CN0-01,02,03 (OLD 6CN0), Edexcel AS Chinese 8CN0-01,02,03 (OLD 6CN0), CIE IGCSE First Language (0509), CIE IGCSE Second Language (0523), the vocabulary involved are far more than HSK 5000 vocabularies. Due to this, we continue to update our HSK 9 Vocabularies with the possible Best English Translation for your better understanding with our many years' experience in HSK and GCSE teaching since 2009! By referring oversea Chinese examinations and China Education Ministry official vocabulary list up to high school, similar to K12 in USA, we choose the highest level words (四级(3569)) as an addition to our HSK 6 Vocabularies. We also add more sentences to illustrate how to apply certain vocabularies in context. All sentences are chosen from authority resources such as Oxford dictionary, Cambridge dictionary etc. Many students call it "LIFE SAVING" for their exam. The Unwanted Feb 11 2021 In the tradition of Don Brown's critically acclaimed, full-color nonfiction graphic novels *The Great American Dust Bowl* and Sibert Honor winning *Drowned City*, *The Unwanted* is an important, timely, and eye-opening exploration of the ongoing Syrian refugee crisis, exposing the harsh realities of living in, and trying to escape, a war zone. Starting in 2011, refugees flood out of war-torn Syria in Exodus-like proportions. The surprising flood of victims overwhelms neighboring countries, and chaos follows. Resentment in host nations heightens as disruption and the cost of aid grows. By 2017, many want to turn their backs on the victims. The refugees are the unwanted. Don Brown depicts moments of both heartbreaking horror and hope in the ongoing Syrian refugee crisis. Shining a light on the stories of the survivors, *The Unwanted* is a testament to the courage and resilience of the refugees and a call to action for all those who read.

Ground Zero Sep 20 2021 The instant #1 New York Times bestseller. In time for the twentieth anniversary of 9/11, master storyteller Alan Gatz (*Refugee*) delivers a pulse-pounding and unforgettable take on history and hope, revenge and fear -- and the stunning links between the past and present. September 11, 2001, New York City: Brandon is visiting his dad at work, on the 107th floor of the World Trade Center. Out of nowhere, an airplane slams into the tower, creating a fiery nightmare of terror and confusion. And Brandon is in the middle of it all. Can he survive -- and escape? September 11, 2019, Afghanistan: Reshmina has grown up in the shadow of war, but she dreams of peace and progress. When a battle erupts in her village, Reshmina stumbles upon a wounded American soldier named Taz. Should she help Taz -- and put herself and her family in mortal danger? Two kids. One devastating day. Nothing will ever be the same.
