The General's General Aug 01 2020 General Arthur MacArthur's extraordinary life spans the history of the United States from the Civil War through the Indian Wars to the Spanish-American War and the heyday of American imperialism in the Philippines. And in a sense, as the father of Douglas MacArthur, his influence extends well into our own century. The General's General is the first biography of Arthur MacArthur, and it clearly establishes his importance in American history. Arthur MacArthur's military career began as a scrawny seventeen-year-old lieutenant, his commission

owed not to any evidence of his ability but to family connections. His squeaky voice, barely audible on the parade field, combined with an adolescent conception of proper military bearing to make the young officer an object of ridicule. But MacArthur overcame this bad start and went on to become a bona fide Civil War hero. The youngest regimental commander of the war, he led his troops with distinction in battle and became one of the very first officers to be awarded the congressional Medal of Honor. In the 1870s MacArthur served in forts in the West during the Indian Wars, married "Pinky" Hardy,

and started a family. He next commanded a division in the Philippines during the Spanish-American War. MacArthur went on to become the governor-general of the Philippines—the most imperial post in that blatantly imperialistic period of American history. His blunt opposition to aspects of Washington's colonial policy in the Philippines led to a series of conflicts with Taft, McKinley, and other civilian authorities. After his return to the United States in 1907, these same leaders blocked MacArthur's appointment as chief of staff of the army. Instead, an embittered MacArthur was forced to retire. The MacArthur

family, including Douglas, never forgave the powerful men who had thwarted Arthur in his greatest ambition and denied him his place in history. After one of the most distinguished careers in the history of the U.S. Army, Arthur MacArthur died in relative obscurity while delivering a speech at the fiftieth reunion of his original Civil War regiment. A man whose whole life had been soldiering left instructions forbidding a military funeral and asking to be buried in civilian clothes rather than in the uniform he had worn so proudly from the age of seventeen. MacArthur died too soon to witness the military exploits of his famous son. But there can be no doubt that Arthur made a profound impression on Douglas, who regarded the general with awe and spent much of his own life following in his father's footsteps. Arthur MacArthur had spent his life striving to be a soldier's soldier; in the end it can be truly said that he was the general's general.

Douglas MacArthur Sep 21 2019 Under siege on the island of Corregidor, General Douglas MacArthur received a warning from the enemy. "You are well aware that you are doomed," the Japanese general wrote. "The end is near. The question is how long you will be able to resist. You are advised to surrender." Of course, there was no way Douglas was going to surrender. Whether masterminding strategy and fighting on the front lines to secure Allied victory in World War I and World War II or

guiding war-torn nations to recovery in peacetime, five-star General Douglas MacArthur faced every challenge with unwavering courage and resolve. The general began his honored army career by leading his fellow cadets at West Point and ultimately commanded all U.S. forces in Asia. Remembered especially for directing the fight against Japanese expansion during WWII and later governing the defeated Japanese people with grace and wisdom, General MacArthur won the respect of millions, both allies and enemies. (1880-1964). Heroes of History is a unique biography series that brings the shaping of history to life with the remarkable true stories of fascinating men and women who changed the course of history. Based on the writings of one of the most effective spiritual leaders of all time—the apostle Paul—MacArthur presents the "26 Characteristics of a True Leader." **Rampage: MacArthur, Yamashita, and the Battle of Manila** Jan 06 2021

"Illuminating.... An eloquent testament to a doomed city and its people." —The Wall Street Journal In early 1945, General Douglas MacArthur prepared to reclaim Manila, America's Pearl of the Orient, which had been seized by the Japanese in 1942. Convinced the Japanese would abandon the city, he planned a victory parade down Dewey Boulevard—but the enemy had other plans. The Japanese were determined to fight to the death. The battle to liberate Manila resulted in the

catastrophic destruction of the city and a rampage by Japanese forces that brutalized the civilian population, resulting in a massacre as horrific as the Rape of Nanking. Drawing from war-crimes testimony, after-action reports, and survivor interviews, Rampage recounts one of the most heartbreaking chapters of Pacific War history.

[Because the Time is Near](#) Apr 21 2022 The end of the world is coming. From roadside signs to science fiction films, this slogan underscores our society's nervous fascination with the future. Whether it's a giant asteroid, a worldwide plague, or some other global catastrophe, the end of the world is a terrifying prospect—at least for those who have no idea what it will be like. For Christians, however, the end of the world should be anything but dreadful. In fact, it should be something we actually look forward to. Why? Because God has told us how the world will end. And He has assured us that the end of this age will mark the beginning of a new, glorious one in which we will serve and worship Him in sinless perfection. Our eternal hope, as believers, is intimately tied to the end of this world. All of this is laid out in the book of Revelation. Not only is Revelation the inspired Word of God, it is also the only New Testament book that includes a promised spiritual blessing for those who study and apply its message. As such, it is an essential part of every Christian's devotional life. Those who ignore Revelation deprive themselves of a rich

treasure of divine truth, and the promised blessings that come from understanding that truth. Join John MacArthur as he explains the book of Revelation in a way that is both doctrinally precise and intensely practical.

You will learn that worship is any essential expression of service rendered unto God by a soul that loves and extols Him for who He is. Worship is the nonstop role of believers, not merely part of a church service. So get ready to alter your priorities, aiming higher than entertaining worshipers on Sunday mornings. Worship shows that your ultimate priority must always be to worship the true and living God, with a radically different type of living.

*Stand Firm* Jun 11 2021 "In Stand Firm, John MacArthur resounds the Christian's call to holiness. He does this by outlining some of the dimensions of the Christian life, especially as it relates to living in a post-Christian era. First, he addresses the importance of having and maintaining a Christian conscience. Second, he talks about the importance of the Christian to not only his neighbor but also to love his enemy, and this is largely done through a focus on the teaching of Deuteronomy and on the teaching of Jesus Christ in Matthew 5. Third, he further elaborates on the nature of the Christian love and the fact that it often mean loving in a sacrificial way that can require suffering. Fourth, he asserts the necessity of prayer in the Christian life and also elaborates on the true substance of Christian prayer. Fifth, he corrects any false notion that Christian faith is meant to garner influence in culture. He calls this the "myth of influence." Finally, he drives home the importance of persevering to the end of this life as a distinguishing mark of the Christian life, underscoring the title of the book, Stand Firm"--

**Return to Victory** Feb 25 2020 General Douglas MacArthur's bloody campaign

to defeat die-hard Japanese forces and liberate the Philippines "I shall return," General Douglas MacArthur promised the Filipino people following the Japanese invasion and occupation of the Philippines in spring 1942. The people there believed MacArthur's vow—and even Americans were stirred by his dramatic pledge. Now, two and half years later, MacArthur was ready to fulfill his promise--the liberation of the Philippines was about to begin. It would not be an easy campaign. The more than 7,000 islands of the Philippine archipelago were the key to taking down the Japanese Empire—and the Imperial forces were prepared to sacrifice every man and every ship to prevent MacArthur from regaining control of them. Covering both the strategic and tactical aspects of the campaign through the participation of its soldiers, sailors, and airmen, as well as its commanders, James P. Duffy leads readers through a vivid account of the nearly year-long, bloody campaign to defeat over a quarter million die-hard Japanese defenders in the Pacific theater. Return to Victory is a wide-ranging, dramatic and stirring account of MacArthur's epic liberation of the Philippines.

Preaching Nov 23 2019 Many sermons preached today lack the divine knowledge and spiritual understanding available only through dynamic expository preaching. In Preaching: How to Preach Biblically, John MacArthur's well-known passion for the Bible combines with the expertise of faculty members at The Master's Seminary to inspire and equip preachers in effective biblical preaching. Preaching: How to Preach Biblically flows from biblical foundations for expository preaching through a detailed process of developing expositions and creating sermons to the actual delivery of expository messages, connecting what pastors learn in seminary with the sermons preached in a local church. This volume shows how to progress purposefully from one phase to the next in preparing to minister to God's people

through preaching. This book answers these questions and more: What is expository, biblical preaching? What are the theological and historical foundations for insisting on expository preaching? What are the steps involved in preparation for and participation in biblical preaching? What models exist for expository preaching today? The Master's Seminary faculty, with over thirty years' experience in preaching and seminary training of preachers, contributes a treasury of expertise alongside insights from expositor John MacArthur. The series has been praised for its accessibility to lay leaders, and is a must-have for every pastor's library. *1-3 John* Dec 17 2021 The apostle John is really a man for our times. He wrote his three New Testament letters in a bold, direct, even dogmatic style, more so perhaps than any other New Testament writer.

Although renowned traditionally as the apostle of love (and he was), he was an authoritative, uncompromising teacher and an exclusive-style instructor with a crucial message of truth versus error, which the church much needs to hear in the twenty-first century. This commentary considers John's clear, simple, unambiguous words from his three brief but profound letters. His themes, some of them reiterated more than once, emerge powerfully, such as the first letter's stress on doctrinal certainty, moral clarity, and the preeminence of biblical love, along with the second letter's emphasis on living the truth and the third's on discerning friends and foes in the local church.

### The Battle for the Beginning

Feb 07 2021 The battle lines have been drawn. Is the enemy winning? "Thanks to the theory of evolution," writes best-selling author John MacArthur, "naturalism is now the dominant religion of modern society. Less than a century and a half ago, Charles Darwin popularized the credo for this secular religion. Naturalism has now replaced Christianity as the main religion of the Western world, and evolution has become its principal dogma." Many Christians who claim to believe that the Bible is God's revealed truth seem willing to allow modern scientific theories to replace the Genesis account of creation. Such compromises present a conspicuous danger. Bible teacher and pastor, John MacArthur, believes that in Genesis 1-3 we find the foundation of every doctrine that is essential to the Christian faith?the vital underpinnings for everything we believe. The Battle for the Beginning draws a clear line on today's theological landscape. "Everything in Scripture that teaches about sin and redemption assumes the literal truth of the first three chapters of Genesis. If we wobble to any degree on the truth of this passage," John MacArthur insists, "we undermine the very foundations of our faith."

### The Gospel According to Jesus

Nov 16 2021 The first edition

of The Gospel According to Jesus won wide acclaim in confronting the "easy-believism" that has characterized some aspects of evangelical Christianity. Over the past 50 years, a handful of books have become true classics, revered world-wide for their crystal-clear presentation of the Gospel and lauded for their contribution to the Christian faith. These extraordinary books are read, re-read, and discussed in churches, Bible study groups, and homes everywhere. John MacArthur's The Gospel According to Jesus is one of those books. In The Gospel According to Jesus, MacArthur tackles the idea of "easy believism," challenging Christians to re-evaluate their commitment to Christ by examining their fruits. MacArthur asks, "What does it really mean to be saved?" He urges readers to understand that their conversion was more than a mere point in time, that, by definition, it includes a lifetime of obediently walking with Jesus as Lord. This 20th anniversary edition of MacArthur's provocative, Scripture-based book contains one new chapter and is further revised to provide Christians in the 21st century a fresh perspective on the intrinsic relationship between faith and works, clearly revealing Why Jesus is both Savior and Lord to all who believe.
