The Leader's Guide to Unconscious Bias May 27 2022 A timely, must-have guide to understanding and overcoming bias in the workplace, from the experts at FranklinCovey. Unconscious bias affects everyone. It can look like the disappointment of an HR professional when a candidate for a new position asks about maternity leave. It can look like preferring the

application of an Ivy League graduate over one from a state school. It can look like assuming a man is more entitled to speak in a meeting than his female junior colleague. Ideal for every manager who wants to understand and move past their own preconceived ideas, The Leader's Guide to Unconscious Bias explains that bias is the result of mental shortcuts, our likes and dislikes, and is a natural part of the human condition. And what we assume about each other and how we interact with one another has vast effects on our organizational success—especially in the workplace. Teaching you how to overcome unconscious bias, this book provides more than thirty unique tools, such as a prep worksheet and a list of ways to reframe your unconscious thoughts. According to the experts at FranklinCovey, your workplace can achieve its highest performance rate once you start to overcome your biases and allow your employees to be whole people. By recognizing bias, emphasizing empathy and curiosity, and making true understanding a priority in the workplace, we can unlock the potential of every person we encounter.

A Field Guide to Western Reptiles and Amphibians Oct 27 2019 Identifies more than 200 species of reptiles and amphibians

A People's Guide to Los Angeles Sep 26 2019 This book documents 115 little-known sites in Los Angeles where struggles related to race, class, gender, sexuality, and the environment have occurred. They introduce us to people and events usually ignored by mainstream media and, in the process, create a fresh history of Los Angeles.

Russell's Official National Motor Coach Guide Jul 05 2020

The Hyperinflation Survival Guide Jan 29 2020 Of the books published regarding hyperinflation, this may be the only one that provides effective strategies for operating a business under conditions of a rapidly depreciating currency. "The Hyperinflation Survival Guide: Strategies for American Businesses" was written by Dr. Gerald Swanson (an associate professor of economics at the University of Arizona). Harry E. Figgie, Jr. sponsored the research and production of this book. As it was originally printed in 1989, it was way ahead of its time. However, this doesn't change the fact that this book will prove to be an excellent resource for businessmen and individuals once the Federal Reserve's destruction of the U.S. dollar enters its terminal stage.

The Curious Barista's Guide to Coffee Jun 23 2019 The ultimate guide to the history, science and community behind coffee. Here, Tristan Stephenson explores the origins of coffee, its journey around the world and cultural influence. A section on Farming, Roasting & Assessing coffee takes an in-depth look at the growing and harvesting process, the

evolution of the coffee roaster and the science behind the many flavours of coffee. There is also advice on buying coffee, understanding the differences between espresso blends and single origin coffee, packing and storing. We then move into Espresso and get to grips with grinding and making espresso-based drinks including the latte, cappuccino, flat white and macchiato, as well as pouring latte art and introducing chocolate, sugar and syrups. Other Brewing Methods showcases a selection of classic brewing techniques that bring the coffee to your kitchen table, from the mocha pot and French press to pourover and siphon brewers. Finally a section on Enjoying Coffee offers 25 recipes for coffee-based drinks and baked treats to serve them with. From iced to Irish, espresso martinis to coffee beer, this is an essential anthology for the coffee enthusiast.

Learning Legal Rules Jul 17 2021 Written by leading authors with extensive experience in both teaching and practice, this established and trusted title equips the student with all the techniques of legal research, analysis, and argument they will need for their law course and beyond. Pandolfini's Ultimate Guide to Chess Jan 23 2022 From America's foremost chess teacher and author comes a new standard: a comprehensive course covering all aspects of the game, to improve your technique whether you are a newcomer or a longtime fan. One of America's best-known chess masters, Bruce Pandolfini has helped millions learn the intricacies of chess through his acclaimed books and workshops. In this exciting volume, he presents a complete overview of the entire game and its culture. Structured as a dialogue between a beginning student and an expert teacher, Pandolfini's Ultimate Guide to Chess takes the student step-by-step from fundamentals to advanced, highly strategic play. Combining easy-to-follow diagrams with trenchant and up-to-date analysis, Pandolfini puts a new twist on accepted chess theory, offering a seamless beginning-to-end approach, including:

- a short introductory history of the game**
- the moves, rules, and contemporary notation forms**
- the basic principles of chess**
- how to develop an opening repertoire**
- the art of tactical play**
- pattern recognition and memory aids**
- traps and pitfalls to be avoided**
- middlegame play, strategy, and planning**
- defense and counterattack**
- transitions to the endgame and the endgame itself**
- computers and the future of chess**
- the best websites for playing chess online**

With Pandolfini's expert insight into the history and modern world of chess, as well as several appendices to enhance play and appreciation, Pandolfini's Ultimate Guide to Chess makes the perfect gift for players of all ages and

will be the benchmark title for chess players for years to come.

A Guide to the Project Management Body of Knowledge (PMBOK® Guide)

- Seventh Edition and The Standard for Project Management (BRAZILIAN

PORTUGUESE) Aug 30 2022 PMBOK® Guide is the go-to resource for project management practitioners. The project management profession has significantly evolved due to emerging technology, new approaches and rapid market changes. Reflecting this evolution, The Standard for Project Management enumerates 12 principles of project management and the PMBOK® Guide &- Seventh Edition is structured around eight project performance domains. This edition is designed to address practitioners' current and future needs and to help them be more proactive, innovative and nimble in enabling desired project outcomes. This edition of the PMBOK® Guide: • Reflects the full range of development approaches (predictive, adaptive, hybrid, etc.); • Provides an entire section devoted to tailoring the development approach and processes; • Includes an expanded list of models, methods, and artifacts; • Focuses on not just delivering project outputs but also enabling outcomes; and • Integrates with PMI standards+™ for information and standards application content based on project type, development approach, and industry sector.

Western Movies Jun 15 2021 This revised and greatly expanded edition of a well-established reference book presents 5105 feature length (four reels or more) Western films, from the early silent era to the present.

More than 900 new entries are in this edition. Each entry has film title, release company and year, running time, color indication, cast listing, plot synopsis, and a brief critical review and other details. Not only are Hollywood productions included, but the volume also looks at Westerns made abroad as well as frontier epics, north woods adventures and nature related productions. Many of the films combine genres, such as horror and science fiction Westerns. The volume includes a list of cowboys and their horses and a screen names cross reference. There are more than 100 photographs.

Facilitator's Guide to Participatory Decision-Making Sep 30 2022 Unleash the transformative power of face to face groups The third edition of this ground-breaking book continues to advance its mission to support groups to do their best thinking. It demonstrates that meetings can be much more than merely an occasion for solving a problem or creating a plan. Every well-facilitated meeting is also an opportunity to stretch and develop the perspectives of the individual members, thereby building the strength and capacity of the group as a whole. This fully updated edition of The Facilitator's Guide to Participatory Decision-Making guides readers through the struggle and the satisfaction of putting participatory values into practice, helping them to fulfill the promise of effective group

decision-making. With previous editions already embraced by business and community leaders and consulting professionals around the world, this new book is even more insightful and easy to use. New for this edition: 60 pages of brand new skills and tools Many new case examples Major expansion and reorganization of the advanced sections of the book. New chapter: Teaching A Group About Group Dynamics Doubled in size: Classic Facilitator Challenges. Substantially improved: Designing Realistic Agendas - now three chapters, with wise, insightful answers to the most vexing questions about meeting design.

Scene Design Jun 27 2022 This invaluable guide for amateur and semi-professional groups, high school students, and even puppeteers offers completely practical and specific design and construction instructions for sets, scenery, stage furniture, and props. Handy tips show how to cut down on wasted materials, save time, and work out sightlines. Includes 110 drawings and diagrams.

The Vintage Guide to Classical Music Oct 20 2021 The most readable and comprehensive guide to enjoying over five hundred years of classical music -- from Gregorian chants, Johann Sebastian Bach, and Wolfgang Amadeus Mozart to Johannes Brahms, Igor Stravinsky, John Cage, and beyond. The Vintage Guide to Classical Music is a lively -- and opinionated -- musical history and an insider's key to the personalities, epochs, and genres of the Western classical tradition. Among its features: -- chronologically arranged essays on nearly 100 composers, from Guillaume de Machaut (ca. 1300-1377) to Aaron Copland (1900-1990), that combine biography with detailed analyses of the major works while assessing their role in the social, cultural, and political climate of their times; -- informative sidebars that clarify broader topics such as melody, polyphony, atonality, and the impact of the early-music movement; -- a glossary of musical terms, from a cappella to woodwinds; -- a step-by-step guide to building a great classical music library. Written with wit and a clarity that both musical experts and beginners can appreciate, The Vintage Guide to Classical Music is an invaluable source-book for music lovers everywhere.

Federal Election Campaign Financing Guide May 15 2021
The Only Sales Guide You'll Ever Need Mar 13 2021 *The USA Today* bestseller by the star sales speaker and author of *The Sales Blog* that reveals how all salespeople can attain huge sales success through strategies backed by extensive research and experience. Anthony Iannarino never set out to become a salesman, let alone a sales manager, speaker, coach, or writer of the most prominent blog about the art and science of great selling. He fell into his profession by accident, as a day job while pursuing rock-and-roll stardom. Once he realized he'd never become the next Mick Jagger, Iannarino turned his focus to a question that's been debated for at least a century: Why are a small number of salespeople in any field hugely successful, while the rest get mediocre results at best? The answer is simple: it's not about the market, the product, or the competition—it's all about the seller. And consequently, any salesperson can sell more and better, all the time. Over twenty-five years, Iannarino has boiled down everything he's learned and tested into one convenient book that explains what all successful sellers, regardless of industry or organization, share: a mind-set of powerful beliefs and a skill-set of key actions, including...
·Self-discipline: How to keep your commitments to yourself and others.
·Accountability: How to own the outcomes you sell.
·Competitiveness: How to embrace competition rather than let it intimidate you.
·Resourcefulness: How to blend your imagination, experience, and knowledge into unique solutions.
·Storytelling: How to create deeper relationships by presenting a story in which the client is the hero and you're their guide.
·Diagnosing: How to look below the surface to figure out someone else's real challenges and needs. Once you learn Iannarino's core strategies, picking up the specific tactics for your product and customers will be that much easier. Whether you sell to big companies, small companies, or individual consumers, this is the book you'll turn to again and again for proven wisdom, strategies, and tips that really work.

Reader's Digest Guide to the Coast of New South Wales Aug 06 2020

Old Age Feb 21 2022 Vanity Fair columnist Michael Kinsley escorts his fellow Boomers through the door marked "Exit." The notorious baby boomers—the largest age cohort in history—are approaching the end and starting to plan their final moves in the game of life. Now they are asking: What was that all about? Was it about acquiring things or changing the world? Was it about keeping all your marbles? Or is the only thing that counts after you're gone the reputation you leave behind? In

this series of essays, Michael Kinsley uses his own battle with Parkinson's disease to unearth answers to questions we are all at some time forced to confront. "Sometimes," he writes, "I feel like a scout from my generation, sent out ahead to experience in my fifties what even the healthiest Boomers are going to experience in their sixties, seventies, or eighties." This surprisingly cheerful book is at once a fresh assessment of a generation and a frequently funny account of one man's journey toward the finish line. "The least misfortune can do to make up for itself is to be interesting," he writes. "Parkinson's disease has fulfilled that obligation."
