Social Studies for the GED Test 09 2021 Four units focus on the GED Social Studies topics: Civics and Government; U.S. History; Economics; Geography and the World. Each lesson includes an introduction to one of the content area subtopics, an example question modeled on the GED test, and hints, explanations, and definitions to help you understand the question. Guided practice and support as you think through practice items. Extended response lessons help you prepare for social studies essay prompts.--Back cover.

How to Prepare for the GED Test 26 2019 First administered in 2014, the new GED exam is a computerized test that covers four main subjects: Reasoning Through Language Arts Mathematics Reasoning Social Studies Science Each of these sections focuses on a wide array of review material using a variety of different question types that are specific to the GED test, including multiple choice fill-in-the-blank, short answer, drop down, drag and drop, hot spot, and extended response questions. The Barron's How to Prepare for the GED® Test book outlines the GED test in detail, describes test strategies for success on test day, and provides extensive review coverage of all of these major areas in a logical progression that allows readers to build on their skills as they go along. Each of the four major review sections provides a pretest that allows readers to assess their strengths and weaknesses followed by detailed lessons of every topic they need to know for that section. Test sections also include lists of essential vocabulary terms and formulas pages, where appropriate. At the end of the major subject reviews close with a review test for added practice. The book concludes with two full-length practice exams that feature the different GED question types and include answer explanations for every question. This book can be purchased alone or with a CD-ROM that contains two additional, full-length practice tests that readers can use to simulate actual testing conditions for the computerized test.

GED Study Guide 2021 All Subjects - GED Test Prep Secrets, Full-Length Practice Test, Step-by-Step Review Video Tutorials: [4th Edition Book With Audio] 25 2022 ***Simple, Easy-to-Read, Real-Life Examples*** Mometrix Test Preparation's GED(R) Study Guide 2021 All Subjects -

GED(R) Test Prep Secrets is the ideal prep solution for anyone who wants to pass their General Educational Development Tests. The exam is extremely challenging, and thorough test preparation is essential for success. Our study guide includes:

- * Practice test questions with detailed answers and explanations
- * Step-by-step video tutorials to help you master difficult concepts
- * Tips and strategies to help you get your best test performance
- * A complete review of all GED test sections

* Mathematical Reasoning * Reasoning Through Language Arts * Science * Social Studies

GED(R) is a registered trademark of the American Council on Education (ACE) and administered exclusively by the GED Testing Service LLC under license. This material is not endorsed or approved by ACE or the GED Testing Service. The Mometrix guide is filled with the critical information you will need in order to do well on your GED exam: the concepts, procedures, principles, and vocabulary that the American Council on Education (ACE) expects you to have mastered before sitting for your exam. The Mathematical Reasoning section covers:

- * Basic Math
- * Geometry
- * Statistics and Probability
- * Algebra

The Reasoning Through Language Arts section covers:

- * Reading for Meaning
- * Identifying and Creating Arguments
- * Foundations of Grammar
- * Strategy for the Extended Response Section

The Science section covers:

- * Reading for Meaning in Science
- * Designing and Interpreting Scientific Experiments
- * Using Numbers and Graphics in Science
- * Science Knowledge Overview

The Social Studies section covers:

- * Reading for Meaning in Social Studies
- * Analyzing Historical Events and Arguments in Social Studies
- * Using Numbers and Graphics in Social Studies
- * Social Studies Knowledge Overview

...and much more! Our guide is full of specific and detailed information that will be key to passing your exam. Concepts and principles aren't simply named or described in passing, but are explained in detail. The Mometrix GED study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and explanations, and that's another area where our guide stands out. The Mometrix test prep test provides plenty of GED practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear. Many concepts include links to online review videos where you can watch our instructors break down the topics so the material can be quickly grasped. Examples are worked step-by-step so you know exactly what to do. We've helped hundreds of thousands of people pass standardized tests and reach their education and career goals. We've done this by setting high standards for Mometrix Test Preparation guides, and our GED(R) Study Guide 2021 All Subjects - GED(R) Test Prep Secrets is no exception. It's an excellent investment in your future. Get the GED review you need to be successful on your exam.

HiSET Exam Prep Dec 10 2020 Kaplan's HiSET Exam Prep provides comprehensive review, online resources, and exam-like practice to help you pass the test. Our book is designed for self-study so you can prep at your own pace, on your own schedule. The new fourth edition includes an online study plan that will help you track your progress, learn more about the HiSET, and access supplementary study material. Essential Review More than 1,000 practice questions in the book and online with answers and explanations In-book diagnostic pretest to help you identify your strengths and weaknesses so you can set up a personalized study plan Essential skills you'll need to pass each of the 5 subtests: Reasoning through Language Arts-Reading, Language Arts-Writing, Mathematics, Science, and Social Studies A full-length practice test for each subject area Three chapters are accessible in the online study plan: Earth and Space Science, Economics, and Geography Expert Guidance Online center with information about getting started, 3 digital chapters covering Science and Social Studies, and a system for marking chapters complete Expert test-taking strategies to help you face the exam with confidence Kaplan's experts make sure our practice questions and study materials are true to the test. We invented test prep—Kaplan (www.kaptest.com) has been helping students for 80 years. Our proven strategies have helped legions of students achieve their dreams. HiSET is an alternative to the GED test and the TASC test. In some states, it is the only accepted test for earning a high school equivalency diploma. In other states, it is just 1 test option out of 3. To find out whether your state will be using the HiSET for high school equivalency tests, visit hiset.ets.org or contact your state's department of education. The previous edition of this book was titled HiSET Exam 2017-2018 Strategies, Practice & Review.

GED Full Study Guide
May 27 2022
Imagine walking out the door after taking your test with a smile on your face because you just got an incredible score on your TASC subject area test. You have the ability to control your future and you're on your way to an amazing career. Sounds good, right? This isn't a fictional story, this is your reality. With the help of Smart Edition's GED study guide we give you the tools and courage to conquer this test, we'll help you get there, it's within reach. Let's go ahead and get a few questions out of the way. Q. Is Smart Edition credible? A. 100% yes, which can't be said for most TASC study guides. Our founder has been publishing test prep study guides for over 20 years mastering the art of making great study guides. We only work with highly qualified subject matter experts to develop the content and our editorial team is second to none in ensuring you get the highest quality materials. We don't mess around when it comes to preparing for the TASC. Q. Has it helped other students and will it help me pass the test? A. You bet, we help over 30,000 students per year prepare for and dominate the TASC to the best of their ability. Our students speak for themselves. Q. Why should I buy the Smart Edition book instead of any other options? A. We are different. A. It's pretty simple, you get better quality material that is more accurate than most on the actual test and way more online resources and tools for your money. Feel free to study with a different study guide that is just okay, but not great, however, we don't recommend it. Make your practice test workbook you buy check off these items: Material that accurately represents what is actually on the test? Video lessons for every skill and lesson in the book? Practice tests both in the book and online? Flashcards online for every subject
Features:
1. 4 Practice tests containing 100 realistic questions and explanations
Practice and repetition are one of the best ways to become familiar with the material and the test itself. You can take the tests online as many times as you need.
2. Scored practice test report
At the end of your online test, you receive a scored report with your score for each section and a breakdown of your strengths and weaknesses. This is crucial to know when deciding how to approach studying for the test. If you can identify your weak areas then you will know where you need to focus your studying, the time this saves you is invaluable.
3. Online video lessons
You'll have access to over 100 video lessons covering every topic and lesson on the test. If you like to learn in different ways, it's likely you would benefit from having both chapters in print and as a video lesson to talk you through it.
4. Online flashcards for every subject with over 400 flashcards
Flashcards are essential to reinforce what you are learning, it's safe to say you won't find any other study guides that include online flashcards. Amazing! You made it all the way to the end of this product description. So what are you waiting for? If needed go back to the top and re-read the part about you walking out of the test with a big smile on your face after passing. It's your chance to take your time, let's do this.
