Vortex Apr 19 2022 In Book Six of the bestselling nine-book Star Wars Fate of the Jedi series, the suspense crescendoes as the Skywalkers and their treacherous Sith allies race against time to discover the origins of the mysterious Force-entity known as Abeloth. When they begin to uncover secrets better kept hidden from mortal minds, no one is surprised to see the uneasy partnership erupt into violence. But they are surprised at where the investigation leads: to the home of the reclusive Fallanassi, who may hold in their hands the future of the Jedi Order itself.

Omen Mar 06 2021 SCIENCE FICTION. The Jedi Order is in crisis. The late Jacen Solo's shocking transformation into murderous Sith Lord Darth Caedus has cast a damning pall over those who wield the Force for good: Two Jedi Knights have succumbed to an inexplicable and dangerous psychosis, criminal charges have driven Luke Skywalker into self-imposed exile, and power-hungry Chief of State Natasi Daala is exploiting anti-Jedi sentiment to undermine the Order's influence within the Galactic Alliance. Forbidden to intervene in Jedi affairs, Luke is on a desperate mission to uncover the truth behind Jacen's fall to the dark side—and to learn what's turning peaceful Jedi into raving lunatics. But finding answers will mean venturing into the mind-bending space of the Kathol Rift.

Outcast Jul 10 2021 The first volume in a new, nine book series launches a huge story arc with heroic roles for the galaxy's most beloved characters as Han Solo, Luke Skywalker, Leia Organa Solo and their surviving children set off on a journey of discovery and hardship, of obstacles and victories, and the aftermath of the civil war that rocked the galaxy.

**The Second World War: The hinge of fate** Jun 16 2019 Winston Churchill's six-volume history of the cataclysm that swept the world remains the definitive history of the Second World War. Lucid, dramatic, remarkable both for its breadth and sweep and for its sense of personal involvement, it is universally acknowledged as a magnificent reconstruction and is an enduring, compelling work that led to his being awarded the Nobel Prize for literature. The Hinge of Fate describes how the tide of the war gradually turned for Britain and its allies from constant defeat to almost unbroken successes Japan's successful assault on the Pacific, Britain's attempts to aid a beleaguered Russia and the defeat of Rommel at the Battle of Alamein.

Fate of War Aug 11 2021 Jes has finally come home to Golvern and assumed her place as future queen. With Christian at her side, she must battle the government's attempts to steal her power along with a marriage arranged by her father years before. Feeling abandoned and afraid, Jes has no idea a team of fighters works in the shadows to protect her, led by Pade. Pade struggles to keep Jes safe from the evil Tyros but is shocked to learn who's really behind the violence. When Jes is kidnapped, he must make a choice that will affect the lives of every person on Golvern and put his family in jeopardy. The final battle will force all secrets into the light, leaving Jes and Pade to fight for Golvern and their love.

Ascension: Star Wars Legends (Fate of the Jedi) May 20 2022 NEW YORK TIMES BESTSELLER THE GALAXY STANDS LEADERLESS. CAN THE JEDI SAVE IT—OR WILL THEIR ENEMIES ENSLAVE IT? The toppling of ruthless Natasi Daala has left a political vacuum on Coruscant and ignited a power struggle between opposing factions racing to claim control of the Galactic Alliance. Surrounded by hidden agendas, treacherous conspiracies, and

covert Sith agents, the Jedi Order must keep the government from collapsing into anarchy—while facing the combined threats of the resurgent Lost Sith Tribe, a deposed dictator bent on vengeance, and the enduring menace of Abeloth, the profoundly evil entity hungry to become a god. “[Christie] Golden’s excellent storytelling captures the essence of the beloved space opera and should leave series followers eagerly anticipating the story’s conclusion.”—Library Journal

**Omen: Star Wars Legends (Fate of the Jedi)** Sep 24 2022 The Jedi Order is in crisis. The late Jacen Solo’s shocking transformation into murderous Sith Lord Darth Caedus has cast a damning pall over those who wield the Force for good: Two Jedi Knights have succumbed to an inexplicable and dangerous psychosis, criminal charges have driven Luke Skywalker into self-imposed exile, and power-hungry Chief of State Natasi Daala is exploiting anti-Jedi sentiment to undermine the Order’s influence within the Galactic Alliance. Forbidden to intervene in Jedi affairs, Luke is on a desperate mission to uncover the truth behind Jacen’s fall to the dark side—and to learn what’s turning peaceful Jedi into raving lunatics. But finding answers will mean venturing into the mind-bending space of the Kathol Rift and bargaining with an alien species as likely to destroy outsiders as deal with them. Still, there is no other choice and no time to lose, as the catastrophic events on Coruscant continue to escalate. Stricken by the same violent dementia that infected her brother, Valin, Jedi Knight Jysella Horn faces an equally grim fate after her capture by Natasi Daala’s police. And when Han and Leia Solo narrowly foil another deranged Jedi bent on deadly destruction, even acting Jedi Grand Master Kenth Hamner appears willing to bow to Daala’s iron will—at the expense of the Jedi Order. But an even greater threat is looming. Millennia in the past, a Sith starship crashed on an unknown low-tech planet, leaving the survivors stranded. Over the generations, their numbers have grown, the ways of the dark side have been nurtured, and the time is fast approaching when this lost tribe of Sith will once more take to the stars to reclaim their legendary destiny as rulers of the galaxy. Only one thing stands in their way, a name whispered to them through the Force: Skywalker.

**Star Wars Skywalker – A Family At War** Dec 23 2019 Uncover the secrets of the Skywalkers: the family that shaped a galaxy far, far away... The Skywalker story has everything: passion, intrigue, heroism, and dark deeds. This revelatory biography explores every twist and turn of the Skywalker dynasty: the slow seduction to the dark side of Anakin; his doomed marriage to Padmé Amidala; the heroics of Luke and Leia; the fall and redemption of Han Solo and Princess Leia’s son, Ben; and the struggles of his dyad in the Force, Rey. Leaving no stone unturned in tracing the dynasty’s trials and tribulations, this definitive biography of Star Wars’ first family explores and explains the deeper, more personal story of the Skywalkers, their characters, motivations, and, against seemingly impossible odds, their ultimate triumph. © AND TM 2021 LUCASFILM LTD.

**Abyss** Feb 05 2021 Luke and Ben Skywalker arrive in the mysterious part of space called The Maw in search of more clues as to what caused Jacen Solo’s downfall into the dark side. They are not the only ones exploring The Maw. A Sith Master and her apprentice arrive there, too, and they’re thrilled to find Luke there, as they are determined to kill him.

**Crucible of War** Apr 07 2021 In this engrossing narrative of the great military conflagration of the mid-eighteenth century, Fred Anderson transports us into the maelstrom of international rivalries. With the Seven Years’ War, Great Britain decisively eliminated French power north of the Caribbean – and in the process destroyed an American diplomatic system in which Native Americans had long played a central, balancing role – permanently changing the political and cultural landscape of North America. Anderson skillfully reveals the clash of inherited perceptions the war created when it gave thousands of American colonists their first experience of real Englishmen and introduced them to the British cultural and class system. We see colonists who assumed that they were partners in the empire encountering British officers who regarded them as subordinates and who treated them accordingly. This laid the groundwork in shared experience for a common view of the world, of the empire, and of the men who had once been their masters. Thus, Anderson shows, the war taught George Washington and other provincials profound emotional lessons, as well as giving them practical instruction in how to be soldiers. Depicting the subsequent British efforts to reform the empire and American resistance – the riots of the Stamp Act crisis and the nearly simultaneous pan-Indian insurrection called Pontiac’s Rebellion – as postwar developments rather than as an anticipation of the national independence that no one knew lay ahead (or even desired), Anderson re-creates the perspectives through which contemporaries saw events unfold while they tried to preserve imperial relationships. Interweaving stories of kings and imperial officers with those of Indians, traders, and the diverse colonial peoples, Anderson brings alive a chapter of our history that was shaped as much by individual choices and actions as by social, economic, and political forces.

**Allies** Jul 22 2022 A secret revealed with a blast from the past... in the fifth novel in a thrilling new story arc for fans of the Legacy of the Force series, the Dark Lords of the Sith, and the most popular characters in Star Wars: Luke, Han, and Leia.

**Allies: Star Wars Legends (Fate of the Jedi)** Jun 09 2021 What began as a quest for truth has become a struggle for survival for Luke Skywalker and his son, Ben. They have used the secrets of the Mindwalkers to transcend their own bodies and speak with the spirits of the fallen, risking their very lives in the

process. They have faced a team of Sith assassins and beaten the odds to destroy them. And now the death squad's sole survivor, Sith apprentice Vestara Khai, has summoned an entire fleet of Sith frigates to engage the embattled father and son. But the dark warriors come bearing a surprising proposition that will bring Jedi and Sith together in an unprecedented alliance against an evil more ancient and alien than they can imagine. While the Skywalkers and their Sith allies set off on their joint mission into the treacherous web of black holes that is the Maw, Han and Leia Solo risk arrest and worse to aid the Jedi imprisoned back on Coruscant. Tyrannical Chief of State Natasi Daala has issued orders that will open a permanent schism between her government and the Jedi Order—a schism that could turn all Jedi into renegades and wanted criminals. But it is in the depths of the Maw that the future of the galaxy will be decided. For there the Skywalkers and their Sith allies will engage a true monster in battle, and Luke will come face-to-face with a staggering truth. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

**Spoils of War** Sep 19 2019 While a large number of books have dealt with the navies and war at sea during the World Wars, the immediate aftermaths have generally received only minimal coverage. However, the fates of defeated navies are of enormous interest from a number of perspectives. These include the relative priorities of the victorious powers, acquisition and testing of ex-enemy materiel and the intended future capabilities of those ex-enemy navies that were to be allowed to continue to exist. This new book traces the histories of navies and ships of the defeated powers from the months leading up to the relevant armistices or surrenders through to the final execution of the appropriate post-war settlements. In doing so, it discusses the way in which the victorious powers reached their final demands, how these were implemented, and to what effect. The later histories of ships that saw subsequent service, either in their original navies or in those navies which acquired them, are also described. In doing this, much use is made of material drawn from archival, and in some cases archaeological, sources, some of which has never previously been used. Through these, a wide range of long-standing myths are busted, and some badly distorted modern views and assessments of events in the wake of the conflicts put right. The fascinating narrative will be accompanied by tabulated lists of all major navy-built (and certain significant ex-mercantile) enemy ships in commission at the relevant date of the armistice or surrender, or whose hulks were specifically listed for attention in post-Second World War allied agreements. These will include key dates in their careers and their ultimate fates. This highly original book, drawing on archaeological evidence as well as archival sources, and including numerous photographs will become an essential reference tool for all those interested in the naval history of the two World Wars.

**The Soviet Art Of War** Apr 26 2020 No other nation has invested as much intellectual capital in the study of war as has the Soviet Union over the last six decades, and the doctrine, strategy, and tactics that have been developed by Soviet theoreticians are bound to guide any future Soviet military action. The Soviet Art of War makes available to Western readers selections from the most significant and influential Soviet military writings from 1917 to the present. The Scotts have examined thousands of Soviet military publications, including the restricted journal of the Soviet General Staff, *Voyennaya Mysl'*, to make this book the most comprehensive account of Soviet military theory and practice yet published. The papers they have chosen thoroughly illustrate the development of the basic features of Soviet military art, from the days of trench warfare to the era of the nuclear battlefield. These documents demonstrate the emphasis on surprise, on deception, on mass deep penetration of enemy defenses, and on a unified strategy for all services. They also show the forms of military action—destruction and attrition, defense and offense, maneuver and position—as seen through the eyes of leading Soviet marshals, generals, and admirals. The usefulness of this material is further enhanced by the Scotts' commentary and their analysis of each group of readings.

**Abbyss: Star Wars Legends (Fate of the Jedi)** Mar 18 2022 Peace is the way of the Jedi. But with deadly enemies on every side, war may be the only way out. On Coruscant, an epidemic of madness is preying on the ranks of the Jedi Order—driving the Galactic Alliance to martial actions. As Han and Leia Solo, along with their daughter, Jaina, join the fight to protect more stricken Knights from arrest, Jedi healers race to find a cure for the rapidly spreading affliction. Meanwhile, Luke Skywalker continues his quest to find the reasons behind Jacen Solo's dark downfall and to win redemption for the Jedi Order—a journey that draws Luke and his son, Ben, to the forbidden reaches of the Maw Cluster. There dwell the Mind Walkers: those whose power to transcend their bodies and be one with the Force is as seductive as it is potentially fatal. As Luke and Ben push their Force abilities beyond known limits, they draw closer to a nexus of dark-side energy unprecedented in its power, and to an explosive confrontation from which only one Master—good or evil—can emerge alive.

**Lead Wars** Jun 28 2020 In this incisive examination of lead poisoning during the past half century, Gerald Markowitz and David Rosner focus on one of the most contentious and bitter battles in the history of public health. Lead Wars details how the nature of the epidemic has changed and highlights the dilemmas public health agencies face today in terms of prevention strategies and chronic illness linked to low levels of toxic exposure. The authors use the opinion by Maryland's Court of Appeals—which considered whether researchers at Johns Hopkins University's prestigious Kennedy Krieger Institute (KKI) engaged in unethical research on 108 African-American children—as a springboard to ask fundamental questions about the practice and future of public health. Lead Wars chronicles the obstacles faced by public health workers in the conservative, pro-business, anti-regulatory climate that took off in the Reagan years and that stymied efforts to eliminate lead from the environments and the bodies of American children.

**Backlash: Star Wars Legends (Fate of the Jedi)** Dec 15 2021 Locked in a war of wills and weapons, the Jedi Order and the Galactic Alliance must come to terms—before the Sith’s army of darkness enacts revenge. Repercussions from the dark side’s fatal seduction of Jacen Solo and the mysterious plague of madness afflicting young Jedi continue to wreak galaxywide havoc. Luke and Ben Skywalker are in pursuit of the now Masterless Sith apprentice—a chase that leads to the forbidding planet Dathomir, where the Skywalkers will be forced into combat for their quarry and their lives. Meanwhile, Han and Leia have completed their own desperate mission, shuttling madness-stricken Jedi to safe haven beyond the grasp of Galactic Alliance Chief of State Natasi Daala. Yet no greater threat exists than Abeloth, a being of ravenous dark-side energy who calls out to Jedi and Sith alike. For some it may be the ultimate source of answers for survival. For others it could be the ultimate weapon of conquest. But for all, it is a game-changing encounter of untold magnitude with unimaginable consequences.

*Star Wars: Galaxy's Edge: A Crash of Fate* Nov 02 2020 A YA novel filled with adventure and romance set in the world of Galaxy's Edge, the Star Wars-themed land coming to Disneyland and Walt Disney World in 2019. Izzy and Jules were childhood friends, climbing the spires of Batuu, inventing silly games, and dreaming of adventures they would share one day. Then, Izzy's family left abruptly, without even a chance to say goodbye. Izzy's life became one of constant motion, traveling from one world to the next, until her parents were killed and she became a low-level smuggler to make ends meet. Jules remained on Batuu, eventually becoming a farmer like his father, but always yearning for something more. Now, thirteen years after she left, Izzy is returning to Batuu. She's been hired to deliver a mysterious parcel, and she just wants to finish the job and get gone. But upon arrival at Black Spire Outpost she runs smack into the one person who still means something to her after all this time: Jules. The attraction between them is immediate, yet despite Jules seeming to be everything she's ever needed, Izzy hesitates. How can she drag this good-hearted man into the perilous life she's chosen? Jules has been trying to figure out his future, but now all he knows for certain is that he wants to be with Izzy. How can he convince her to take a chance on someone who's never left the safety of his homeworld? When Izzy's job goes wrong, the two childhood friends find themselves on the run. And all their secrets will be revealed as they fight to stay alive...

**Star Wars: Fate of the Jedi: Backlash** Jul 18 2019 Three major storylines run through the Fate of the Jedi series. One is the odyssey of Jedi Grand-Master-in-Exile Luke Skywalker and his son Ben, as they travel from one world of non-Jedi Force-users to the next in search of clues as to what might have turned Jacen Solo to embrace the evil ways of the Sith Lords. The second is the attempts of Galactic Alliance Chief of State Natasi Daala to break the power of the Jedi Order, while young Jedi Knights on a variety of worlds are inexplicably going insane. And the third is the tale of a previously unknown lost tribe of Sith as they rejoin the known galaxy determined to kill Luke Skywalker, destroy all the Jedi, and reinstate the Sith as supreme rulers. In Backlash, Luke and Ben will visit the deadly world of Dathomir, home to the Night Sisters, otherwise known as the Dathomiri Witches, as an ancient evil, released from its prison, stretches its hungry tendrils ever farther through the galaxy...

*The Fate of War* Oct 01 2020 Depicts the battle of Fredericksburg through the experiences of the people involved in it, including the pressure placed on Union general Ambrose Burnside and Confederate soldiers' reactions to Union soldiers dying in front of them.

*Star Wars: Fate of the Jedi: Apocalypse* Oct 13 2021 In the stunning finale of the epic Fate of the Jedi series, Jedi and Sith face off - with Coruscant as their battlefield. For the Sith, it's the chance to restore their dominance over the galaxy that forgot them for so long. For Abeloth, it's a giant step in her quest to conquer all life everywhere. For Luke Skywalker, it's a call to arms to eradicate the Sith and their monstrous new master once and for all. In a planetwide strike, teams of Jedi Knights take the Sith infiltrators by swift and lethal surprise. But victory against the cunning and savage Abeloth, and the terrifying endgame she has planned, is anything but certain. And as Luke, Ben, Han, Leia, Jaina, Jag and their allies close in, the devastating truth about the dark side incarnate will be exposed - and send shock waves through the Jedi Order, the galaxy, and the Force itself.

**Fate of a Nation** Jan 24 2020 The fate of a nation hangs in the balance. Israel cannot lose even a single battle. One defeat would mean the destruction of the tiny Jewish state. Not waiting to be attacked by the Arab forces massing on its borders, Israel strikes first. Hundreds of tanks sweep across the borders, punching deep into the enemy defenses, seeking out the enemy tanks. The infantry follows behind, assaulting the fortifications, clearing the way for the advance to continue. A bare six days later, the war was over. A thousand tanks lay strewn across the desert. Tens of thousands of soldiers lay dead and wounded. Israel had survived, but the Arabs vowed that there would be no peace with Israel. Battlefront brings this conflict from the Cold War to life in a game where you command your troops in miniature on a realistic battlefield.

**Conviction: Star Wars Legends (Fate of the Jedi)** Jan 16 2022 NEW YORK TIMES BESTSELLER The Jedi have struck a blow against tyranny. Can they strike down ultimate evil? Chief of State Natasi Daala has been

overthrown, and the Jedi Order has taken control of the Galactic Alliance. But while the new governors dismantle Daala's draconian regime, forces still loyal to the deposed official are mobilizing a counterstrike. And even the Jedi's new authority may not be enough to save Tahiri Veila, the former Jedi Knight and onetime Sith apprentice convicted of treason for the killing of Galactic Alliance officer Gilad Pellaeon. Meanwhile, Luke and Ben Skywalker are relentlessly pursuing Abeloth, the powerful dark-side entity bent on ruling the galaxy. But as they corner their monstrous quarry on the planet Nam Chorios, the two lone Jedi must also face the fury of the Sith death squadron bearing down on them. And when Abeloth turns the tables with an insidious ambush, the Skywalkers' quest threatens to become a suicide mission. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

**The Deaths of Others** Nov 14 2021 Americans are greatly concerned about the number of our troops killed in battle--100,000 dead in World War I; 300,000 in World War II; 33,000 in the Korean War; 58,000 in Vietnam; 4,500 in Iraq; over 1,000 in Afghanistan--and rightly so. But why are we so indifferent, often oblivious, to the far greater number of casualties suffered by those we fight and those we fight for? This is the compelling, largely unasked question John Tirman answers in *The Deaths of Others*. Between six and seven million people died in Korea, Vietnam, and Iraq alone, the majority of them civilians. And yet Americans devote little attention to these deaths. Other countries, however, do pay attention, and Tirman argues that if we want to understand why there is so much anti-Americanism around the world, the first place to look is how we conduct war. We understandably strive to protect our own troops, but our rules of engagement with the enemy are another matter. From atomic weapons and carpet bombing in World War II to napalm and daisy cutters in Vietnam and beyond, we have used our weapons intentionally to kill large numbers of civilians and terrorize our adversaries into surrender. Americans, however, are mostly ignorant of these facts, believing that American wars are essentially just, necessary, and "good." Tirman investigates the history of casualties caused by American forces in order to explain why America remains so unpopular and why US armed forces operate the way they do. Trenchant and passionate, *The Deaths of Others* forces readers to consider the tragic consequences of American military action not just for Americans, but especially for those we fight.

**Star Wars: Fate of the Jedi: Ascension** Jan 04 2021 In this penultimate novel in the bestselling *Fate of the Jedi* series, Luke Skywalker, his son Ben, and the Sith girl Vestara are in hot pursuit of the dread power called Abeloth, who has joined forces with the Sith in a bid to take over the galaxy. The leadership of the government is uncertain, torn apart by power struggles and infiltrators, while the Sith have a terrible secret that could shake the Jedi Order to its core...

**Allies: Star Wars Legends (Fate of the Jedi)** Jun 21 2022 Only one thing could unite the forces of Jedi and Sith: an enemy far deadlier than both. What began as a quest for truth has become a struggle for survival for Luke Skywalker and his son, Ben. They have used the secrets of the Mind Walkers to speak with the spirits of the fallen, risking their lives in the process. They have faced a team of Sith assassins and beaten the odds to destroy them. **Vortex: Star Wars Legends (Fate of the Jedi)** Aug 23 2022 NATIONAL BESTSELLER Jedi and Sith fight side by side against an even greater foe. But how long can enemies remain allies? And how high is the price of betrayal? In a stunning turn of events, Luke Skywalker and his son, Ben, joined forces with the Sith armada sent to kill them--and used their combined might against the monstrous being Abeloth. But when the wounded creature escapes, the fragile armistice crumbles, and hostilities resume with the attempted assassination of Luke. On the hunt for Abeloth and on the run from the Sith, Luke and Ben find themselves trapped by a mob of angry Force adepts who care little for the difference between light side and dark side. With the Jedi's most famous father-and-son team outnumbered and outgunned, the countdown to galactic disaster has begun--and time is running out.

**Star Wars: Fate of the Jedi - Omen** Nov 21 2019 Luke and Ben Skywalker continue on their quest to learn the ways of non-Jedi Force-users and to try to understand just what went wrong with Jacen Solo that caused him to become a Sith. In the meantime, Han, Leia, and Jaina Solo -- along with Jag Fel and the other Jedi -- try to deal with the escalating problem of Jedi Knights seemingly going insane...

**The French and Indian War** Feb 23 2020 In the summer of 1754, deep in the wilderness of western Pennsylvania, a very young George Washington suffered his first military defeat, and a centuries-old feud between Great Britain and France was rekindled. The war that followed would be fought across virgin territories, from Nova Scotia to the forks of the Ohio River, and it would ultimately decide the fate of the entire North American continent--not just for Great Britain and France but also for the Spanish and Native American populations. Noted historian Walter R. Borneman brings to life an epic struggle for a continent--what Samuel Eliot Morison called "truly the first world war"--and emphasizes how the seeds of discord sown in its aftermath would take root and blossom into the American Revolution.

**Luke's Fate** Mar 26 2020 Continues the adventures of Luke Skywalker, whose first meeting with the droids and Ben Kenobi leads to the realization of his dreams.

**The Party's Over** Aug 31 2020 The world is about to run out of cheap oil, and this updated bestseller predicts the implications of this era, with recommendations for personal, community, national, and global actions.

**The Fate of Their Country** Oct 21 2019 How partisan politics lead to the Civil War What brought about the Civil War? Leading historian Michael F. Holt convincingly offers a disturbingly contemporary answer: partisan politics. In this brilliant and succinct book, Holt distills a lifetime of scholarship to demonstrate that secession and war did not arise from two irreconcilable economies any more than from moral objections to slavery. Short-sighted politicians were to blame. Rarely looking beyond the next election, the two dominant political parties used the emotionally charged and largely chimerical issue of slavery's extension westward to pursue reelection and settle political scores, all the while inexorably dragging the nation towards disunion. Despite the majority opinion (held in both the North and South) that slavery could never flourish in the areas that sparked the most contention from 1845 to 1861—the Mexican Cession, Oregon, and Kansas—politicians in Washington, especially members of Congress, realized the partisan value of the issue and acted on short-term political calculations with minimal regard for sectional comity. War was the result. Including select speeches by Lincoln and others, *The Fate of Their Country* openly challenges us to rethink a seminal moment in America's history.

**War and the World** Dec 03 2020 In this brilliant history of warfare, Jeremy Black is the first to approach the entire modern era from a comprehensive global perspective. He provides a wide-ranging account of the nature, purpose, and experience of war over the past half-millennium and argues the importance of viewing the rise of European power within a wider international context. Investigating both land and sea warfare, Black examines weaponry, tactics, strategy, and resources as well as the political, social, and cultural impact of conflict. The book takes issue with established interpretations, not least those that emphasize technology, and challenges the view that European military and naval forces were dominant throughout the period. European mastery at sea did not always translate into equivalent success on land, says Black, and many non-European military systems—the Ottomans in their expansionist years, Babur and the Mughals in sixteenth-century India, and the Manchu in China in the following century, for example—were formidable in their own right. The author contends that in the nineteenth century, the focal period of Europe's military revolution, the international military balance shifted decisively. Black shows how military developments, combined with political, economic, and ideological shifts, influenced the nature and success of European imperialism. Linking debates on early modern history with those of more recent centuries, he offers a fundamental reexamination of the role of war in the progress of nations.

**War of Ashes** Jul 30 2020 Brush your fur and sharpen your eye teeth. War is coming. Welcome to the War of Ashes RPG: Fate of Agaptus! This "grimsical" minis-friendly tabletop RPG is based on the popular miniature game War of Ashes: Shieldwall. Head off to adventure in a world where the inhabitants might look cute and cuddly but often carry pointy objects with which they might just decide to stab you. Play as a determined Elvorix, a vengeful Vidaar, a militaristic Jaarl, or a ravenous Kuld. Stage Romanic-style battles and then celebrate your victory with a pint of kogg. Inside, you'll find everything you need to get started, including Fate-style lightweight approaches combined with detailed (optional) minis-compatible combat to get the best of both worlds. Character generation instructions and even sample characters to get you started on a romp across Agapta. A bestiary full of interesting creatures that you can tame, hunt, or light on fire. Plenty of settings and stories to fuel your campaigns.

**Outcast: Star Wars Legends (Fate of the Jedi)** Oct 25 2022 Does a new start for the Galactic Alliance mark the beginning of the fall of the Jedi Order? After a violent civil war and the devastation wrought by the now fallen Darth Caedus, the Galactic Alliance is in crisis. From all corners, politicians, power brokers, and military leaders converge on Coruscant for a crucial summit to restore order and determine the future of their unified worlds. But even more critical, and far more uncertain, is the future of the Jedi. In a shocking move, Chief of State Natasi Daala orders the arrest of Luke Skywalker for failing to prevent Jacen Solo's turn to the dark side and his subsequent reign of terror as a Sith Lord. But it's only the first blow in an anti-Jedi backlash fueled by a hostile government and suspicious public. Negotiating his freedom in exchange for his exile from the Jedi Order, Luke, with his son, Ben, at his side, sets out to unravel the shocking truth behind Jacen Solo's corruption and downfall. But the secrets Luke uncovers may bring his quest—and life as he knows it—to a sudden end. And all the while, another Jedi Knight, consumed by madness, is headed to Coruscant on a fearsome mission that could devastate the entire galaxy.
