Tim's Story Mar 28 2020 Courage. Heroism. Endurance. These qualities are emblematic of the stories of thousands of Canadians who fought during World War II. Canadians like Tim Carlon, a young Montrealer who went off to war, doing his part in a global struggle whose legacy remains as relevant as ever eight decades later. Tim's Story: A Canadian Airman in World War II, is a tale of an airman who was

decorated for gallantry in 1942, only to be wounded and shot down over Germany the following year. He spent over two years in POW camps and survived two forced marches in 1945 before the war finally ended. But Tim's sacrifice didn't end when he came home. A war-related illness claimed his life a few years after he returned to Canada. Brian Buckley (whose wife is Tim Carlon's niece) wrote this account to preserve the memory of a brave young man, one of Canada's many heroes whose stories and legacies deserve to be remembered. A tribute to all those who served, *Tim's Story* also aims to deepen Canadians' collective understanding of our country's role in a conflict that largely shaped the modern world.

*Tim Book Two* Apr 09 2021 *Tim Book Two* is the follow-up to *Telling Stories*, the hugely successful memoir of Tim Burgess, singer of the Charlatans. In 2012, Tim published his hugely successful and critically acclaimed memoir, *Telling Stories*. Tim really enjoyed his new role as an author, and so here it is: *Tim Book Two* - a tale of Tim's lifelong passion for records, the shops that sell them, and the people who make them. In some ways, the biggest events in Tim's life happened in the couple of years after he had finished writing his first book rather than in the forty years before. So he had more to say, but instead of another autobiography he chose a different way of telling the story. Tim set himself a quest. He would get in touch with people he admired, and ask them to suggest an album for him to track down on his travels, giving an insight into what makes them tick. It would also offer a chance to see how record shops were faring in the digital age - one in which vinyl was still a much-treasured format. Tim assembled his cast of characters, from Iggy Pop to Johnny Marr, David Lynch to Cosey Fanni Tutti. Texts, phone calls, emails and handwritten notes went out. Here is the tender, funny and surprising story of what came back.

I never wanted the limelight. The only thing I wanted was Conley Logan. When words failed to express my feelings for Conley, I relied on music instead. But our love song ended before it even began, before I'd even told her how I truly felt. As a result, I watched Conley leave hand-in-hand with my bandmate instead of me. Not wanting the fight that would break up the band, I made a choice. I lived with it every day, knowing it was nobody's fault but my own. I've moved on. I'm content with my small-town life, running a bar. But now Conley is back, forcing me to face the music. From the way I'm still tempted to make her mine, it's as if nothing has changed-but until she tells me why she's back, I'm not sure I can trust what's growing between us. Running with the Champ Nov 16 2021 The "affectionate...charming" (Kirkus Reviews) story of Tim Shanahan's remarkable and little-known forty-year friendship with boxing legend Muhammad Ali, filled with stories never told as well as never-before-published personal photos. In 1975, Tim Shanahan was a medical instruments salesman living in Chicago and working with a charity that arranged for pro athletes to speak to underprivileged kids. Muhammad Ali had just reclaimed his title as heavyweight champion of the world by defeating George Foreman (the "Rumble in the Jungle") and then successfully defended it in a rematch against Joe Frazier (the "Thrilla in Manila"). When Shanahan learned Ali was planning a move to Chicago, he contacted the Champ to ask whether he would participate in the charity program. Not only did Ali agree, he invited Shanahan to his new home, where the two spent a night talking, laughing, and bonding over bowls of ice cream—the beginning of an incredible friendship. Ali soon enlisted Shanahan as his early morning running partner. Quickly, Shanahan became a trusted confidant and travel companion, and Ali often stunned strangers by introducing Shanahan as his cousin. The two grew even closer over family dinners with Shanahan's wife, Helga, and Ali's wife, Veronica. Shanahan was with Ali as the Champ trained for his legendary battles with Ken Norton, Earnie Shavers, Leon Spinks, and Larry Holmes, and moved to Los Angeles with Ali when the Champ prepared for a life after boxing. Shanahan was a recipient of and witness to Ali's tremendous generosity, and as Ali's health began to deteriorate, Shanahan had a chance to return the favor, encouraging and comforting his ailing friend. Running with the Champ is an insightful personal portrait of the Greatest of All Time. But, above all, it is a touching, candid narrative of an extraordinary friendship that continued until Ali's death.

*Westerns and American Culture, 1930-1955* Sep 21 2019 Many people have fond memories of Friday nights and Saturday afternoons spent in theatres watching cowboy stars of the 1930s, 1940s, and 1950s chase villains across the silver screen or help a heroine out of harm's way. Over 2,600 Westerns were produced between 1930 and 1955 and they became a defining part of American culture. This work focuses on the idea that Westerns were one of the vehicles by which viewers learned the values and norms of a wide range of social relationships and behavior, and thus examines the ways in which Western movies reflected American life and culture during this quarter century. Chapters discuss such topics as the ways that Westerns included current events in film plot and dialogue, reinforced the role of Christianity in American culture, reflected the emergence of a strong central government, and mirrored attitudes toward private enterprise. Also covered is how Westerns represented racial minorities, women, and Indians.

*Among Friends?* Mar 20 2022 Relationships are the glue that holds the world together. As the author shows, this common belief applies to ancient Greece as much as to contemporary Aotearoa New Zealand. Based on long-term ethnographic fieldwork, this anthropological study dedicates itself to the topic of friendship - this flexible type of sociality that has become increasingly significant in people's lives throughout the world. At the core stand the friendship conceptions and life-worlds of M'ori (the indigenous population) and Pakeha (the descendants of the predominately European settler population) actors in New Zealand. By tracing out people's "friendship worlds" in their wider societal context, the author takes up current debates surrounding issues of identity and sociality, indigeneity and diversity. By furthering our understanding of the social dynamics of friendship in New Zealand, the study not only contributes to the growing field of friendship research, it also reveals important implications for the understanding of group relations in a postcolonial, so-called "multicultural" society.

The First and Second Letters to Timothy Dec 25 2019 The inaugural volume of the ECC series provides a fresh, readable translation of 1 and 2 Timothy together with notes and commentary on this highly relevant section of Scripture. The Notes section of the commentary offers detailed philological analysis of the majority of the words used in these two Pastoral Epistles. The Comment section guides readers through the complex theological, historical, and practical issues facing the heirs of Paul in the Christian church. The issues treated in 1 and 2 Timothy have a remarkably modern ring to them. Addressing such "contemporary" topics as the qualifications for church leadership, the roles of women, the use of wealth, heterodoxy, worship, and ethics, these Pauline letters remain highly relevant to church life today. This new volume not only offers the best of current biblical scholarship on Paul's letters to Timothy but also demonstrates the high standard of excellence marking the ECC series.
