[Live Life in Crescendo](#) Oct 02 2022 The inspirational, encouraging final book from the legendary leadership expert Stephen R. Covey, internationally bestselling author of *The 7 Habits of Highly Effective People*. Stephen R. Covey spent his long and storied career inspiring millions of individuals to make their lives more effective, compassionate, and meaningful. Near the end of his life, Covey felt there was a final component to his work: How to live your best life no matter your age? How to best respond to life-challenging experiences? How to approach the challenges and opportunities of middle to later life—like raising children, caring for your parents, leading and inspiring others, staying on top of your career, contributing to your community, and what follows next? *Live Life in Crescendo* is Covey's answer to these questions, outlining his vision for those in the prime of life, whatever age you may be. Covey urges all to "live life in crescendo," continually growing in contribution, learning, and influence. In the same way that music builds on the previous notes, life too, builds on the past and unfolds in the future. This crescendo mentality urges you to use whatever you have—your time, talents, resources, gifts, passion, money, and influence—to enrich the lives of people around you, including your family, neighborhood, community, and the world. Cowritten with

his daughter, Cynthia Covey Haller, and published posthumously, *Live Life in Crescendo* is a life-changing and life-affirming book that befits the generosity and wisdom of the late Stephen R. Covey. The Leader in Me Sep 08 2020 Children in today's world are inundated with information about who to be, what to do and how to live. But what if there was a way to teach children how to manage priorities, focus on goals and be a positive influence on the world around them? The Leader in Me is that programme. It's based on a hugely successful initiative carried out at the A.B. Combs Elementary School in North Carolina. To hear the parents of A. B Combs talk about the school is to be amazed. In 1999, the school debuted a programme that taught The 7 Habits of Highly Effective People to a pilot group of students. The parents reported an incredible change in their children, who blossomed under the programme. By the end of the following year the average end-of-grade scores had leapt from 84 to 94. This book will launch the message onto a much larger platform. Stephen R. Covey takes the 7 Habits, that have already changed the lives of millions of people, and shows how children can use them as they develop. Those habits -- be proactive, begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize, and sharpen the saw -- are critical skills to learn at a young age and bring incredible results, proving that it's never too early to teach someone how to live well.
