Merely said, the Shaman King Vol 1 A In Tokyo Hiroyuki Takei is universally compatible afterward any devices to read.

Tokyo on Foot Aug 19 2019 This prize-winning book is both an illustrated tour of a Tokyo rarely seen in Japan travel guides and an artist's warm, funny, visually rich, and always entertaining graphic memoir. Florent Chavouet, a young graphic artist, spent six months exploring Tokyo while his girlfriend interned at a company there. Each day he would set forth with a pouch full of color pencils and a sketchpad, and visit different neighborhoods. This stunning book records the city that he got to know during his adventures. It isn't the Tokyo of packaged tours and glossy guidebooks, but a grittier, vibrant place, full of ordinary people going about their daily lives and the scenes and activities that unfold on the streets of a bustling metropolis. Here you find businessmen and women, hipsters, students, grandmothers, shopkeepers, policemen, and other urban types and tribes in all manner of dress and hairstyles. A temple nestles among skyscrapers; the corner grocery anchors a diverse assortment of dwellings, cafes, and shops--often tangled in electric lines. The artist mixes styles and tags his pictures with wry comments and observations. Realistically rendered advertisements or posters of pop stars

contrast with cartoon sketches of iconic objects or droll vignettes, like a housewife walking her pet pig, a Godzilla statue in a local park, and an urban fishing pond that charges 400 yen per half hour. This very personal guide to Tokyo is organized by neighborhood with hand-drawn maps that provide an overview of each neighborhood, but what really defines them is what caught the artist's eye and attracted his formidable drawing talent. Florent Chavouet begins his introduction by observing that, "Tokyo is said to be the most beautiful of ugly cities." With wit, a playful sense of humor, and the multicolor pencils of his kit, he sets aside the question of urban ugliness or beauty and captures the Japanese essence of a great city in this truly vital portrait.

Strange Weather in Tokyo Nov 02 2020 A new edition of the bestselling Japanese novel, now including the new short story, 'Parade'.

Best of Tokyo Nov 14 2021 This Japan travel guide is an insider's look at the best restaurants, bars, clubs, hotels, shops, sights, and events in Tokyo. With new venues for fun, food, and fashion opening everyday, it's difficult to keep up with Tokyo's abundant offerings. Whether you're tired of the standard tourist routes, or would just like to get the most out of your time in Tokyo, you can become an instant aficionado with this revised and updated edition of THE BEST OF TOKYO, an always discriminating and often opinionated guide to the city's finest. New entries such as a 22nd floor beer hall overlooking Old Tokyo are added to original favorites, like that hard-to-find spot where you can catch a glimpse of Tokyo's remaining geisha. Nightlife, eating and drinking, shopping and sightseeing, it's all here in easy-to-follow listings that introduce you to whatever you're looking for in Tokyo—fast.

Tokyo Jul 10 2021 Examines the quality of life in Tokyo and discusses the architecture and culture of the city.

The Little Teashop in Tokyo Aug 11 2021 "For travel blogger Fiona, Japan has always been top of her bucket list so when she wins an all-expenses paid trip, it looks like her dreams of the Far East are coming true. Until she arrives in vibrant, neon-drenched Tokyo and comes face-to-face with the man who broke her heart ten years ago, gorgeous photographer Gabe. Fiona can't help but remember the heartache of their last meeting but it's not long before the Japanese art of contentment and a special, traditional tea ceremony work their magic... Amidst the temples and clouds of soft pink cherry blossoms, Fiona and Gabe start to see life – and each other – differently."--Publisher description.

Japan Through the Lens of the Tokyo Olympics Jun 21 2022 This book situates the 2020 Tokyo Olympics within the social, economic, and political challenges facing contemporary Japan. Using the 2020 Tokyo Olympics as a lens into the city and the country as a whole, the stellar line up of contributors offer hidden insights and new perspectives on the Games. These include city planning, cultural politics, financial issues, language use, security, education, volunteerism, and construction work. The chapters then go on to explore the many stakeholders, institutions, citizens, interest groups, and protest groups involved, and feature the struggle over Tokyo's extreme summer heat, food standards, the implementation of diversity around disabilities, sexual minorities, and technological innovations. Giving short glimpses into the new Olympic sports, this book also analyses the role of these sports in Japanese society. Japan Through the Lens of the Tokyo Olympics will be of huge interest to anyone attending the Olympic Games in Tokyo 2020. It will also be useful to students and scholars of the Olympics and the sociology of sport, as well as Japanese culture and society.

Tokyo Vice Aug 31 2020 A riveting true-life tale of newspaper noir and Japanese organized crime from an American investigative journalist who "pulls the curtain back on ... [an] element of Japanese society that few Westerners ever see" (San Francisco Examiner). Now a Max Original Series on HBO Max Jake Adelstein is the only American journalist ever to have been

admitted to the insular Tokyo Metropolitan Police Press Club, where for twelve years he covered the dark side of Japan: extortion, murder, human trafficking, fiscal corruption, and of course, the yakuza. But when his final scoop exposed a scandal that reverberated all the way from the neon soaked streets of Tokyo to the polished Halls of the FBI and resulted in a death threat for him and his family, Adelstein decided to step down. Then, he fought back. In *Tokyo Vice* he delivers an unprecedented look at Japanese culture and searing memoir about his rise from cub reporter to seasoned journalist with a price on his head.

Proceedings of the WMO/IUGG Symposium on Numerical Weather Prediction in Tokyo, Japan Dec 23 2019

I Live in Tokyo Sep 24 2022 Seven-year-old Mimiko introduces her family and describes their activities on special days throughout the year.

Tokyo: Capital of Cool Apr 26 2020 ****Winner of the 2015 North American Travel Journalists Association Silver Medal Prize**** Take a photo tour of Japan's capital of cool with this alternative Tokyo guidebook! From the chic streets of Omotesando to the Toshogu shrine complex in Nikko, built to consecrate the Edo-era shogun Tokugawa Ieyasu, award-winning author Rob Goss takes readers through the patchwork of varied districts and sights that make up Tokyo and its neighboring towns. *Tokyo: Capital of Cool* delves into Tokyo's defining traits including the city's Edo-era roots; its thirst to both modernize and yet retain its traditions; its culinary heritage; and the impact of its vibrant youth. You'll be amazed at the vivid photographs and the in-depth language that goes far beyond the boundaries of a normal guidebook in offering insights into one of the world's greatest cities. In *Tokyo: Capital of Cool*, you'll discover ideas and inspiration for places to visit, a window onto this unique location, and a deeper understanding of its people and Japanese culture.

Each guide includes expert-led insights into the world's most famous countries and cities, things to do and places to stay. Other books in the series include *Eyewitness Japan* and *Eyewitness Croatia*.

Tokyo Before Tokyo May 08 2021 Tokyo today is one of the world's mega-cities and the center of a scintillating, hyper-modern culture—but not everyone is aware of its past. Founded in 1590 as the seat of the warlord Tokugawa family, Tokyo, then called Edo, was the locus of Japanese

trade, economics, and urban civilization until 1868, when it mutated into Tokyo and became Japan's modern capital. This beautifully illustrated book presents important sites and features from the rich history of Edo, taken from contemporary sources such as diaries, guidebooks, and woodblock prints. These include the huge bridge on which the city was centered; the vast castle of the Shogun; sumptuous Buddhist temples, bars, kabuki theaters, and Yoshiwara—the famous red-light district.

Tokyo Oct 13 2021 Tokyo is one of the largest and most complex cities in the world and represents an intriguing proving ground for new ideas on architecture and urbanism. Working in Tokyo means working in the future, and often two sets of rules seem to apply to projects in Tokyo—on the one hand the city's growth is as protean as that of LA or Mexico City, yet this growth is channeled by Japan's rigid adherence to norms and rules and Japanese architecture's embrace of the theoretical and new. This book presents Tokyo as seen through its growth and design from the 19th century onward with a special focus on highlighting the deep roots of contemporary trends in Tokyo architecture.

Strange Weather in Tokyo Apr 19 2022 Tsukiko is in her late 30s and living alone when one night she happens to meet one of her former high school teachers, 'Sensei', in a bar. He is at least thirty years her senior, retired and, she presumes, a widower. After this initial encounter, the pair continue to meet occasionally to share food and drink sake, and as the seasons pass - from spring cherry blossom to autumnal mushrooms - Tsukiko and Sensei come to develop a hesitant intimacy which tilts awkwardly and poignantly into love. Perfectly constructed, funny, and moving, *Strange Weather in Tokyo* is a tale of modern Japan and old-fashioned romance. This edition contains the bonus story, 'Parade', which imagines an ordinary day in the lives of this unusual couple.

City Life in Japan Jan 04 2021 Incorporating a new expanded introduction. The continuing relevance of Ron Dore's classic study of Japanese urban life and social structures is widely accepted by urban sociologists and other social scientists concerned with the study of modern Japan.

Foot-loose in Tokyo Feb 05 2021 A long-time Tokyo resident takes readers on a walking tour around each station along the Yamanote Line that circles the heart of Tokyo, offering glimpses of the variety in this city that at first glance seems homogenous.

Lost in Tokyo Nov 21 2019 After half a decade in Japan, Garrett Wilson thought that nothing could shock him anymore... until he started a new job and a new life at a high school in downtown Tokyo. Here he discovered the real Japan, not the version sold to tourists, and realized that it was far more thrilling, heartbreaking, and beautiful than anything he had ever experienced. Over the course of one year in Tokyo, Garrett navigates the perilous waters of 21st-century Japan, where love and laughter are as common as violence and tragedy. From love hotels to sumo, yakuza gangs to hostess bars, and a Shinto wedding to a KFC Christmas, discover what Tokyo is really like for its 38 million inhabitants. A travel book, a tale of sex and romance, and a love letter to a maddening, wonderful place, *Lost in Tokyo* provides a new perspective on living, working and playing in the world's most vibrant city.

A Clean Kill in Tokyo Dec 03 2020 "Half American, half Japanese, expert in both worlds but at home in neither, John Rain is the best killer money can buy. You tell him who. You tell him where. He doesn't care about why ... Until he gets involved with Midori Kawamura, a beautiful jazz pianist--and the daughter of his latest kill"--Page 4 of cover.

Linguistic Landscapes Mar 06 2021 *Linguistic Landscapes* is the first comprehensive approach to language on signs. It provides an up-to-date review of previous research, introduces a coherent analytical framework, and applies this framework to a sample of signs collected in Tokyo.

Linguistic Landscapes demonstrates that the study of language on signs provides a unique research perspective to urban multilingualism.

Japan Through the Lens of the Tokyo Olympics Open Access Sep 12 2021 This book situates the 2020 Tokyo Olympics within the social, economic, and political challenges facing contemporary Japan. Using the 2020 Tokyo Olympics as a lens into the city and the country as a whole, the stellar line up of contributors offer hidden insights and new perspectives on the Games. These include city planning, cultural politics, financial issues, language use, security, education, volunteerism, and construction work. The chapters then go on to explore the many stakeholders, institutions, citizens, interest groups, and protest groups involved, and feature the struggle over Tokyo's extreme summer heat, food standards, the implementation of diversity around disabilities, sexual minorities, and technological innovations. Giving short glimpses into the new Olympic sports, this book also analyses the role of these sports in Japanese society. *Japan Through the Lens of the Tokyo Olympics* will be of huge interest to anyone attending the Olympic Games in Tokyo 2020. It will also be useful to students and scholars of the Olympics and the sociology of sport, as well as Japanese culture and society.

Tokyo Underworld Jun 16 2019 In 1945, as part of the Occupation forces sent to postwar Japan Nick Zappetti, a native of Italian East Harlem, entered a world as strange as any he had ever know, In postwar Tokyo, however, he realised there were certain opportunities. He had a failed stint as a professional wrestler, and participated in a fumbled (but famous) diamond heist. He was deported but managed to return with the assistance of the Mafia. Then Nick opened a pizza joint in what would be the centre of Tokyo's nightlife and became "the king of Roppongi and Mafia boss of Tokyo," and the intimate of some of Japan's most notorious underworld figures as well as many of its political and business leaders. Following Zappetti's rising and falling fortunes, and his love-hate relationship with his adopted country, Robert Whiting show us the sinister (and sometimes ridiculous) goings-on among Tokyo's traditional criminal gangs as they developed from local racketeers and gamblers into lynchpins of international finance, politics and corruption. Here is a fresh perspective on postwar Japan and how it went from being a defeated nation to an economic player, with a little help from some less than diplomatic friends.

Geisha of Gion Jul 22 2022 The extraordinary, bestselling memoir from Japan's foremost geisha. 'A glimpse into the exotic, mysterious, tinged-with-eroticism world of the almost mythical geisha' Val Hennessy, Daily Mail '[An] eloquent and innovative memoir' The Times 'I can identify the exact moment when things began to change. It was a cold winter afternoon. I had just turned three.' Emerging shyly from her hiding place, Mineko encounters Madam Oima, the formidable proprietress of a prolific geisha house in Gion. Madam Oima is mesmerised by the child's black hair and black eyes: she has found her successor. And so Mineko is gently, but firmly, prised away from her parents to embark on an extraordinary profession, of which she will become the best. But even if you are exquisitely beautiful and the darling of the okiya, the life of a geisha is one of gruelling demands. And Mineko must first contend with her bitterly jealous sister who is determined to sabotage her success . . . Captivating and poignant, *Geisha of Gion* tells of Mineko's ascendancy to fame and her ultimate decision to leave the profession she found so constricting. After centuries of mystery Mineko is the only geisha to speak out. This is the true story she has long wanted to tell and the one that the West has long wanted to hear.

Japan's Ainu Minority in Tokyo Apr 07 2021 This book is about the Ainu, the indigenous people of Japan, living in and around Tokyo; it is, therefore, about what has been pushed to the margins of history. Customarily, anthropologists and public officials have represented Ainu issues and political affairs as limited to rural pockets of Hokkaido. Today, however, a significant proportion of the Ainu people live in and around major cities on the main island of Honshu, particularly

Tokyo. Based on extensive original ethnographic research, this book explores this largely unknown diasporic aspect of Ainu life and society. Drawing from debates on place-based rights and urban indigeneity in the twenty-first century, the book engages with the experiences and collective struggles of Tokyo Ainu in seeking to promote a better understanding of their cultural and political identity and sense of community in the city. Looking in-depth for the first time at the urban context of ritual performance, cultural transmission and the construction of places or 'hubs' of Ainu social activity, this book argues that recent government initiatives aimed at fostering a national Ainu policy will ultimately founder unless its architects are able to fully recognize the historical and social complexities of the urban Ainu experience.

Indian Migrants in Tokyo Feb 17 2022 How does an extended stay in Japan influence Indian migrants' sense of their identity as they adapt to a country very different from their own? The number of Indians in Japan is increasing. The links between Japan and India go back a long way in history, and the intricacy of their cultures is one of the many factors they have in common. Japanese culture and customs are among the most distinctive and complex in the world, and it is often difficult for foreigners to get used to them. Wadhwa focuses on the Indian Diaspora in Tokyo, analysing their lives there by drawing on a wealth of interviews and extensive participant observation. She examines their lifestyles, fears, problems, relations and expectations as foreigners in Tokyo and their efforts to create a 'home away from home' in Japan. This book will be of great interest to anthropologists and sociologists concerned with the impact of migration on diaspora communities, especially those focused on Japan, India or both.

Tune in Tokyo Jan 16 2022 Everyone wants to escape their boring, stagnant lives full of inertia and regret. But so few people actually have the bravery to run, run away from everything and selflessly seek out personal fulfillment in another part of the world where they don't understand anything and won't be expected to. The world is full of cowards. *Tune in Tokyo: The Gaijin Diaries*, an irresistible new gay, left-handed, diabetic travel memoir by North Carolina native Tim Anderson, takes a heady ride through the great Japanese megalopolis, bobbing, weaving, and karate kicking its way through the shadowy, dangerous underworld of a Harajuku girl-phobic, viola-playing, kabuki-tastic English conversation instructor on a mission to blast himself out of the creative and professional rut he's in and also do some record shopping. *Tune in Tokyo* illuminates the colorful gaijin life of a young-ish American gaywad who, stuck in EnnuiVille with no good employment opportunities in his home city of Raleigh, NC, decides to jet across the world and magically make himself more marketable. He leaves behind his boyfriend, his cat, his CDs, and an increasingly misanthropic existential lifelessness and heads off to a city where the year is 2119 and the future is now. Or maybe tomorrow. *Tune in Tokyo: The Gaijin Diaries* is a collection of fish-out-of-water stories in which the fish flopping around gasping for breath (and English-language magazines) in the open air of planet Tokyo must slowly but surely learn to breathe, gain his footing, and walk on his own two legs. How else is he going to take himself to the new Uniqlo, use one of those beer vending machines, or buy a Hello Kitty dildo?

Abandon the Old in Tokyo Mar 18 2022 *Abandon the Old in Tokyo* continues to delve into the urban underbelly of 1960s Tokyo, exposing not only the seedy dealings of the Japanese everyman but Yoshihiro Tatsumi's maturation as a storyteller. Many of the stories deal with the economic hardships of the time and the strained relationships between men and women, but do so by means of dark allegorical twists and turns. A young sewer cleaner's girlfriend has a miscarriage and leaves him when he proves incapable of finding higher-paying work. When a factory worker loses his hand on the job, the parallels between him and his pet monkey prove startling and significant.

Sanctuaries of the City Aug 23 2022 This book proposes that we can learn from Tokyo about the

intrinsic importance of in-between realms to an international culture: the sanctuaries. It argues that certain urban societies are more robust than others because they offer socio-spatial capacities that enable the development of skills for coping with modern forms of living. It studies places that may open the way to an international culture, namely market places, venues for performing arts and religious sites, which - with particular reference to the Durkheimian tradition - are considered here in their quality as sanctuaries. From its empirical analysis of such sanctuaries in Tokyo, this book develops a more general theory about mega-cities, urban sociability and identity.

Tokyo Oct 01 2020 Visiting Tokyo, whether for the first, second or hundredth time, is a life-changing experience. As a city, it's dynamic, exciting and resolutely individual - a mesmerising and unrivalled parade of fashion, design, architecture, and high culture experiences and, of course, the best pop culture in the world. It's also a city of fascinating contrasts; whether you're standing in the middle of the Shibuya scramble, a blur of pedestrians rushing by, or standing before a small shrine, quiet and contemplative, you will feel Tokyo's intensity. This stunning travel and cultural guide is a celebration of the roots and the marvels of contemporary Tokyo. It's a tightly curated list of must-see places and experiences and must-do walks as well as the authors' tried-and-tested favourites. It's for people who want to get an up close and personal look at the real Tokyo - the food, the crafts, the hidden finds, the architectural marvels, where to go to get into the thick of it and where to go to escape the madness. This is a specially formatted fixed-layout ebook that retains the look and feel of the print book.

The Bells of Old Tokyo Jun 28 2020 As read on BBC Radio 4 'Book of the Week' Shortlisted for the Stanford Dolman Travel Book of the Year Award Longlisted for the RSL Ondaatje Prize This mesmerising cultural history explores the neighbourhoods where [Tokyo's] bells once rang, and captures the essence of a place where time's innate elasticity seems to be woven into the place's very fabric. As our own locked-down days squeeze and elongate, Tokyo time feels strangely familiar.' - Daily Telegraph For over 300 years, Japan closed itself to outsiders, developing a remarkable and unique culture. During its period of isolation, the inhabitants of the city of Edo, later known as Tokyo, relied on its public bells to tell the time. In her remarkable book, Anna Sherman tells of her search for the bells of Edo, exploring the city of Tokyo and its inhabitants and the individual and particular relationship of Japanese culture - and the Japanese language - to time, tradition, memory, impermanence and history. Through Sherman's journeys around the city and her friendship with the owner of a small, exquisite cafe, who elevates the making and drinking of coffee to an art-form, *The Bells of Old Tokyo* presents a series of hauntingly memorable voices in the labyrinth that is the metropolis of the Japanese capital: An aristocrat plays in the sea of ashes left by the Allied firebombing of 1945. A scientist builds the most accurate clock in the world, a clock that will not lose a second in five billion years. A sculptor eats his father's ashes while the head of the house of Tokugawa reflects on the destruction of his grandfather's city ('A lost thing is lost. To chase it leads to darkness'). The result is a book that not only engages with the striking otherness of Japanese culture like no other, but that also marks the arrival of a dazzling new writer as she presents an absorbing and alluring meditation on life through an exploration of a great city and its people.

Sherlock Sam and the Obento Bonanza in Tokyo May 20 2022

Tokyo Ueno Station Jun 09 2021 WINNER OF THE 2020 NATIONAL BOOK AWARD IN TRANSLATED LITERATURE A NEW YORK TIMES NOTABLE BOOK OF THE YEAR A surreal, devastating story of a homeless ghost who haunts one of Tokyo's busiest train stations. Kazu is dead. Born in Fukushima in 1933, the same year as the Japanese Emperor, his life is tied by a series of coincidences to the Imperial family and has been shaped at every turn by modern

Japanese history. But his life story is also marked by bad luck, and now, in death, he is unable to rest, doomed to haunt the park near Ueno Station in Tokyo. Kazu's life in the city began and ended in that park; he arrived there to work as a laborer in the preparations for the 1964 Tokyo Olympics and ended his days living in the vast homeless village in the park, traumatized by the destruction of the 2011 tsunami and shattered by the announcement of the 2020 Olympics.

Through Kazu's eyes, we see daily life in Tokyo buzz around him and learn the intimate details of his personal story, how loss and society's inequalities and constrictions spiraled towards this ghostly fate, with moments of beauty and grace just out of reach. A powerful masterwork from one of Japan's most brilliant outsider writers, *Tokyo Ueno Station* is a book for our times and a look into a marginalized existence in a shiny global megapolis.

Tokyo Street Style Jan 24 2020 Tokyo is home to a creative and daring street-style scene, rich with subcultures and shaped by constant motion. In *Tokyo Street Style*, fashion writer Yoko Yagi explores influential trends, covering an eclectic range of styles from kawaii cute to genderless looks, while designers, editors, models, stylists, and other important personalities in the Tokyo fashion scene share their individual approaches to style in interviews. Moving from a glimpse of the outrageous fashion found on the streets of Harajuku to everyday-chic work and weekend attire, this comprehensive guide offers a lively overview of an extraordinary urban culture with a rich collection of inspirational photographs and practical guidance for cultivating Tokyo style, no matter where you live. Concluding with a curated selection of the best boutiques and vintage stores, along with some of the most fashionable places to eat and drink, *Tokyo Street Style* is a colorful lookbook and travel guide filled with insight from Japan's most fascinating tastemakers.

Inferno in Tokyo Feb 23 2020 Over 900,000 copies sold in the series This easy-to-read adventure is number 20 in this long-running, successful series and is now available in softcover. The Imagination Station has been malfunctioning for several adventures now, handing out the wrong gifts and traveling unexpected paths. Patrick and Beth must use their courage, strength, and resilience to help others and survive dangers as they travel through time and space and get caught up in the 1923 earthquake, tsunami, and fire that devastated Tokyo, Japan. When kids step into the Imagination Station, they experience an unforgettable journey filled with action-packed adventure and excitement. Each book will whisk the reader away with cousins Patrick and Beth to embark on a new journey around the world and back in time.

Tokyo Traffic May 28 2020 Running from a life she didn't choose, in a city she doesn't know, Sukanya, a young Thai girl, loses herself in Tokyo. With her Bangkok street smarts, and some stolen money, she stays ahead of her former captors willing to do anything to recover the computer she took. After befriending Chiho, a Japanese girl living in an internet café, Sukanya makes plans to rid herself of her pursuers, and her past, forever. Detective Hiroshi Shimizu leaves the safe confines of his office to investigate a porn studio where a brutal triple murder took place. The studio's accounts point him in multiple directions at once. Together with ex-sumo wrestler Sakaguchi and old-school Takamatsu, Hiroshi tracks the killers through Tokyo's teen hangouts, bayside docks and crowded squares, straight into the underbelly of the global economy. As bodies wash up from Tokyo Bay, Hiroshi tries to find the Thai girl at the center of it all, whose name he doesn't even know. He uncovers a human trafficking ring and cryptocurrency scammers whose connections extend to the highest levels of Tokyo's power elite.

The Book of Tokyo Oct 25 2022 A shape-shifter arrives at Tokyo harbour in human form, set to embark on an unstoppable rampage through the city's train network... A young woman is accompanied home one night by a reclusive student, and finds herself lured into a flat full of eerie Egyptian artefacts... A man suspects his young wife's obsession with picnicking every weekend in the city's parks hides a darker motive... At first, Tokyo appears in these stories as it

does to many outsiders: a city of bewildering scale, awe-inspiring modernity, peculiar rules, unknowable secrets and, to some extent, danger. Characters observe their fellow citizens from afar, hesitant to stray from their daily routines to engage with them. But Tokyo being the city it is, random encounters inevitably take place – a naïve book collector, mistaken for a French speaker, is drawn into a world he never knew existed; a woman seeking psychiatric help finds herself in a taxi with an older man wanting to share his own peculiar revelations; a depressed divorcee accepts an unexpected lunch invitation to try Thai food for the very first time... The result in each story is a small but crucial change in perspective, a sampling of the unexpected yet simple pleasure of other people's company. As one character puts it, 'The world is full of delicious things, you know.'

Japan's Ainu Minority in Tokyo Sep 19 2019 This book is about the Ainu, the indigenous people of Japan, living in and around Tokyo; it is, therefore, about what has been pushed to the margins of history. Customarily, anthropologists and public officials have represented Ainu issues and political affairs as limited to rural pockets of Hokkaido. Today, however, a significant proportion of the Ainu people live in and around major cities on the main island of Honshu, particularly Tokyo. Based on extensive original ethnographic research, this book explores this largely unknown diasporic aspect of Ainu life and society. Drawing from debates on place-based rights and urban indigeneity in the twenty-first century, the book engages with the experiences and collective struggles of Tokyo Ainu in seeking to promote a better understanding of their cultural and political identity and sense of community in the city. Looking in-depth for the first time at the urban context of ritual performance, cultural transmission and the construction of places or 'hubs' of Ainu social activity, this book argues that recent government initiatives aimed at fostering a national Ainu policy will ultimately founder unless its architects are able to fully recognize the historical and social complexities of the urban Ainu experience.

Global Tokyo Jul 30 2020 This book examines heritage-led regeneration and decision-making processes in Tokyo's urban centres of Nihonbashi and Marunouchi. Detailing some of the city's most prominent and recent redevelopment projects, Jiewon Song recognizes key institutions and actors; their collective actions as placemakers; and how they project the authenticity of urban places in planning processes. Song argues that heritage-led regeneration tends to monopolize authenticity by weakening the visibility of other cultural and historic qualities in urban places. Authenticity consequently turns into a singular entity leading to the homogenization of urban places. As cities increasingly seek authenticity in the urban age, nation-states initiate top-down processes to achieve such ends, interweaving nationalism and national narratives into placemaking practices. In this fashion, Song challenges existing scholarship on urban conservation, global cities and the notion of authenticity.

Only in Tokyo Mar 26 2020

Join intrepid chefs Michael Ryan and Luke Burgess on the best sort of culinary adventure – one that could happen only in Tokyo. From daybreak to late night, discover the creative people and compelling stories behind the restaurants, bars and tea houses of the world's most exciting food destination. Friendship and Work Culture of Women Managers in Japan Dec 15 2021 Drawing on ethnographic data gathered from fieldwork spanning a 15-year period, this book offers new insights into understanding the lives and experiences of women managers in Japan. Based on empirical case studies, it explores the ways in which professional women in Tokyo creatively

mobilize their friendships as a strategic site for mitigating the disappointments in their working lives, and conceptualizing new understandings of independence and equality. It analyses their use of language, time, space and money to negotiate new identities in an increasingly flexible work environment. In examining the challenges and opportunities faced by these corporate workers, this book also extends anthropological debates about the changing meaning and importance of work for women, as well as their relationship with money and separation from the realm of domesticity. As a study of women's lives in and out of the workplace in Japan, this book will be of great interest to students and scholars of Japanese studies, Japanese culture and society, anthropology, sociology, gender and women's studies.
