At the Bridge Jun 17 2021 *At the Bridge* chronicles the little-known story of James Teit, a prolific ethnographer who, from 1884 to 1922, worked with and advocated for the Indigenous peoples of British Columbia and the northwestern United States. From his base at Spences Bridge, BC, Teit forged a participant-based anthropology that was far ahead of its time. Whereas his contemporaries, including famed anthropologist Franz Boas, studied Indigenous peoples as members of “dying cultures,” Teit worked with them as members of living cultures resisting colonial influence over their lives and lands. Whether recording stories, mapping place-names, or participating in the chiefs’ fight for fair treatment, he made their objectives his own. With his allies, he produced copious, meticulous records; an army of anthropologists could not have achieved a fraction of what he achieved in his short life. Wickwire’s beautifully crafted narrative accords Teit the status he deserves, consolidating his place as a leading and innovative anthropologist in his own right.

Strong as Death Mar 27 2022 As a former novice of the Convent of the Paraclete, the young Catherine LeVendeur's life has been filled with adventure and intrigue. When she fell in love with her Saxon nobleman, Edgar, it was hoped that married life would settle this headstrong woman. But fate will have its way and, after suffering several miscarriages, Catherine is inspired by a prophetic dream that she and Edgar must embark on a pilgrimage to the fabled monastery of Compostela, to petition for a child. During their journey Catherine and Edgar encounter mad monks, bawdy crusaders, and a motley collection of pilgrims whose past deeds bind them all in a bizarre game of chance. When several pilgrims are gruesomely murdered, the trail of evidence points to an old and blackening sin, and a hidden villain whose quest for revenge may lead to Catherine's untimely death . . .

Dandelion Jul 19 2021 “The rare celebrity-crammed memoir that would be worth reading even without the bold-faced names.”--Kirkus Reviews Catherine James’ neglect by her young, beautiful mother cast a shadow over her Los Angeles childhood and made her long not for normalcy, but just for escape. Escape to her beloved grandmother Mimi, or to her Aunt Claire, a former beauty queen who’d had a glamorous life with ex-husband Busby Berkeley. Escape to her father, a race car driver who had been out of her life almost since the day she was born. Escape even to school, where she would at least be taken care of. Instead, Catherine was finally abandoned by her furious mother to become a ward of the state before she reached her teens. A chance meeting with a very young Bob Dylan inspired Catherine to run away with only one goal: to get to Greenwich Village. *Dandelion* follows Catherine’s extraordinary life, as she is entranced by Eric Clapton; taken up by the beautiful people in Andy Warhol’s Factory; and begins romances with rockers Jackson Browne and Jimmy Page. While raising her son, whose father was Denny Laine of the Moody Blues and Wings, Catherine finally returns to her West Coast roots, reconnects with her family and discovers that her mother hasn’t changed but her father has: he’s become a heartbreakingly garish transsexual. Moving and shocking by turns, *Dandelion* is a completely different view of a celebrated pop culture scene, and a fractured mother-daughter relationship. “James’ story...take[s] this movingly written autobiography well beyond the realm of sex, drugs and rock & roll.”—Music Connection

Becoming Chloe Nov 22 2021 Meet Jordy. He’s on his own in New York City. Nobody to depend on; nobody depending on him. And it’s been working fine. Until this girl comes along. She’s 18 and blond and pretty—her world should be perfect. But she’s seen things no one should ever see in their whole life—the kind of things that break a person. She doesn’t seem broken, though. She seems . . .

innocent. Like she doesn't know a whole lot. Only sometimes she does. The one thing she knows for sure is that the world is an ugly place. Now her life may depend on Jordy proving her wrong. So they hit the road to discover the truth—and there's no going back from what they find out. This deeply felt, redemptive novel reveals both the dark corners and hidden joys of life's journey—and the remarkable resilience of the human soul.

Extreme Killing Feb 11 2021 In *Extreme Killing: Understanding Serial and Mass Murder*, renowned experts James Alan Fox and Jack Levin examine the theories of criminal behavior and apply them to a multitude of well-known and lesser-known cases from around the world. The authors draw upon research from two large data sets - one comprised of serial killers and the other of those who have committed massacres. *Extreme Killing* is a fascinating introduction to an extreme set of homicidal behaviors for any interested reader.

Washington Square Jul 27 2019 'She will do as I have bidden her.' Catherine Sloper is heiress to a fortune and the social eminence associated with Washington Square. She attracts the attention of a good-looking but penniless young man, Morris Townsend. His suit is encouraged by Catherine's romantically-minded aunt, Mrs Penniman, but her father, a clever physician, is convinced that his motives are merely mercenary. He will not consent to the marriage, regardless of the cost to his daughter. Out of this classic confrontation Henry James fashioned one of his most deftly searching shorter fictions. First published in 1880 but set some forty years earlier in a pre-Civil War New York, the novel reflects ironically on the restricted world in which its heroine is marooned, seating herself at its close 'for life, as it were'. In his introduction Adrian Poole reflects on the book's gestation and influences, the significance of place, and the insight with which the four principal players are drawn. The edition includes an account of the real-life tale that sparked James's imaginative genius. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Daughters of Republic of Texas - Vol I May 29 2022 The Republic of Texas has a vivid past - its ancestors ventured west to settle an uneasy land - from exploration by the Spaniards to war with the Mexican government and its declaration of independence in 1836. Read about these ancestor's stories through hundreds of biographies with photographs of most. A comprehensive index provides easy reference for genealogical research.

Tudor Roses Aug 08 2020 Created by one of the top names in knitting, this splendid hardcover volume features hand-knitted designs inspired by members of the Tudor dynasty. Includes charts and instructions, color photographs, and fascinating historical background. *Catherine Disney* Oct 02 2022 Catherine Disney (1800-1853) is known as the 'lost love' of the Irish mathematician Sir William Rowan Hamilton (1805-1865), but about herself little is known. Based on what Hamilton wrote about her and scraps of information which were found on various places, extended with conclusions which could be drawn from known events, this is a sketch of how she fell in love with Hamilton in 1824, what the motives may have been for her family to force her to marry the reverend William Barlow (1792-1871), what may have triggered her suicide attempt in 1848 after which she did not live with Barlow any more, and how she spoke with Hamilton shortly before she died. In these two interviews she could finally tell Hamilton that she had also loved him. In the last chapters it is discussed how Catherine's unhappiness seems to have influenced her eldest son, James Barlow (1826-1913), and through him also her granddaughter Jane Barlow (1856-1917). This sketch is supplementary to the essay *A Victorian Marriage : Sir William Rowan Hamilton*. But being self-contained, it can also be read on its own.

Genealogical Records of Buckingham County, Virginia Apr 27 2022 Owing to the total destruction of the county courthouse in 1869, few records of Buckingham County, Virginia survive. From documents in the Virginia State Library and the University of Virginia's Alderman Library, and from materials still in private hands, the compiler of this book has amassed a genealogical record of the county--not continuous and complete, since that would be impossible, but a rich selection of the kind of materials that would have been in the old courthouse. Highlighting the work is a collection of family sketches.

To The Grave May 17 2021 Catherine Gray has returned to her hometown of Aurora Falls. Her first love James has recently divorced, and so they can finally build a life together. But then Catherine stumbles upon the murdered body of James's first wife Renée, who has been missing for the past three years. Catherine starts to ask herself how well she really knows James. What secret destroyed his marriage - and who killed his wife? When a mysterious fire destroys the crime scene, Catherine starts looking for answers. But when the next victim is revealed, it becomes terrifyingly clear that an obsessed killer is on the loose, and Catherine is next in line . . .

Dictionary of dates, and universal reference. [With] Aug 27 2019

Screening the Marquis de Sade Jun 29 2022 Since their publication, the works of the Marquis de Sade have challenged the reading public with a philosophy of relentless physical transgression. This is the first book-length academic study by a single author that applies the philosophy of the Marquis de Sade to the analysis of a wide array of film texts. By employing Sade's controversial body-oriented philosophy within film analysis, this book provides a new understanding of notions of pain, pleasure, and the representation of the transgressive body in film. Whereas many analyses have used theory to excuse and thus dilute the power of sexual and violent images, the author has here sought to examine cinematic representations of human relations as unflinchingly as Sade did in his novels.

Richard III and the Princes in the Tower Oct 22 2021 The fate of Richard III's two nephews, Edward V and Richard of York, who disappeared after his coronation in 1483, has remained controversial centuries after Thomas More's history and Shakespeare's play laid the blame on their conniving uncle. Some later writers, unconvinced of the king's guilt, have tried (with little success) to portray him as an innocent victim of Tudor propaganda, pointing instead to a number of unlikely culprits, including Henry Tudor and the Duke of Buckingham. This book sifts through the available evidence about the fate of the two boys. The author examines the facts, discusses who may or may not have had information and offers a reasoned solution to the question, What really happened to the two princes?

The Gamble Jan 13 2021 Gentle Reader, It's not that I approve of blackmail, but sometimes survival takes precedence over virtue. Unfortunately, the Earl of Winterdale has not proved to be quite the sort of victim I had envisioned. To be honest, I find that my heart is in far more danger from the handsome earl than he is endangered by my nefarious schemes. All I ever wanted was a home for my sister and me, but I fear Winterdale is about to exact a price of his own, one I'm not ready to pay. Or am I? Where he is concerned, I'm far too vulnerable. Damn. Georgiana (Georgie) Newbury

Rainbows Jan 31 2020 She sat by the telephone in her suite, waiting for his midnight call, watching the hands of the clock move so slowly toward twelve. The knock didn't register at first, and when it did, she moved reluctantly to open the door. It would be a bouquet of winter roses and a brief message of apology . . . But it was the man she loved, his blue eyes dark-circled, his beloved face pale and drawn. "Oh," she breathed as she touched the taut skin beneath his eyes. "Oh, you're here." She led him into the room and into her bed, and to the magical place of peace that was their love. He had believed that gentle, fragile place was gone, trampled by the monstrous emotions that raged within him. But for one night of exquisite intimacy, the monsters were still and the churning restlessness was calmed, and there was only the tenderness of their love... Alexandra and Catherine Taylor are sisters—and strangers. Each longs for the closeness they have never had, never knowing how to reach out to the other and discovering, when at last they decide to try, that it's almost too late . . . for shocking secrets, inner demons, and tragic loves stand in their way. As the star of Pennsylvania Avenue, TV's hottest primetime drama, Alexa has it all, beauty, fame, and fortune. Her off-screen life is even more dramatic. She's in love with a powerful man who cannot promise her more than their secret nights of pleasure. Alexa accepts this compromise without question, not knowing that her clandestine passion will drive a deeper wedge between herself and Catherine. Gifted concert pianist Catherine has always let her music shield her from the world. But even her magnificent gift, and her beloved music, cannot shield her from the devastating truth of who she is, and who she is not. Catherine hides the terrible secret, even as she searches for answers. Her courageous journey will take her to a glittering Mediterranean isle . . . and into the arms of a man who will make her whole. Desire and heartbreak, passion and love. Alexa and Catherine must travel those perilous journeys of the heart before they can be the sisters they want to be and find the happiness that awaits them both at the end of their rainbows. Praise for RAINBOWS and the novels of Katherine Stone: "Intricately plotted contemporary romance. Tender reconciliation. Fairytale elements mix with those of present-day romance for . . . thoroughly enjoyable results."—Kirkus Reviews on Rainbows Katherine Stone writes "in the vein of Danielle Steel and Sandra Brown."—Library Journal "Two gifted sisters mingle with the rich and the royal in this volatile . . . mix of romance and international intrigue."—Publishers Weekly on Rainbows "Katherine Stone's unique voice is clearly evident in this newest lyrical tale . . . an almost mystical quality that is distinctly her own."—Romantic Times on A Midnight Clear "A shimmering, hypnotic story of two wounded souls who heal each other. An addictive and indulgent treat."—Bookbug on A Midnight Clear "Remarkably romantic and thoroughly enchanting."—Rendezvous on Pearl Moon "Poignant . . . Cass is an intrepid heroine, but it is Chase who wins our hearts when he refuses to allow Cass's seeming betrayal to stop him from protecting his beloved."—Midwest Book Review on Bed of Roses "Alluring . . . Fascinating . . . Each page brings a new adventure, every plot twist another question begging to be answered."—Rendezvous on Imagine Love Katherine Stone's "high quality romance ranks right up there with Nora Roberts."—Booklist

After Elizabeth: The Death of Elizabeth and the Coming of King James (Text Only) Mar 15 2021 Family trees are best viewed on a tablet. A brilliant history of the succession of James I of England, and the shifting power and lethal politics that brought him to the throne.

Henry James and the Philosophy of Literary Pragmatism Sep 08 2020 This book examines the interdisciplinary foundations of pragmatism from a literary perspective, tracing the characters and settings that populate the narratives of pragmatist thought in Henry James's work. Cultivated during a postwar era of industrial change and economic growth, pragmatism emerged in the late nineteenth century as the new shape of American intellectual identity. Charles Peirce, William James, and Oliver Wendell Holmes, Jr. were close friends who founded different branches of pragmatism while writing on a vast array of topics. Skeptical about philosophy, William James's brother, Henry, stood at the margins of this group, crafting his own version of pragmatism through his novels and short stories. Gregory Phipps argues that James's fiction weaves together the varied depictions of individuality, society, experience, and truth found in the works of Peirce, Holmes, and William James. By doing so, James brings to narrative life a defining moment in American intellectual and material history.

St. James Place Jan 25 2022 A WOMAN OF TODAY IS CALLED ON TO HELP A WOMAN OF THE PAST Have you ever walked down a street and tried to picture it in an earlier, simpler time? Have you ever imagined yourself actually living in the past? Elizabeth Charles, a New York social worker specializing in child abuse, is walking to her next case on the streets of New York's Lower East Side when her eyes seem to betray her. A street sign changes its name, then back again: St. James Place. The phantom sign sticks in her head, and thus begins a journey through time and emotion that takes her back to the New York of the early 20th century where she confronts the issues of that day, which are strangely familiar to her: domestic violence, women's rights, and the stubborn gulf between

wealth and poverty. She encounters a woman who survived the Triangle Shirtwaist Fire in 1911 and Elizabeth is recruited to help this phantom from the past right a terrible injustice. St. James Place is a novel about the possibility of life after death, the existence of the spirit world, and how, at times, we are allowed to tap into both. A novel of suspense, romance, and history, St. James Place. appeals to readers fascinated by the mysteries of those who have gone before us. Set in old New York, present-day New York, and Bucks County, Pennsylvania, this is thriller about good versus evil in which a woman of today is called upon to help a woman from the past.

Newberry County, South Carolina Feb 23 2022 The opening chapters of this encyclopedic treatment deal with the Newberry County's formation, early settlers, soldiers, notable citizens, government institutions, and social and economic development, while later chapters are given over to biographies, cemetery inscriptions, family reminiscences and folklore. At the heart of the book is a long section devoted to genealogies of pioneer families of Newberry County.

CSI: Crime Scene Investigation Companion Nov 30 2019 Fans can go behind the yellow police tape in the official companion to TVU's most-watched drama, featuring fifty of the most explosive episodes.

Descendants of Caleb & James Osborne & Patrick Cragun Sep 28 2019 History of Caleb & Hannah Osborne from Rowan County, North Carolina including information on his son James Osborne and Mary Whitaker his wife from Russell County, Virginia. James was a successful business man and land owner. I have lots of documentation on James showing his various land and military activities during the Revolutionary War. Info with land records explaining about James Osborne living in Daniel Boone home, after Daniel moved to Kentucky. I also will have info on Patrick Cragun, his neighbors with his land record. Also info on his neighbors the fact that most of his neighbors came from Pennsylvania before arriving in Tennessee. Were they family or friends of Patrick? How are they connected?

Haydn's Dictionary of Dates and Universal Information Relating to All Ages and Nations Jan 01 2020

A Fate Worse Than Death Jun 05 2020 Captivity narratives have been a standard genre of writings about Indians of the East for several centuries. Until now, the West has been almost entirely neglected. Now Gregory and Susan Michno have rectified that with this painstakingly researched collection of vivid and often brutal accounts of what happened to those men and women and children that were captured by marauding Indians during the settlement of the West."

James Faris and Catherine (Bell) Faris Jul 31 2022 James Collins Faris (b. 1715) is said to emigrated from Scotland in about 1740 and settled in Virginia. He had at least one son, James Faris (b. 1742) who was born in Virginia or Pennsylvania and married Catherine Bell in about 1769. They moved to what later became West Virginia where James was eventually killed by Indians. They were the parents of three children. Their descendants live in West Virginia, Ohio, Missouri, Illinois and other parts of the United States.

A Collection of Engraved Portraits (further Selection) Exhibited by the Late James Anderson Rose, at the Opening of the New Library and Museum of the Corporation of London, November, 1872 Jul 07 2020

The Day I Killed James Nov 03 2022 IT WASN'T SUPPOSED to end up like this. But it did. When Theresa brings James to a party as her date, it's just for the night . . . and he knows that. But when everything goes horribly wrong, James drives his motorcycle off a cliff—and Theresa knows she's responsible for his death. Theresa tries to run away from the pain, becoming a new young woman with a whole new life. She meets people, of course, but she never really makes connections—she's too scared she'll hurt them, too. But what Theresa discovers is that you can try to run away from the pain—but you can never really run away from yourself. The only way out is through. This compelling tale of love and loss is about broken hearts—and how to begin to repair your own.
