Our book servers hosts in multiple countries, allowing you to get the most less latency time to download any of our books like this one.

Kindly say, the Leonard Maltin Movie Guide 2014 is universally compatible with any devices to read

Starstruck Jan 13 2021 Hollywood historian and film reviewer Leonard Maltin invites readers to pull up a chair and listen as he tells stories, many of them hilarious, of 50+ years interacting with legendary movie stars, writers, directors, producers, and cartoonists. Maltin grew up in the first decade of television, immersing himself in TV programs and accessing 1930s and '40s movies hitting the small screen. His fan letters to admired performers led to unexpected correspondences, then to interviews and publication of his own fan magazine. Maltin's career as a free-lance writer and New York Times-bestselling author as well as his 30-year run on Entertainment Tonight, gave him access to Katharine Hepburn, Elizabeth Taylor, Sean Connery, Shirley Temple, and Jimmy Stewart among hundreds of other Golden Age stars, his interviews cutting through the Hollywood veneer and revealing the human behind each legend. **Starstruck** also offers a fascinating glimpse inside the Disney empire, and Maltin's tenure teaching USC's popular film course reveals insights into moviemaking along with access to past, current, and future stars of film, such as George Lucas, Kevin Feige, Quentin Tarantino, and Guillermo del Toro.

Horror and science fiction fans will find films that matter and films that splatter in one critical and humorous guide. Featuring... • Thousands of capsulized reviews • A five-star rating system • Hundreds of obscure and rare titles • Cross-references to secondary titles, sequels and tricky retitlings • ...And more

The Great Movie Comedians Jul 27 2019 THE GREAT MOVIE COMEDIANS: FROM CHARLIE CHAPLIN TO WOODY ALLEN - Revised Edition by Leonard Maltin Leonard Maltin surveys the 20th century's greatest comedy performers to see what made each one unique. Drawing on his own observations as well as interviews with directors who worked with these stars, he presents entertaining profiles of everyone from Charlie Chaplin, the genius who "did it all" to his modern-day counterpart Woody Allen, whose nebbish persona became as identifiable as Chaplin's Little Tramp. Along the way you'll learn about pioneering comedienne Mabel Normand, sexual provocateur Mae West (who wrote her own saucy material), "iron man" Buster Keaton, the madcap Marx Brothers, the relentlessly rowdy Three Stooges, and many, many more. Maltin has revised his chapters (and filmographies) on Bob Hope, Jerry Lewis, and Woody Allen to bring this acclaimed 1978 book up to date. What's more, he's added some rare, new photos to the already-impressive gallery of images. If you love comedy, you'll enjoy this celebratory volume.
