[The String of Pearls: Or, Sweeney Todd -- the Demon Barber of Fleet Street](#) Feb 07 2021 This is the mystery novel that started it all: The gruesome legend about the "demon barber of Fleet Street." Many people still believe that Sweeney Todd and his aide, the pie-baking Mrs Lovett next door, were real people living at the turn of the century 1800, the time period in which the story is set, but The String of Pearls is in fact pure fantasy, based on a French myth which has been traced down to the 17th century, "The bloody legend about the barber and the patissier." The earliest known version of this myth can be found in a book from 1612, written by the priest Jaques du Breul. However, The String of Pearls is a very thrilling and suspenseful story in its own right. The novel was published anonymously as a serial in the penny magazine The People's Periodical and Family Library, in 1846-47. It was written by either James Malcolm Rymer (1814-84) or Thomas Peckett Prest (probably 1810-59), but presumably by both in collaboration. Rymer and Prest were the kings of "penny dreadful," also responsible for Varney the Vampyre (1845-47), the most successful penny dreadful ever and a precursor to Bram Stoker's Dracula.

The String of Pearls Sep 26 2022 Sweeney Todd is a barber who murders his customers and turns their remains into meat pies sold at the pie shop of Mrs. Lovett, his partner in crime. His barber shop is situated in Fleet Street, London, next to St. Dunstan's church, and is connected to Lovett's pie shop in nearby Bell Yard by means of an underground passage. Todd dispatches his victims by pulling a lever while they are in his barber chair, which makes them fall backward down a revolving trapdoor and generally causes them to break their necks or skulls on the cellar floor below. If the victims are still alive, he goes to the basement and "polishes them off" by slitting their throats with his straight razor.

Sal Maglie Jan 26 2020 "To the batters who faced him, pitcher Sal Maglie looked like the hurler from hell. Tall and sinister in appearance, with glowering dark eyes and a formidable five-o'clock shadow, the famed righthander earned the nickname "Sal the Barber" for his high-inside fastball that cut dangerously close to the batter's chin. But Maglie was much more than his intimidating image." "This biography provides a colorful, detailed, occasionally shocking, and often moving narrative about the son of poor Italian immigrants who rose far beyond his family's and his own early dreams and became a star pitcher for the New York Giants. He then, at the apex of his career in the mid-1950s, joined the Brooklyn Dodgers. This is the story of a man whose early mediocrity and failures in the minor leagues in no way prefigured his later success and fame." "Through wide-ranging research that includes interviews with Maglie's relatives, friends, former teammates, and team officials, as well as newspaper reports, books, and magazines, Judith Testa creates an insightful and compelling portrait of one of baseball's most intriguing figures. Baseball fans and people interested in baseball history and in the Italian American experience will discover new insights and a wealth of information in *Sal Maglie*."--BOOK JACKET.
