This special e-book edition includes the first two chapters of Faith, Jennifer Haigh's "superb fourth novel" (Publishers Weekly, starred review), which will be released on May 10. In the summer of 1976, during their annual retreat on Cape Cod, the McKotch family came apart. Now, twenty years after daughter Gwen was diagnosed with Turner's syndrome—a rare genetic condition that keeps her trapped forever in the body of a child—eminent scientist Frank McKotch is divorced from his pedigreed wife, Paulette. Eldest son Billy, a successful cardiologist, lives a life built on secrets and compromise. His brother Scott awakened from a pot-addled adolescence to a soul-killing job and a regrettable marriage. And Gwen—bright and accomplished but hermetic and emotionally aloof—spurns all social interaction until, well into her thirties, she falls in love for the first time. With compassion and almost painful astuteness, *The Condition* explores the power of family mythologies—the self-delusions, denials, and inescapable truths that forever bind fathers and mothers and siblings.

Where You Can Find Me Jul 19 2021 When her son is recovered three years after his abduction, Marlene Vincent flees the country with the boy and his sister to live with her former mother-in-law in a hotel where she uncovers the mystery of the boy's lost years.

Mercy Street May 29 2022 NATIONAL BESTSELLER "Ms. Haigh is an expertly nuanced storyteller long overdue for major attention. Her work is gripping, real, and totally immersive, akin to that of writers as different as Richard Price, Richard Ford, and Richard Russo."—Janet Maslin, *New York Times* The highly praised, "extraordinary" (*New York Times Book Review*) novel about the disparate lives that intersect at a women's clinic in Boston, by *New York Times* bestselling author Jennifer Haigh For almost a decade, Claudia has counseled patients at Mercy Street, a clinic in the heart of the city. The work is consuming, the unending dramas of women in crisis. For its patients, Mercy Street offers more than health care; for many, it is a second chance. But outside the clinic, the reality is different.

Anonymous threats are frequent. A small, determined group of anti-abortion demonstrators appears each morning at its door. As the protests intensify, fear creeps into Claudia's days, a humming anxiety she manages with frequent visits to Timmy, an affable pot dealer in the midst of his own existential crisis. At Timmy's, she encounters a random assortment of customers, including Anthony, a lost soul who spends most of his life online, chatting with the mysterious Excelsior11—the screenname of Victor Prine, an anti-abortion crusader who has set his sights on Mercy Street and is ready to risk it all for his beliefs. *Mercy Street* is a novel for right now, a story of the polarized American present. Jennifer Haigh, "an expert natural storyteller with a keen sense of her characters' humanity" (*New York Times*), has written a groundbreaking novel, a fearless examination of one of the most divisive issues of our time.

Lark and Termite Mar 27 2022 A rich, many-layered novel from one of our major writers, her first in nine years. Set in the 1950s in West Virginia and Korea, it is a story of the power of loss and love, the echoing ramifications of war, family secrets, dreams and ghosts, and the unseen, almost magical bonds that unite and sustain us. At its center: Lark and her brother, Termite, a child unable to walk and talk but full of radiance; their mother, Lola; their aunt, Nonie, who raises them; and Termite's father, Corporal Robert Leavitt, who finds himself caught up in the chaotic early months of the Korean War. Told with enormous imagination and deep feeling, the novel invites us into the hearts and thoughts of each of the leading characters; even into Termite's intricate, shuttered consciousness. We are with

Leavitt, trapped by friendly fire. We see Lark's hopes for herself and Termite, and how she makes them happen. We learn of Lola's love for her soldier husband and children, and unravel the mystery of her relationship with Nonie. We discover the lasting connections between past and future on the night the town experiences an overwhelming flood, and we follow Lark and Termite as their lives are changed forever.

Ghostwritten Apr 15 2021 'A deeply moving read – I loved it' Dinah Jeffries, author of *The Tea Planter's Wife*
The Fever Tree And Other Stories Oct 22 2021 In this collection of eleven stories, murder is committed out of fear, jealousy, cupidity, and also sheer compulsion, while the settings include an African game park, a sinister ruined cemetery, an East Anglian seaside resort, and the gloomy purlieu of Epping Forest.

Heat and Light Jun 17 2021 Acclaimed New York Times bestselling author Jennifer Haigh returns to the Pennsylvania town at the center of her iconic novel *Baker Towers* in this ambitious, achingly human story of modern America and the conflicting forces at its heart—a bold, moving drama of hope and desperation, greed and power, big business and small-town families. Forty years ago, Bakerton coal fueled the country. Then the mines closed, and the town wore away like a bar of soap. Now Bakerton has been granted a surprise third act: it sits squarely atop the Marcellus Shale, a massive deposit of natural gas. To drill or not to drill? Prison guard Rich Devlin leases his mineral rights to finance his dream of farming. He doesn't count on the truck traffic and nonstop noise, his brother's skepticism or the paranoia of his wife, Shelby, who insists the water smells strange and is poisoning their frail daughter. Meanwhile his neighbors, organic dairy farmers Mack and Rena, hold out against the drilling—until a passionate environmental activist disrupts their lives. Told through a cast of characters whose lives are increasingly bound by the opposing interests that underpin the national debate, *Heat and Light* depicts a community blessed and cursed by its natural resources. Soaring and ambitious, it zooms from drill rig to shareholders' meeting to the Three Mile Island nuclear reactor to the ruined landscape of the "strippings," haunting reminders of Pennsylvania's past energy booms. This is a dispatch from a forgotten America—a work of searing moral clarity from one of the finest writers of her generation, a courageous and necessary book.

Commonwealth Oct 10 2020 THE NO. 1 NEW YORK TIMES BESTSELLER A powerful story of two families brought together by beauty and torn apart by tragedy, the new novel by the Orange Prize-winning author of *Bel Canto* and *State of Wonder* is her most astonishing yet It is 1964: Bert Cousins, the deputy district attorney, shows up at Franny Keating's christening party uninvited, bottle of gin in hand. As the cops of Los Angeles drink, talk and dance into the June afternoon, he notices a heart-stoppingly beautiful woman. When Bert kisses Beverly Keating, his host's wife, the new baby pressed between them, he sets in motion the joining of two families whose shared fate will be defined on a day seven years later. In 1988, Franny Keating, now twenty-four, has dropped out of law school and is working as a cocktail waitress in Chicago. When she meets one of her idols, the famous author Leon Posen, and tells him about her family, she unwittingly relinquishes control over their story. Franny never dreams that the consequences of this encounter will extend beyond her own life into those of her scattered siblings and parents. Told with equal measures of humour and heartbreak, *Commonwealth* is a powerful and tender tale of family, betrayal and the far-reaching bonds of love and responsibility. A meditation on inspiration, interpretation and the ownership of stories, it is Ann Patchett's most astonishing work to date.

Faith Dec 24 2021 It is the spring of 2002 and a perfect storm has hit Boston. Across the city's archdiocese, trusted priests have been accused of the worst possible betrayal of the souls in their care. Estranged for years from her difficult and demanding family, Sheila McGann has remained close to her older brother, Art, the popular, dynamic pastor of a large suburban parish. When Art finds himself at the center of the maelstrom, Sheila returns to Boston, ready to fight for him and his reputation. But what she discovers is more complicated than she imagined as the scandal forces long-buried secrets to surface. Elegantly crafted and sharply observed, Jennifer Haigh's *Faith* is a haunting meditation on loyalty and family that demonstrates how the truth can shatter our deepest beliefs—and restore them.

Yellow Earth Nov 22 2021 In *Yellow Earth*, the site of Three Nations reservations on the banks of the Missouri River in North Dakota, Sayles introduces us to Harleigh Killdeer, chairman of the Tribal Business Council. "An activist in his way, a product of the Casino Era," Killdeer, who is contracted by oil firm Case and Crosby, spearheads the new Three Nations Petroleum Company. What follows, with characteristic lyrical dexterity, insight, and wit, introduces us to a memorable cast of characters, weaving together narratives of competing worlds through masterful storytelling. Set shortly before *Standing Rock* would become a symbol of historic proportions of the brutal confrontation between native resistance and the forces of big business and law enforcement, the fate of *Yellow Earth* serves as a parable for our times.

Up Up, Down Down Sep 08 2020 In the tradition of John Jeremiah Sullivan and David Foster Wallace, Cheston Knapp's *Up Up, Down Down* "is an always smart, often hilarious, and ultimately transcendent essay collection" (Anthony Doerr, Pulitzer Prize-winning author of *All the Light We Cannot See*) that brilliantly explores authenticity and the nature of identity. Daring and wise, hilarious and tender, Cheston Knapp's "glittering" (Leslie Jamison) collection of seven linked essays tackles the Big Questions through seemingly unlikely avenues. In his dexterous hands, an examination of a local professional wrestling promotion becomes a meditation on pain and his relationship with his father. A profile of UFO enthusiasts ends up probing his history in the church and, more broadly, the nature and limits of faith itself. Attending an adult skateboarding camp launches him into a virtuosic analysis of nostalgia. And the shocking murder of a neighbor expands into an interrogation of our culture's prevailing ideas about community.

Even more remarkable, perhaps, is the way he manages to find humanity in a damp basement full of frat boys. Taken together, the essays in *Up Up, Down Down* amount to a chronicle of Knapp's coming-of-age, a young man's journey into adulthood, late-onset as it might appear. He presents us with formative experiences from his childhood to marriage that echo throughout the collection, and ultimately tilts at what may be the Biggest Q of them all: what are the hazards of becoming who you are? With "a firmly tongue-in-cheek approach to the existential crises of male maturity for the millennial generation...Knapp's intelligent take on coming-of-age deserves to be widely read" (Publishers Weekly). "Compelling...Precise and laugh-inducing" (The New York Times Book Review), *Up Up, Down Down* signals the arrival of a truly one-of-a-kind voice.

Nina is a struggling writer, a college drop-out, a liar, and a cheater. More than anything she wants love. She deserves it. From the burned-out suburbs of Florida to the anonymous squalor of New York City, she eats through an incestuous cast of characters in search of it: her mother, a narcissistic lesbian living in a nudist polycule; Odessa, a single mom with even worse taste in men than Nina; Seth, an artist whose latest show is comprised of three Tupperware containers full of trash; Brian, whose roller-coaster affair with Nina is the most stable "relationship" in his life; and Aaron, an aspiring filmmaker living at home with his parents, with whom Nina begins to write her magnum opus. Nina's quest for fulfillment is at once darkly comedic, acerbically acute, and painfully human—a scathing critique of contemporary society, and a tender examination of our anguished yearning for connection in an era defined by detachment.

The Nest Sep 28 2019 THE NEW YORK TIMES BESTSELLER 'I couldn't stop reading or caring about the juicy and dysfunctional Plumb family' AMY POEHLER 'A masterfully constructed, darkly comic, and immensely captivating tale...Cynthia D'Aprix Sweeney is a real talent' ELIZABETH GILBERT

A Way of Life, Like Any Other Mar 03 2020 This PEN/Hemingway Award winner about coming of age in Los Angeles is a "little gem of a novel . . . a masterwork of Hollywood fiction" (Salon). He's a child of 1940s Hollywood—specifically, Casa Fiesta, a ranch in the Malibu hills that he shares with his mother, a onetime Broadway headliner, and his father, a star of Westerns. But when his parents fall out of favor in Tinseltown, the narrator of this exquisitely crafted dark comedy loses his youthful idyll and accompanies his lovesick mother on a vodka-soaked international quest for romance and redemption. Meanwhile, his father lives in "diminished circumstances" in California, clinging to his silver-screen mementos, trusting that, someday soon, his ex-wife and his career will return. Tired of tending bar at his mother's parties and listening to his father's sad tales of former glory, the boy moves in with his best friend's family in Beverly Hills. But nothing in *La-La Land* is quite what it seems, and when his new home turns out to be just as dysfunctional as the last, our teenage hero must somehow learn to accept his parents while finding the courage to break free and become his own man. This award-winning novel, "a kind of *Catcher in the Rye* for the Cheap Trick generation" (GQ), was cited by the Guardian as one of the "ten best neglected literary masterpieces." Written by a New York Times–bestselling author who was a child of Hollywood movie stars himself, it has been praised for its "spectacularly deadpan humor" by the Atlantic Monthly and called "an insightful coming-of-age tale" by the Austin Chronicle.

Baker Towers Nov 03 2022 Bakerton is a community of company houses and church festivals, of union squabbles and firemen's parades. Its neighborhoods include Little Italy, Swedetown, and Polish Hill. For its tight-knit citizens -- and the five children of the Novak family -- the 1940s will be a decade of excitement, tragedy, and stunning change. *Baker Towers* is a family saga and a love story, a hymn to a time and place long gone, to America's industrial past, and to the men and women we now call the Greatest Generation. It is a feat of imagination from an extraordinary voice in American fiction, a writer of enormous power and skill.

Coastliners Oct 29 2019 Mado has been adrift for too long. After ten years in Paris, she returns to the small island of Le Devin, the home that has haunted her since she left. Le Devin is shaped somewhat like a sleeping woman. At her head is the village of Les Salants, while its more prosperous rival, La Houssinière, lies at her feet. Yet even though you can walk from one to the other in an hour, they are worlds apart. And now Mado is back in Les Salants hoping to reconcile with her estranged father. But what she doesn't realize is that it is not only her father whose trust she must regain.

The Bishop's Man Sep 20 2021 Something about the boat, perhaps its name, and the posture of that boy caused me to defer my anxieties for the moment. It was so rare to see someone that age stationary, somber. I was more accustomed to a rowdy adolescent enthusiasm. This young man, I realized, was exceptional only because of time and place. Maybe any one of them in those circumstances would have been the same. Quiet. But he caught my attention nevertheless and linked the moment to tender places in the memory. Doomed boys and men: in retrospect they all have that stillness. --from *The Bishop's Man* by Linden MacIntyre The year is 1993 and Father Duncan MacAskill stands at a small Cape Breton fishing harbour a few miles from where he grew up. Enjoying the timeless sight of a

father and son piloting a boat, Duncan takes a moment's rest from his worries. But he does not yet know that his already strained faith is about to be tested by his interactions with a troubled boy, 18-year-old Danny MacKay. Known to fellow priests as the "Exorcist" because of his special role as clean-up man for the Bishop of Antigonish, Duncan has a talent for coolly reassigning deviant priests while ensuring minimal fuss from victims and their families. It has been a lonely vocation, but Duncan is generally satisfied that his work is a necessary defense of the church. All this changes when lawyers and a policeman snoop too close for the bishop's comfort. Duncan is assigned a parish in the remote Cape Breton community of Creignish and told to wait it out. This is not the first time Duncan has been sent away for knowing too much: decades ago, the displeased bishop sent a more idealistic Duncan to Honduras for voicing suspicions about a revered priest. It was there that Duncan first tasted forbidden love, with the beautiful Jacinta. It was also there that he met the courageous Father Alfonso, who taught him more about spiritual devotion than he had ever known back home. But when an act of violence in Honduras shook Duncan to his core, he returned home a changed man, willing to quietly execute the bishop's commands. Now, decades later in Cape Breton, Duncan claims to his concerned sister Effie that isolation is his preference. But when several women seek to befriend him, along with some long-estranged friends, Duncan is alternately tempted and unnerved by their attentions. Drink becomes his only solace. Attempting to distract himself with parish work, Duncan takes an interest in troubled young Danny, whose good-hearted father sells Duncan a boat he names The Jacinta. To Duncan's alarm, he discovers that the boy once spent time with an errant priest who had been dispatched by Duncan himself to Port Hood. Duncan begins to ask questions, dreading the answers. When tragedy strikes, he knows that he must act. But will his actions be those of a good priest, or an all too flawed man? Winner of the 2009 Scotiabank Giller Prize, Linden MacIntyre's searing *The Bishop's Man* is an unforgettable and complex character study of a deeply conflicted man at the precipice of his life. Can we ever be certain of an individual's guilt or innocence? Is violence ever justified? Can any act of contrition redeem our own complicity?

The Brilliant Boy Aug 08 2020 Longlisted for the 2022 Indie Book Awards Chosen as a 'Book of the Year' in *The Australian*, *The Australian Financial Review* and *The Australian Book Review*. In a quiet Sydney street in 1937, a seven year-old immigrant boy drowned in a ditch that had filled with rain after being left unfenced by council workers.

How the law should deal with the trauma of the family's loss was one of the most complex and controversial cases to reach Australia's High Court, where it seized the imagination of its youngest and cleverest member. These days, 'Doc' Evatt is remembered mainly as the hapless and divisive opposition leader during the long ascendancy of his great rival Sir Robert Menzies. Yet long before we spoke of 'public intellectuals', Evatt was one: a dashing advocate, an inspired jurist, an outspoken opinion maker, one of our first popular historians and the nation's foremost champion of modern art. Through Evatt's innovative and empathic decision in *Chester v the Council of Waverley Municipality*, which argued for the law to acknowledge inner suffering as it did physical injury, Gideon Haigh rediscovers the most brilliant Australian of his day, a patriot with a vision of his country charting its own path and being its own example – the same attitude he brought to being the only Australian president of the UN General Assembly, and instrumental in the foundation of Israel. A feat of remarkable historical perception, deep research and masterful storytelling, *The Brilliant Boy* confirms Gideon Haigh as one of our finest writers of non-fiction. It shows Australia in a rare light, as a genuinely clever country prepared to contest big ideas and face the future confidently. 'Gideon Haigh has always been an exquisite wordsmith, and he proves here that he is also an intuitive historian and acute biographer with a masterful control of the broad sweep and telling detail' AFR Books of the Year 'Here is a master craftsman delivering one of his most finely honed works. Meticulous in its research, humane in its storytelling, *The Brilliant Boy* is Gideon Haigh at his lush, luminous best. Haigh shines a light on person, place and era with the sheer force of his intellect and the generosity of his words. *The Brilliant Boy* is simply a brilliant book.' Clare Wright, Stella-Prize winning author of *The Forgotten Rebels of Eureka* 'Gideon Haigh has a nose for Australian stories that light up the past from new angles, and he tells this one with verve, grace and lightly worn erudition. I couldn't put it down.' Judith Brett, *The Saturday Paper* 'An absolutely remarkable, moving and elegant re-reading of the early life of an extraordinary Australian. Gideon Haigh is one of Australia's finest writers and thinkers ... mesmerizing ... one of the best Australian biographies I have read for a long time.' Michael McKernan, *Canberra Times*

The Cat's Table Aug 27 2019 In the early 1950s, an eleven-year-old boy in Colombo boards a ship bound for England. At mealtimes he is seated at the "cat's table"—as far from the Captain's Table as can be—with a ragtag group of "insignificant" adults and two other boys, Cassius and Ramadhin. As the ship makes its way across the Indian Ocean, through the Suez Canal, into the Mediterranean, the boys tumble from one adventure to another, bursting all over the place like freed mercury. But there are other diversions as well: one man talks with them about jazz and women, another opens the door to the world of literature. The narrator's elusive, beautiful cousin Emily becomes his confidante, allowing him to see himself "with a distant eye" for the first time, and to feel the first stirring of desire. Another *Cat's Table* denizen, the shadowy Miss Lasqueti, is perhaps more than what she seems. And very late every night, the boys spy on a shackled prisoner, his crime and his fate a galvanizing mystery that will haunt them forever. As the narrative moves between the decks and holds of the ship and the boy's adult years, it tells a spellbinding story—by turns poignant and electrifying—about the magical, often forbidden, discoveries of childhood and a lifelong journey that begins unexpectedly with a spectacular sea voyage.

The Talented Miss Farwell Apr 03 2020 *Catch Me If You Can* meets Patricia Highsmith in this "stylish" (New York Times Book Review) page-turner of greed and obsession, survival and self-invention that is a piercing character study of one unforgettable female con artist. At the end of the 1990s, with the art market finally recovered from its disastrous collapse, Miss Rebecca Farwell has made a killing at Christie's in New York City, selling a portion of her extraordinary art collection for a rumored 900 percent profit. Dressed in couture YSL, drinking the finest champagne at trendy Balthazar, Reba, as she's known, is the picture of a wealthy art collector. To some, the elusive Miss Farwell is a shark with outstanding business acumen. To others, she's a heartless capitalist whose only interest in art is how much she can make. But a thousand miles from the Big Apple, in the small town of Pierson, Illinois, Miss Farwell is someone else entirely—a quiet single woman known as Becky who still lives in her family's farmhouse, wears sensible shoes, and works tirelessly as the town's treasurer and controller. No one understands the ins and outs of Pierson's accounts better than Becky; she's the last one in the office every night, crunching the numbers. Somehow, her neighbors marvel, she always finds a way to get the struggling town just a little more money. What

Pierson doesn't see—and can never discover—is that much of that money is shifted into a separate account that she controls, “borrowed” funds used to finance her art habit. Though she quietly repays Pierson when she can, the business of art is cutthroat and unpredictable. But as Reba Farwell's deals get bigger and bigger, Becky Farwell's debt to Pierson spirals out of control. How long can the talented Miss Farwell continue to pull off her double life? World and Town Feb 11 2021 The award-winning author of Thank You, Mr. Nixon and The Resisters delivers “[a] triumph of a novel.... Jen reflects America, at its best, its worst, its most vulnerable” (The Miami Herald), and asks deep questions about religion, love, home, and meaning. Hattie Kong, a retired teacher and a descendant of Confucius, has decided that it's time to start over. She moves to the peaceful New England town of Riverlake, a place that once represented the rock-solid base of American life. Instead of quietude, Hattie discovers a town challenged by cell-phone towers, chain stores, and struggling farms. Soon Hattie is joined by an immigrant Cambodian family on the run, and—quite unexpectedly—Carter Hatch, a love from her past.
