Merely said, the The Rough Riders Theodore Roosevelt is universally compatible bearing in mind any devices to read.

Theodore Roosevelt and the Rough Riders Aug 02 2020 Story of Theodore Roosevelt's expedition during the Spanish-American War. Grades 5-8.

15 Stars Mar 21 2022 In the closing days of World War II, America looked up to three five-star generals as its greatest heroes. George C. Marshall, Dwight D. Eisenhower, and Douglas MacArthur personified victory, from the Pentagon to Normandy to the Far East. Counterparts and on occasion competitors, they had leapfrogged each other, sometimes stonewalled each other, even supported and protected each other throughout their celebrated careers. In the public mind they stood for glamour, integrity, and competence. But for dramatic twists of circumstance, all three -- rather than only one -- might have occupied the White House. The story of their interconnected lives opens a fascinating window onto some of the twentieth century's most crucial events, revealing the personalities behind the public images and showing how much of a difference three men can make. Marshall and MacArthur were contemporaries and competitors. Eisenhower was MacArthur's underling, then Marshall's deputy, before becoming MacArthur's counterpart as a supreme commander, Ike in Western Europe, MacArthur in the Pacific. Each of the three five-star generals would go on to extraordinary postwar careers: MacArthur as a virtual viceroy of Japan, overseeing its transition to a new constitutional democracy, and then leading the UN forces in the Korean War; Marshall as secretary of state, author of the Marshall Plan, and winner of the Nobel Peace Prize; Eisenhower as president. Fifteen Stars presents the intertwined lives of these three great men against the sweeping background of six unforgettable decades, from two world wars to the Cold War. It is history at its most dramatic yet most personal -- a triumph for Stanley Weintraub, our preeminent military historian.

The Rough Riders Aug 22 2019 Along with Colonel Leonard Wood, Theodore Roosevelt instigated the founding of the 1st United States Volunteer Cavalry in 1898 at the beginning of the Spanish-American War. Nicknamed the Rough Riders by journalists, the Cavalry engaged in several battles. This is Roosevelt's best-selling account of one of the most fascinating regiments in American military history.

The Rough Riders Feb 26 2020 How is this book unique? Font adjustments & biography included Unabridged (100% Original content) Illustrated About The Rough Riders by Theodore Roosevelt With the outbreak of the Spanish-American War, Theodore Roosevelt resigned his post as assistant secretary of the navy to recruit the First U.S. Volunteer Cavalry. The legendary Rough Riders--an unlikely combination of cowboys, frontiersmen, Native Americans, African-Americans, and Ivy League alumni--trained in Texas before shipping off to Cuba. The regiment met their enemy in the tropical summer heat, fighting rain, mud, and malaria as well as the Spanish Army. Their battles climaxed with the assault on San Juan Hill, where Colonel Roosevelt rallied his troops to charge through a hail of gunfire to victory.

Conscience May 11 2021 Norman Thomas and his brothers' upbringing prepared them for a life of service-but their calls to conscience threatened to tear them apart Conscience is Louisa Thomas's beautifully written account of the remarkable Thomas brothers at the turn of the twentieth century. At a time of trial, each brother struggled to understand his obligation to his country, family, and faith. Centered around the story of the eldest, Norman Thomas (later the six-time Socialist candidate for president), the book explores the difficult decisions the four brothers faced with the advent of World War I. Sons of a Presbyterian minister and grandsons of missionaries, they shared a rigorous moral upbringing, a Princeton education, and a faith in the era's spirit of hope. Two became soldiers. Ralph enlisted right away, heeding President Woodrow Wilson's call to fight for freedom. A captain in the Army Corps of Engineers, he was ultimately wounded in France. Arthur, the youngest, was less certain about the righteousness of the cause but sensitive to his obligation as a citizen-and like so many men eager to have a chance to prove himself. The other two were pacifists. Evan became a conscientious objector, protesting conscription; when the truce was signed on November 11, 1918, he was in solitary confinement. Norman left his ministry in the tenements of East Harlem, New York, and began down the course he would follow for the rest of his life, fighting for civil liberties, social justice, and greater equality, and against violence as a method of change. Conscience reveals the tension among responsibilities, beliefs, and desires, between ideas and actions-and, sometimes, between brothers. Conscience moves from the gothic buildings of Princeton to the tenements of New York City, from the West Wing of the White House to the battlefields of France, tracking how four young men navigated a period of great uncertainty and upheaval. A Thomas family member herself (Norman was Louisa's great grandfather), Thomas proposes that there is something we might recover from the brothers' debates about conscience: a way of talking about personal liberty and social obligation, about being true to oneself and to one another.

Theodore Roosevelt Nov 17 2021 A biography of the energetic New Yorker who became the twenty-sixth president of the United States and who once exclaimed "No one has ever enjoyed life more than I have."

Remembering Theodore Roosevelt Jul 01 2020 This book sheds new light on the life and times of Theodore Roosevelt, drawing on a remarkable set of oral histories gathered in the 1950s from those who knew him. Remembering Theodore Roosevelt presents fourteen intimate interviews with Roosevelt's friends, family, and contemporaries. Never before published, the transcripts reveal colorful details about the infamous Rough Riders, the political scene in New York City, the lives of his extended family, including the Hyde Park Roosevelts Franklin and Eleanor, and how the former president inspired successive generations. The book benefits from the author's discerning annotations and commentary that provide the reader with lesser-known facts and a full appreciation of the oral history project.

Theodore Roosevelt in the Field May 31 2020 "Draws extensively on the 26th President's field notebooks, diaries and letters to share insight into how Roosevelt's field expeditions shaped his character and political policies, covering his teen ornithology adventures, Badlands travels and safaris in Africa and South America, "--NoveList.

Ranch Life and the Hunting-trail Jan 27 2020

The Crowded Hour Aug 26 2022 A NEW YORK TIMES 100 NOTABLE BOOKS OF 2019 SELECTION The dramatic story of the most famous regiment in American history: the Rough Riders, a motley group of soldiers led by Theodore Roosevelt, whose daring exploits marked the beginning of American imperialism in the 20th century. When America declared war on Spain in 1898, the US Army had just 26,000 men, spread around the country—hardly an army at all. In desperation, the Rough Riders were born. A unique group of volunteers, ranging from Ivy League athletes to Arizona cowboys and led by Theodore Roosevelt, they helped secure victory in Cuba in a series of gripping, bloody fights across the island. Roosevelt called their charge in the Battle of San Juan Hill his “crowded hour”—a turning point in his life, one that led directly to the White House. “The instant I received the order,” wrote Roosevelt, “I sprang on my horse and then my ‘crowded hour’ began.” As *The Crowded Hour* reveals, it was a turning point for America as well, uniting the country and ushering in a new era of global power. Both a portrait of these men, few of whom were traditional soldiers, and of the Spanish-American War itself, *The Crowded Hour* dives deep into the daily lives and struggles of Roosevelt and his regiment. Using diaries, letters, and memoirs, *Risen* illuminates a disproportionately influential moment in American history: a war of only six months’ time that dramatically altered the United States’ standing in the world. In this brilliant, enlightening narrative, the Rough Riders—and a country on the brink of a new global dominance—are brought fully and gloriously to life.

In the Rough Rider's Shadow Feb 08 2021 Follows the political and military careers of brigadier general Theodore Roosevelt Jr., from his position as World War I's youngest American regimental commander on the front, to his work as the founding member of the American Legion, to his earning of the Medal of Honor. Reprint.

Mornings on Horseback Dec 26 2019 The National Book Award–winning biography that tells the story of how young Teddy Roosevelt transformed himself from a sickly boy into the vigorous man who would become a war hero and ultimately president of the United States, told by master historian David McCullough. *Mornings on Horseback* is the brilliant biography of the young Theodore Roosevelt. Hailed as “a masterpiece” (John A. Gable, *Newsday*), it is the winner of the Los Angeles Times 1981 Book Prize for Biography and the National Book Award for Biography. Written by David McCullough, the author of *Truman*, this is the story of a remarkable little boy, seriously handicapped by recurrent and almost fatal asthma attacks, and his struggle to manhood: an amazing metamorphosis seen in the context of the very uncommon household in which he was raised. The father is the first Theodore Roosevelt, a figure of unbounded energy, enormously attractive and selfless, a god in the eyes of his small, frail namesake. The mother, Mittie Bulloch Roosevelt, is a Southerner and a celebrated beauty, but also considerably more, which the book makes clear as never before. There are sisters Anna and Corinne, brother Elliott (who becomes the father of Eleanor Roosevelt), and the lovely, tragic Alice Lee, TR's first love. All are brought to life to make “a beautifully told story, filled with fresh detail” (*The New York Times Book Review*). A book to be read on many levels, it is at once an enthralling story, a brilliant social history and a work of important scholarship which does away with several old myths and breaks entirely new ground. It is a book about life intensely lived, about family love and loyalty, about grief and courage, about “blessed” mornings on horseback beneath the wide blue skies of the Badlands.

The Rise of Theodore Roosevelt Nov 24 2019 WINNER OF THE PULITZER PRIZE AND THE NATIONAL BOOK AWARD • Selected by the Modern Library as one of the 100 best nonfiction books of all time “A towering biography . . . a brilliant chronicle.”—*Time* This classic biography is the story of seven men—a naturalist, a writer, a lover, a hunter, a ranchman, a soldier, and a politician—who merged at age forty-two to become the youngest President in history. *The Rise of Theodore Roosevelt* begins at the apex of his international prestige. That was on New Year's Day, 1907, when TR, who had just won the Nobel Peace Prize, threw open the doors of the White House to the American people and shook 8,150 hands. One visitor remarked afterward, “You go to the White House, you shake hands with Roosevelt and hear him talk—and then you go home to wring the personality out of your clothes.” The rest of this book tells the story of TR's irresistible rise to power. During the years 1858–1901, Theodore Roosevelt transformed himself from a frail, asthmatic boy into a full-blooded man. Fresh out of Harvard, he simultaneously published a distinguished work of naval history and became the fist-swinging leader of a Republican insurgency in the New York State Assembly. He chased thieves across the Badlands of North Dakota with a copy of Anna Karenina in one hand and a Winchester rifle in the other. Married to his childhood sweetheart in 1886, he became the country squire of Sagamore Hill on Long Island, a flamboyant civil service reformer in Washington, D.C., and a night-stalking police commissioner in New York City. As assistant secretary of the navy, he almost single-handedly brought about the Spanish-American War. After leading “Roosevelt's Rough Riders” in the famous charge up San Juan Hill, Cuba, he returned home a military hero, and was rewarded with the governorship of New York. In what he called his “spare hours” he fathered six children and wrote fourteen books. By 1901, the man Senator Mark Hanna called “that damned cowboy” was vice president. Seven months later, an assassin's bullet gave TR the national leadership he had always craved. His is a story so prodigal in its variety, so surprising in its turns of fate, that previous biographers have treated it as a series of haphazard episodes. This book, the only full study of TR's pre-presidential years, shows that he was an inevitable chief executive. “It was as if he were subconsciously aware that he was a man of many selves,” the author writes, “and set about developing each one in turn, knowing that one day he would be President of all the people.”

Charging Up San Juan Hill Dec 18 2021 “Sheds new light on the history of Theodore Roosevelt and the legendary exploits of his illustrious ‘cowboy’ regiment?the Rough Riders.” —Bonnie M. Miller, author of *From Liberation to Conquest* At the turn of the twentieth century, Theodore Roosevelt personified American confidence. A New York City native and recovered asthmatic who spent his twenties in the wilds of the Dakota Territory, Roosevelt leapt into Spanish American War with gusto. He organized a band of cavalry volunteers he called the Rough Riders and, on July 1, 1898, took part in their charge up a Cuban hill the newspapers called San Juan, launching him to national prominence. Without San Juan, Van Atta argues, Roosevelt—whom the papers credited for the victory and lauded as a paragon of manhood—would never have reached a position to become president. In *Charging Up San Juan Hill*, John R. Van Atta recounts that pivotal assault by Roosevelt and the Rough Riders. Describing the battle's background and its ramifications for Roosevelt, both personal and political, Van Atta explains how Roosevelt's wartime experience prompted him to champion American involvement in world affairs. Tracking Roosevelt's rise to the presidency, this book argues that the global expansion of American influence—indeed, the building of an empire outward from a strengthened core of shared values at home—connected to the broader question of

cultural sustainability as much as it did to the increasing of trade, political power, and military might. “Van Atta adeptly links Roosevelt’s deep immersion in Western American culture to his investment in American imperialism in a readable cultural and military history . . . a worthy addition to the shelves of Western historians.” —Western Historical Quarterly

Rough Rider Jun 19 2019 Rough Rider is a snapshot study of the significant career of President Theodore Roosevelt. Partly biographical sketch and partly analysis, the book provides an overview of his actions, ideals, and written works, highlighting important events from Roosevelt’s early public life, his presidency, and later career. David Key sees Roosevelt as a statesman who well understood how to create his own popular image, but equally important was Roosevelt’s place as one of the foremost historians of his time, a man who understood the traditional criteria for greatness and did not hesitate to shape his own legacy. Written especially for college students, Rough Rider examines pertinent primary sources and critical analyses of other historians to aid in understanding the legacy of Theodore Roosevelt.

The War Jul 13 2021 The vivid voices that speak from these pages are not those of historians or scholars. They are the voices of ordinary men and women who experienced—and helped to win—the most devastating war in history, in which between 50 and 60 million lives were lost. Focusing on the citizens of four towns—Luverne, Minnesota; Sacramento, California; Waterbury, Connecticut; Mobile, Alabama;—The War follows more than forty people from 1941 to 1945. Woven largely from their memories, the compelling, unflinching narrative unfolds month by bloody month, with the outcome always in doubt. All the iconic events are here, from Pearl Harbor to the liberation of the concentration camps—but we also move among prisoners of war and Japanese American internees, defense workers and schoolchildren, and families who struggled simply to stay together while their men were shipped off to Europe, the Pacific, and North Africa. Enriched by maps and hundreds of photographs, including many never published before, this is an intimate, profoundly affecting chronicle of the war that shaped our world. From the Hardcover edition.

Classics Illustrated Jul 21 2019 A significant expansion of the critically acclaimed first edition, *Classics Illustrated: A Cultural History*, 2d ed., carries the story of the Kanter family’s series of comics-style adaptations of literary masterpieces from 1941 into the 21st century. This book features additional material on the 70-year history of *Classics Illustrated* and the careers and contributions of such artists as Alex A. Blum, Lou Cameron, George Evans, Henry C. Kiefer, Gray Morrow, Rudolph Palais, and Louis Zansky. New chapters cover the recent Jack Lake and Papercutz revivals of the series, the evolution of *Classics* collecting, and the unsung role of William Kanter in advancing the fortunes of his father Albert’s worldwide enterprise. Enhancing the lively account of the growth of “the World’s Finest Juvenile Publication” are new interviews and correspondence with editor Helene Lecar, publicist Eleanor Lidofsky, artist Mort K•nstler, and the founder’s grandson John “Buzz” Kanter. Detailed appendices provide artist attributions, issue contents and, for the principal *Classics Illustrated*-related series, a listing of each printing identified by month, year, and highest reorder number. New U.S., Canadian and British series have been added. More than 300 illustrations—most of them new to this edition—include photographs of artists and production staff, comic-book covers and interiors, and a substantial number of original cover paintings and line drawings.

The Doctor and the Rough Rider Apr 22 2022 It’s August 19, 1884. The consumptive Doc Holliday is preparing to await his end in a sanitarium in Leadville, Colorado, when the medicine man Geronimo enlists him on a mission. The time the great chief has predicted has come, the one white man with whom he’s willing to treat has crossed the Mississippi and is heading to Tombstone—a young man named Theodore Roosevelt. The various tribes know that Geronimo is willing to end the spell that has kept the United States from expanding west of the Mississippi. In response, they have created a huge, monstrous medicine man named War Bonnet, whose function is to kill Roosevelt and Geronimo and keep the United States east of the river forever. And War Bonnet has enlisted the master shootist John Wesley Hardin. So the battle lines are drawn: Roosevelt and Geronimo against the most powerful of the medicine men, a supernatural creature that seemingly nothing can harm; and Holliday against the man with more credited kills than any gunfighter in history. It does not promise to be a tranquil summer. From the Trade Paperback edition.

Roosevelt’s Rough Riders Jan 07 2021 This book examines the brief but colorful history of the 1st US Volunteer Cavalry, and details the rich experiences of the men who fought in its ranks. Founded in May 1898 after the outbreak of the Spanish-American War, the unit was composed of volunteers from all walks of American life. Posted to Cuba, it fought in the battles of Las Guasimas, Kettle Hill and San Juan Hill. At this time, Theodore Roosevelt assumed command, and the unit became known as ‘Roosevelt’s Rough Riders’. Eventually withdrawn, the men returned to a hero’s welcome in the US. The last veteran of the unit died in 1975, but a rich body of source material has survived, and much of this is covered in this fascinating work.

Roughest Riders Feb 20 2022 The inspiring story of the first African American soldiers to serve during the postslavery era Many have heard how Teddy Roosevelt and the Rough Riders charged up San Juan Hill during the Spanish-American War. But often forgotten in the great swamp of history is that Roosevelt’s success was ensured by a dedicated corps of black soldiers—the so-called Buffalo Soldiers—who fought by Roosevelt’s side during his legendary campaign. This book tells their story. They fought heroically and courageously, making Roosevelt’s campaign a great success that added to the future president’s legend as a great man of words and action. But most of all, they demonstrated their own military prowess, often in the face of incredible discrimination from their fellow soldiers and commanders, to secure their own place in American history.

Fear God and Take Your Own Part Sep 22 2019 Unless we are thorough going Americans and unless our patriotism is part of the very fiber of our being, we can neither serve God nor take our own part. ~~~ Fear God and Take Your Own Part is a collection of articles Theodore Roosevelt wrote, largely for Metropolitan Magazine, some six years after he left the presidency. The title is another way of saying that a nation must have the power and will for self-sacrifice as well as the power and will for self-protection. In the book, Roosevelt, who also wrote extensively on the outdoors, vigorously sets forth the “principles of true Americanism” that still reverberate throughout the nation today. THEODORE ROOSEVELT (1858-1919) was a heroic figure who served as the 26th president of the United States. During his eight years in office, he steered the United States more actively into world politics. Teddy “Rough Riders” Roosevelt was also a military leader, a prosecutor, a naturalist, and a prolific writer.

The Works of Theodore Roosevelt...: The Rough riders Jul 25 2022

Bully! Nov 05 2020 A collection containing 3 autobiographical works by President Theodore Roosevelt, including *The Autobiography of Theodore Roosevelt*, *The Rough Riders*, and *Through the Brazilian Wilderness*

Roosevelt’s Rough Riders Dec 06 2020 This book examines the brief but colorful history of the 1st US Volunteer Cavalry, and details the rich experiences of the men who fought in its ranks. Founded in May 1898 after the outbreak of the Spanish-American War, the unit was composed of volunteers from all walks of American life. Posted to Cuba, it fought in the battles of Las Guasimas, Kettle Hill and San Juan Hill. At this time, Theodore Roosevelt assumed command, and the unit became known as ‘Roosevelt’s Rough Riders’. Eventually withdrawn, the men returned to a hero’s welcome in the US. The last veteran of the unit died in 1975, but a rich body of source material has survived, and much of this is covered in this fascinating work.

Theodore Roosevelt: An Autobiography Mar 29 2020 In *Theodore Roosevelt: An Autobiography*, the 26th president of the United States presents a warm depiction of his life as head of state, describing both his personal family life and professional dealings with organizations and politicians.

Teddy Roosevelt Oct 04 2020 Renowned author John Garraty provides a close look at the childhood of Teddy Roosevelt as he transforms from a sickly child to an athlete to one of America's most famous politicians.

Theodore Roosevelt: a Literary Life Oct 24 2019 Of all the many biographies of Theodore Roosevelt, none has presented the twenty-sixth president as he saw himself: as a man of letters. This fascinating account traces Roosevelt's lifelong engagement with books and discusses his writing from childhood journals to his final editorial, finished just hours before his death. His most famous book, *The Rough Riders*--part memoir, part war adventure--barely begins to suggest the dynamism of his literary output. Roosevelt read widely and deeply, and worked tirelessly on his writing. Along with speeches, essays, reviews, and letters, he wrote history, autobiography, and tales of exploration and discovery. In this thoroughly original biography, Roosevelt is revealed at his most vulnerable--and his most human.

Theodore Roosevelt Sep 03 2020 *The Rough Riders* was the name bestowed on the 1st United States Volunteer Cavalry. Roosevelt had resigned as Assistant Secretary of the Navy to fight in the war, and his forceful personality and notoriety among the popular press of the period were probably the main driving factors resulting in the fame of this regiment. Here is the exciting story of the Rough Riders in the words of Theodore Roosevelt.

A Most Glorious Ride Apr 10 2021 Encompasses key years and important events in Theodore Roosevelt's early life and career. *A Most Glorious Ride* presents the complete diaries of Theodore Roosevelt from 1877 to 1886. Covering the formative years of his life, Roosevelt's entries show the transformation of a sickly and solitary Harvard freshman into a confident and increasingly robust young adult. He writes about his grief over the premature death of his father, his courtship and marriage to his first wife, Alice Hathaway Lee, and later the death of Alice and his mother on the same day. The diaries chronicle his burgeoning political career in New York City and his election to the New York State Assembly. With his descriptions of balls, dinner parties, and nights at the opera, they offer a glimpse into life among the Gilded Age elite in Boston and New York. They also recount Roosevelt's first birding and hunting trips to the Adirondacks, the Maine woods, and the American West. Ending with Roosevelt's secret engagement to his second wife, Edith Kermit Carow, *A Most Glorious Ride* provides an intimate look into the life of the man who would become America's twenty-sixth president. Brought together for the first time in a single volume, the diaries have been meticulously transcribed, annotated, and introduced by Edward P. Kohn. Twenty-four black-and-white photographs are also included. "Edward P. Kohn has done scholars a great public service by editing the diaries of Theodore Roosevelt, 1877-1886. This volume is essential reading for anybody interested in the rise of the great Rough Rider. Highly recommended." — Douglas Brinkley, author of *The Wilderness Warrior: Theodore Roosevelt and the Crusade for America* "I thought there was nothing new under the sun to be done on Theodore Roosevelt, given the thousands of books already published, but Edward P. Kohn has discovered, and admirably filled, a major gap in books on the life and times of TR. By bringing these diaries together in one place for the first time and providing expert annotation and footnotes, Kohn makes an extremely valuable contribution to understanding Roosevelt." — Paul Grondahl, author of *I Rose Like a Rocket: The Political Education of Theodore Roosevelt* "A Most Glorious Ride is an outstanding addition not only to the scholarship on Roosevelt but also to the study of the Gilded Age, capturing the social norms of the times and offering insights into a long-gone era of family life." — Michael Patrick Cullinane, author of *Liberty and American Anti-Imperialism: 1898-1909*

They Were the Rough Riders Jan 19 2022 After just four weeks of training, Colonel Theodore Roosevelt's Rough Riders--a regiment of cowboys recruited into the First U.S. Volunteer Cavalry--fought in Cuba during the Spanish-American War with the skill of seasoned regulars. The unit reflected the future president's character as a wealthy Ivy Leaguer who went west to experience frontier life. Most of the Rough Riders were seasoned cowhands from the Southwest, but Ivy League athletes, sons of millionaires and lawmen filled out the ranks. Roosevelt molded this diverse group into a cohesive, efficient fighting force and led them to victory on San Juan Hill. Told from the perspective of the men in the regiment, this book traces the history of the Rough Riders from conception to disbanding, and Roosevelt's transformation into an American hero.

The Boys of '98 Apr 29 2020 Spur Award winning author Dale Walker tells the colourful story of America's most memorable fighting force, the volunteer cavalry known as the Rough Riders. From its members, and their slapdash training in Texas and Florida, to its battles at Las Gusimas and San Juan Hill under the command of Theodore Roosevelt, who kept riding, some say, into the White House. "This lively and carefully detailed narrative of one of the more unlikely military units and of a short, savage war, celebrates some gallant men and catches their nation at the moment it emerged as a world power." - Kirkus Reviews At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

101 Things Everyone Should Know about Theodore Roosevelt Jun 12 2021 The inside story of Teddy's life and presidency! You probably know that Theodore Roosevelt was the 26th president of the United States, but did you also know that he suffered great bouts of homesickness? Or that he carried a vial of morphine at all times in case he ever needed to take his own life? Though the image of President Theodore Roosevelt is one of fringed suede jackets and wire circles of glass framing a serious and scowling face, the man behind this image was a spectacularly intelligent and complex individual. *101 Things Everyone Should Know about Theodore Roosevelt* explores the nuances of his famous life, giving little-known facts that complete the picture of Theodore Roosevelt. From his crippling childhood to his involvement with the Rough Riders, this book celebrates the American icon whose beliefs are still riveting almost 100 years after his death.

Leonard Wood Mar 09 2021 Army Chief of Staff, Medal of Honor winner, commander of the Rough Riders in the Spanish-American War, Governor General of the Philippines, and presidential candidate, Wood was one of a select cadre of men that transformed the American military at the turn of the century, turning it into a modern fighting force and the nation into a world power."

Rough Riders Sep 27 2022 THE AWARD-WINNING, NEW DEFINITIVE HISTORY OF TEDDY ROOSEVELT AND THE ROUGH RIDERS "Thrilling. ... A CLASSIC." —True West WINNER: Army Historical Foundation Distinguished Writing Award; New Mexico-Arizona Book Award; and Colorado Book Award The now-legendary Rough Riders were a volunteer regiment recruited in 1898 to help drive the Spaniards out of Cuba. Drawn from America's southwestern territories and led by the irrepressible Theodore Roosevelt, these men included not only cowboys and other Westerners, but also several Ivy Leaguers and clubmen, many of them friends of "TR." Roosevelt and his men quickly came to symbolize American ruggedness, daring, and individualism. He led them to victory in the famed Battle of San Juan Hill, which made TR a national hero and cemented the Rough Riders' iconic place in history. Now Mark Lee Gardner synthesizes previously unknown primary accounts—private letters, diaries, and period newspaper reports from public and private archives across the country—to breathe fresh life into the Rough Riders and pay tribute to their daring feats and indomitable leader.

Rough Rider in the White House Jun 24 2022 "In this book, Sarah Watts probes this dark side of the Rough Rider, presenting a fascinating psychological portrait of a man whose personal obsession with masculinity profoundly influenced the fate of a nation. Drawing on his own writings and on media representations of him, Watts attributes the wide appeal of Roosevelt's style of manhood to the way it addressed the hopes and anxieties of men of his time. Like many of his contemporaries, Roosevelt struggled with what it meant to be a man in the modern era. He saw two foes within himself: a fragile weakling and a primitive beast. The weakling he punished and toughened with rigorous, manly pursuits such as hunting, horseback riding, and war. The beast he unleashed through brutal criticisms of homosexuals, immigrants, pacifists, and

sissies - anyone who might tarnish the nation's veneer of strength and vigor. With his unabashed paeans to violence and aggressive politics, Roosevelt ultimately offered American men a chance to project their longings and fears onto the nation and its policies. In this way he harnessed the primitive energy of men's desires to propel the march of American civilization - over the bodies of anyone who might stand in its way."--BOOK JACKET.

Teddy Roosevelt and His Rough Riders 1 Oct 16 2021 World War II was just starting in Europe, and the comic book as we know it was just a toddler. This was the beginning .The comic reprints from ecomicspace.com are reproduced from actual classic comics, and sometimes reflect the imperfection of books that are decades old. These books are constantly updated with the best version available.

The Crowded Hour May 23 2022 The “gripping” (The Washington Post) story of the most famous regiment in American history: the Rough Riders, a motley group of soldiers led by Theodore Roosevelt, whose daring exploits marked the beginning of American imperialism in the 20th century. When America declared war on Spain in 1898, the US Army had just 26,000 men, spread around the country—hardly an army at all. In desperation, the Rough Riders were born. A unique group of volunteers, ranging from Ivy League athletes to Arizona cowboys and led by Theodore Roosevelt, they helped secure victory in Cuba in a series of gripping, bloody fights across the island. Roosevelt called their charge in the Battle of San Juan Hill his “crowded hour”—a turning point in his life, one that led directly to the White House. “The instant I received the order,” wrote Roosevelt, “I sprang on my horse and then my ‘crowded hour’ began.” As *The Crowded Hour* reveals, it was a turning point for America as well, uniting the country and ushering in a new era of global power. “A revelatory history of America’s grasp for power” (Kirkus Reviews, starred review). Both a portrait of these men, few of whom were traditional soldiers, and of the Spanish-American War itself, *The Crowded Hour* dives deep into the daily lives and struggles of Roosevelt and his regiment. Using diaries, letters, and memoirs, *Risen* illuminates an influential moment in American history: a war of only six months’ time that dramatically altered the United States’ standing in the world. “Fast-paced, carefully researched...*Risen* is a gifted storyteller who brings context to the chaos of war. *The Crowded Hour* feels like the best type of war reporting—told with a clarity that takes nothing away from the horrors of the battlefield” (The New York Times Book Review).

Theodore Roosevelt: The Rough Riders Aug 14 2021

The Rough Riders Oct 28 2022 Theodore Roosevelt’s bestselling memoir chronicling the 1st United States Volunteer Cavalry and its victory at San Juan Hill in the Spanish-American War. Yearning to join the fight for Cuban independence in the Spanish–American War, Theodore Roosevelt and Col. Leonard Wood formed the 1st United States Volunteer Cavalry. They enlisted a motley crew from all walks of life, from cowboys and frontiersmen to Ivy League graduates. These 1,250 men became known as the Rough Riders. After training in San Antonio, Texas, they set out for the tropical jungles of Cuba. As they grappled with hunger, malaria, and occasional defeat, their many battles with the Spanish Army culminated in the death-defying charge to victory at San Juan Hill. Through it all, Roosevelt kept a pocket diary in which he made daily entries about his experiences and the men who fought beside him. Imbued with his trademark vigor and certainty of purpose, Roosevelt’s firsthand account of this historic campaign paints a vivid picture of the rugged, independent spirit that came to define American heroism. This ebook has been professionally proofread to ensure accuracy and readability on all devices.

Teddy Roosevelt Sep 15 2021 Focuses on the childhood of the dynamic president, describing how Teddy worked hard to improve his poor health and developed a lifelong interest in nature and the conservation of natural resources.
