*Murder at the Library of Congress* Dec 23 2019 Margaret Truman looks inside one of D.C.'s great institutions, the Library of Congress, the place where much of the wisdom of the nation is collected, and finds blood on the floor. Was there a second diary, beyond the one Columbus kept, describing his voyage to the New World? Leading scholars at the Library of Congress think so, and Annabel Smith, with her pre-Columbian interests, has been commissioned by the library's magazine, *Civilization*, to write about it. She is not the only person interested. Word comes through the rare-books black market that a wealthy bibliophile has been offered the second diary: He'd not only pay, he'd almost kill to possess it. Starting her search in the library itself,

Annabel soon finds herself competing with an ambitious TV journalist. As both women come closer to finding the hidden documents, other questions creep up. Was the murder of the library's most prominent Hispanic scholar connected to the missing diary? Further research leads them deeper into barely explored corners of the library and closer to having to face their own mortality. Murder in familiar yet surprising surroundings- a great library- leads to a surprising conclusion in this latest Capital Crime novel.

A New Kind of Country Jun 28 2020 Novelist Dorothy Gilman, author of the bestselling Mrs. Pollifax series, had reached a point of no return in her life. With her sons in college, Ms. Gilman was searching for something unknowable, unnameable . . . until she bought a small house in a little lobstering village in Nova Scotia, Canada. And so she began her life again, discovering talents and interests she never realized were hers, accepting the inner peace she had always fought, and most of all, understanding the untapped part of herself, almost as if it were a new kind of country, to challenge, explore, and love.

*The Pyramid* Apr 26 2020 Egypt in the twenty-sixth century BC. The young pharaoh Cheops wants to forgo the construction of a pyramid in his honor, but his court sages hasten to persuade him otherwise. The pyramid, they tell him, is not a tomb but a paradox, designed to appease the masses by oppressing them. It is a symbol of nothing, a useless and infinite project designed to waste the country's wealth and keep security and prosperity, ever the fonts of sedition, constantly at bay. And so the greatest pyramid in the world has ever seen begins to rise. Rumors multiply. A secret police is formed. Conspiracies—real and imagined—swirl around the rising edifice. The most drastic purges follow. By the time the first stone is laid, Cheops's subjects are terrified enough to yield to his most murderous whims. Each time one of the massive stones is hoisted into place, dozens of men are crushed, and there are tens of thousands of stones. . . .

*Mrs. Pollifax on Safari* May 28 2020 At the request of her old CIA contact, Carstairs, Emily Pollifax leaves New Jersey and her geraniums for Africa, where she battles dark forces of evil to save an African leader from assassination.

**Palm for Mrs. Pollifax** Aug 11 2021 "Mrs. Pollifax gives Agatha Christie's Miss Marple a rival to reckon with."—Toronto Star "What we are looking for—aside from the stolen Plutonium, Mrs. Pollifax—is evil in its purest form." Mrs. Pollifax was leading a very full life: Garden Club, karate, yoga—and a little spying now and then. This time the mysterious Mr. Carstairs sent her to Switzerland—to a famous health resort where the world's intelligence agents had gathered. The mission: to track down a missing package of plutonium. Just enough to make a small atom bomb. It was a job that suited Mrs. Pollifax's talents. She was good with people—and good at sniffing out their secrets. But it was not until she became enchanted with Robin, the young jewel thief, that her new adventure really began. . . .

**Mrs. Pollifax, Innocent Tourist** Jan 04 2021 Working with her retired CIA friend John Farrell, Mrs. Pollifax must smuggle a manuscript out of Jordan, a document that

encodes the shocking truth of Saddam Hussein's reign. Hardly are the two airborne when the coils of Middle Eastern intrigue begin to unwind. Mrs. Pollifax's seatmate is not the affable Arab businessman he pretends to be. It is not imagination that persuades Mrs. P. that wherever they go, she and Farrell are followed. To elude their pursuers in such a politically volatile country isn't easy. In fact, it can be downright deadly. . . .

**Mrs. Pollifax, Innocent Tourist** Dec 15 2021 Pollifax fans rejoice! The courageous Connecticut matron whose prize-winning geraniums are second only to her dazzling defense maneuvers is back. Hailed an "enchantress" by The New York Times, Mrs. Pollifax is the CIA's most indispensable "bloodhound" and \*as to be expected \*she's hot on the track, stealthily sniffing out some major skullduggery. This time she's on loan to her retired CIA friend Farrell. Her bag lady act is the first phase of a mission to the Middle East: to smuggle out of Jordan the final manuscript of the dissident Iraqi novelist, Dib Assen, recently murdered in an Iraqi prison. Allegedly fiction, the script encodes the shocking truth of Saddam Hussein's reign. Allah willing, Farrell is to rendezvous near Amman with a man called Ibrahim, who will deliver the manuscript. All Mrs. P. has to do is look as much like a tourist as possible to deflect suspicion from her "cousin," Farrell. But hardly are the two airborne when the coils of Middle Eastern intrigue begin to unwind. Mrs. Pollifax's seatmate is not the affable Arab businessman he seems and the little carved plaque he secretly stashes in her carry-on bag is not a mere souvenir. It is not imagination that persuades Mrs. P. that wherever they go she and Farrell are followed, even to the old castle where Farrell is to meet the mysteriously elusive Ibrahim. To elude their pursuers in such a politically volatile country isn't easy. But Mrs. P. takes her challenges straight up \*and this one may be our genteel heroine's stiffest yet. . . .

**Mrs. Pollifax on Safari** Aug 23 2022 "Mrs. Pollifax is the American cousin to Agatha Christie's Miss Marple."—Toronto Star Now the incredible Mrs. Pollifax has been sent on a safari to smoke out a very clever international assassin whose next target is the president of Zambia. "Just take a lot of pictures of everyone on that safari," the CIA man told her. "One of them has to be our man." It sounded simple enough. But it wasn't. Because shortly after Mrs. Pollifax started taking pictures, someone stole her film. And right after that she was kidnapped by Rhodesian terrorists. And right after that—well, read for yourself. . . "Mrs. Pollifax is an enchantress."—The New York Times

**Mrs Pollifax Pursued** Feb 17 2022 The last thing Mrs Pollifax expects to find in her closet is a young woman hiding. begins to suspect, their lives. Ever resourceful, Mrs P. puts in a call for help to her CIA colleague, Carstairs, who installs them in a safe house. Before she knows it, a dash to safety expands into an assignment that leads to hair-trigger violence in exotic places ... Armed with only an open mind and a little karate, Mrs Pollifax is the most unlikely and lovable of international spies. What readers are saying: "Love, love, love Mrs Pollifax. **The Winds of War** Jul 30 2020 Herman Wouk's sweeping epic of World War II, which begins with **THE WINDS OF WAR** and continues in **WAR AND REMEMBRANCE**, stands as the crowning achievement of one of America's most celebrated storytellers. Like no other books about the war, Wouk's spellbinding narrative captures the tide of global events - the drama, the romance, the heroism and the tragedy of World War II - as it immerses us in the lives of a single American family drawn into the very centre of the maelstrom.

Nun in the Closet Jul 10 2021 From the bestselling author of the Mrs. Pollifax books comes a new mystery habit to acquire. From the moment Sister John and Sister Hyacinthe reach the old house left to their abbey by a mysterious benefactor, their cloistered world begins to crumble. First, there is the wounded man hiding in the house, then the suitcase stuffed with money sitting at the bottom of the well, not to mention fearful apparitions in the night. Lord only knows what's going on. That is, until the good sisters, armed only with their faith and boundless energy, set things right—even if it means a shocking revelation or two about ghosts, gangsters...and murder.

The Elusive Mrs. Pollifax Jun 21 2022 "Mrs. Pollifax gives Agatha Christie's Miss Marple a rival to reckon with."—Toronto Star If you make it across the border, get us help. Some of us care. Do you understand? Right now we desperately need passports and identity papers. The arrests grow insane. At the very hour this message was en route to the CIA, Mrs. Pollifax was waiting for her night-blooming cereus to do its thing. She hardly got to see it, however, because Mr. Carstairs was already on his way

to recruit that gallant lady for another daring mission. Soon the most unlikely of all international spies was sporting a beautiful new hat—perfect for hiding eight forged passports. “Mrs. Pollifax is an enchantress.”—The New York Times

Andrew Thale tackles an odd assignment—to check out an old family property in Massachusetts, neglected since Aunt Harriet Thale’s death years ago. But far from being deserted, Thale’s Folly, as Andrew discovers, is fully inhabited—by a quartet of charming squatters, former “guests” of kindhearted Harriet. There is elegant Miss L’Hommedieu, Gussie the witch, Leo the bibliophile, and beautiful Tarragon, who is unlike any girl Andrew has ever met in Manhattan. Andrew is entranced by these unworldly creatures and their simple life. Yet all is not well in Thale’s Folly. A thief breaks into the farmhouse, an old friend of the “family” disappears, and Andrew and Tarragon are drawn into mysteries they cannot fathom. . . .

**The Thin Woman** Feb 23 2020 In the delectable debut that earned her instant acclaim, award-winning author Dorothy Cannell serves up a murder mystery to be savored. . . Ellie Simons longs to be thin—and married. But with her single-minded passion for éclairs and clotted cream, her prospects on both counts seem dim. That's why the summons to attend a family reunion at the old ancestral home is about as welcome as a snakebite. How can she show up with her embarrassingly full figure in her humble unmarried state and keep her chins up? Enter Bentley T. Haskell of Eligibility Escorts, a devastatingly attractive writer of smutty novels who also cooks like a dream. With Bentley posing as her besotted beau, Ellie feels brave enough to beard her batty relations in their den. . . . But mouldering Merlin's Court is nothing like Ellie remembers, and with her wretchedly beautiful cousin Vanessa making eyes at Ben, and her malevolent old uncle Merlin popping up in the most unexpected places, it's enough to put Ellie off her food. And the best—and worst—is yet to come, as the weekend leads to sudden death, unexpected romance, and a treasure hunt that promises epicurean Ellie wealth, hearth, and happiness . . . if she survives. Praise for *The Thin Woman* “[Dorothy] Cannell makes a delicious debut; discriminatory whodunit fans will want more of her inventions.”—Publishers Weekly “A likable debut—combining fairy-tale romance, treasure hunts, and a homicidal mania.”—Kirkus Reviews

**Mrs. Pollifax and the Lion Killer** Mar 06 2021 As millions of readers know, that intrepid charmer and part-time CIA agent Emily Pollifax is a joy, with a warm heart, nerves of steel, and manners as impeccable as her karate. The New York Times calls her "an enchantress," and Publishers Weekly describes her deeds of derring-do in exotic places as "sheer pleasure." In her new adventure, Mrs. Pollifax accompanies her young friend Kadi Hopkirk to the African country of Ubangiba, where Kadi's childhood friend, Sammat, is soon to be crowned king. This impromptu journey is a response to an S.O.S. from Sammat to Kadi; and Mrs. P., reluctant to allow the girl to venture alone into what she fears may be grave danger, crashes the party. Sunny little Ubangiba is no great shakes as nations go. Under Sammat's selfless leadership it is recovering from the devastation wrought by two greedy presidents-for-life who preceded him in office. But Sammat has dangerous enemies. Everywhere rumors are

springing up that he is a sorcerer and that his evil power is responsible for a rash of shocking murders in which the victims appear to have been clawed to death by a lion. These crimes are especially terrifying because there are no lions in Ubangiba. Without the comforting backup of the CIA, Mrs. Pollifax wades into the fray, hunting for the source of the bloody terrorism that threatens Sammat and Ubangiba. Not to mention Kadi and Mrs. Pollifax. Home has never looked so good, or seemed so far away.

Kaleidoscope Aug 19 2019 Next to the incomparable Mrs. Pollifax, Dorothy Gilman's best-loved character is the mysterious Madame Karitska, who is blessed with a powerful gift of clairvoyance that attracts to her a stream of men and women craving help with their misfortunes, desperate to know what the future holds. . . . When a brilliant young violinist dies in a horrific accident, Madame Karitska has only to hold the victim's instrument in her hands to perceive the shocking truth. But when an insecure wife asks whether her husband will abandon her to join a sinister cult, Madame Karitska—as wise as she is lovely—chooses not to reveal all that she foresees. And when an attaché case is suddenly dropped into her lap by a man fleeing a crowded subway, she knows it's time to consult her good friend Detective-Lieutenant Pruden. A nine-year-old accused of murder, a man dying a slow death by witchcraft—for the hunted and the haunted, Madame Karitska's shabby downtown apartment becomes a haven, where brilliant patterns of violence, greed, passion, and strange obsessions mix and disintegrate with stunning, kaleidoscopic beauty. Once again Dorothy Gilman exercises her own uncanny power to render readers spellbound.

The last time she had heard the voice on the other end of the line it had sent her off on a journey that plunged her into a wild tangle of secret agents and high adventure. Now the man from the CIA was asking if she could leave immediately on a mission that would take her halfway across the world. What could Mrs. Pollifax say but yes? Praise for *The Amazing Mrs. Pollifax* “Mrs. Pollifax is an enchantress.”—*The New York Times* “One of the most suspense-creating and unorthodox heroines of our time is Mrs. Pollifax . . . . *Madness of the Q* Sep 19 2019 Six years after his *Flight of the Fox* ordeal that dubbed him the American Prometheus, humble math professor Sam Teagarden becomes embroiled in another mission involving decoding a secret document provoking tragic reactions around the world. Unearthed in northern Israel, the ancient parchment is called the Q Document, for the German word *quelle*, meaning: source. Biblical scholars believe it may be the original source for the two Gospels: Matthew and Luke. If

decoded, it could shed light on the creation of the world's most widely observed religious faith. This time, instead of trying to kill him, the FBI formally taps Teagarden to assist—and help stop—a contagion of mass suicides among religious zealots. Each cult group is motivated by fear of what may, or may not, be revealed if the document is decoded and published. His mission is supposed to last two days on foreign soil. When the plan goes awry, Teagarden is forced to work alone, without the promised protection from the FBI and CIA. The journey takes him from New York to Israel, across the Mediterranean Sea to Rome, and finally Berlin. As he tries to decipher the two-thousand-year-old enigmatic parchment, he must outsmart two fanatical and equally dangerous groups: one entrenched in religious faith, the other rooted in fervent atheism. He learns that one group wants him dead, while the other wants him alive—until their goals reverse midstream. Will he become another casualty caught up in the controversy caused by fear of the Q Document? Or, if he survives the gauntlet of extreme violence, will he be blamed for conveying news to the world that millions will not want to hear? Praise for MADNESS OF THE Q: “Madness of the Q is a wild and breathless pursuit with Sam Teagarden on the run, desperate to connect with the right people and evade the wrong ones from New York to Israel to Italy to Germany in a non-stop plot that reminds us of Dan Brown, Ludlum, Fleming, and maybe even a bit of Umberto Eco.”
