**How to Write an Exceptional Thesis Or Dissertation** Jul 12 2021 According to the Council of Graduate Schools, only 57 percent of students who start their Ph.D.s complete them within ten years, and many times it's the thesis or dissertation that is holding them back. In this book, you will gain insight regarding the entire research process, from organizing your literature and materials most effectively to analyzing and evaluating the big picture for defense. You will learn how to locate and recognize a topic that is appropriate for your thesis or dissertation, and you will discover how to expand on the subject matter to ensure it's unique and distinct from any other research out there. This book will ensure that your argument is strong, sound, and persuasive throughout your entire thesis or dissertation, from the introductory chapter through the summarizing conclusive statements, and you will learn how to do so without plagiarizing or cutting corners. You will master how to write ethically, objectively, and properly according to your academic subject's standards. With this book as your guide, you will even find out how your research can take you from a proposal to a published writing career. With this book, you will learn everything from the ground-level basics to the more detailed breakdown of the research process. You will gain a strong understanding of the difference between a thesis and dissertation, and you will grasp the components expected of your work regardless of the subject matter of your research. This book will walk you through the entire process step-by-step, teaching you how to structure a planning and writing schedule that will keep the process manageable and not overwhelming. Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. Founded over twenty years ago in the company president's garage, Atlantic Publishing has grown to become a renowned resource for non-fiction books. Today, over 450 titles are in print covering subjects such as small business, healthy living, management, finance, careers, and real estate. Atlantic Publishing prides itself on producing award winning, high-quality manuals that give readers up-to-date, pertinent information, real-world examples, and case studies with expert advice. Every book has resources, contact information, and web sites of the products or companies discussed.

**Robert Ludlum's (TM) The Utopia Experiment** Jun 11 2021 With U.S. intelligence agencies wracked by internal power struggles and paralyzed by bureaucracy, the president has been forced to establish his own clandestine group--Covert-One. It's activated only as a last resort, when the threat is on a global scale and time is running out. The Utopia Experiment When Dresner Industries unveils the Merge, a device that is destined to revolutionize the world and make the personal computer and smartphone obsolete, Covert-One operative Colonel Jon Smith is assigned to assess its military potential. He discovers that enhanced vision, real-time battlefield displays, unbreakable security, and near-perfect marksmanship are only the beginning of a technology that will change the face of warfare forever--and one that must be kept out of the hands of America's enemies at all costs. Meanwhile, in the mountains of Afghanistan, CIA operative Randi Russell encounters an entire village of murdered Afghans--all equipped with enhanced Merge technology that even the Agency didn't know existed. As Smith and Russell delve into the circumstances surrounding the Afghans' deaths, they're quickly blocked by someone who seems to have access to the highest levels of the military--a person that even the president knows nothing about. Is the Merge really as secure as its creator claims? And what secrets about its development is the Pentagon so desperate to hide? Smith and Russell are determined to learn the truth. But they may pay for it with their lives . . .

*Confessions of the Power Trust* Apr 09 2021

**The Dixon Legend** Mar 20 2022 Although this work contains a few genealogical charts it is really a biography of Solon Dixon and his brother, Charles, and their work and lives.

**How to Build a Pro Streetbike** Feb 19 2022 Whether it's a big-bore, high-end custom sportbike you're after, or a naked, bare knuckles streetfighting drag racer, this book has the goods for getting you there. In three different scenarios, the nation's top builders give blow-by-blow instructions for completely rebuilding three popular streetbikes -- from performance modifications and exhaust systems to flawless finishes and detail work. Focusing on highly customized Hayabusa drag bikes, including a slammed and lowered Suzuki GSX1300R Hayabusa, John Dantzer of the Charlotte, North Carolina, shop Two Wheel Customs outlines the suspension and engine modifications that the serious street and quarter-mile racer can make. He takes a salvaged, late-model four-cylinder street machine and transforms it into the kind of machine that both professional stunt riders and corner-carving

enthusiasts favor. Next, author Mike Seate covers the details on constructing and installing popular modifications -- everything from engine crash guards and wheelie bars to motocross-style handlebars and bikini fairings -- while stunt riders and streetfighter builders from the United States and Europe weigh in with tips and advice. Last but not least, the builders at Wisconsin's Patrick's Performance and South Carolina's Coastal Motorcycles provide a step-by-step account of the construction of two high-end custom sportbikes -- transforming a Yamaha YZF R-1 and a Suzuki GSX-R 1000 into the kind of machines that are eye-popping everywhere-on the streets or on the motorcycle show circuit.

**Gargantuan Black Dragon** Sep 14 2021 A new line of massive monsters debuts with this menacing black dragon. A fearsome dragon heralds the arrival of the new Dungeons & Dragons® Icons product line! Part of the D&D® miniatures Game portfolio, these new, non-randomized figures portray the larger side of the Dungeons & Dragons creature collection. These limited edition monsters are proportionally sized per D&D roleplaying rules to be either Gargantuan (4"x4" base) or Colossal (6"x6" base). These premium figures will only be available to collect for a limited time after each release.

**The Descendants of Henry Sewall (1576-1656)** of Manchester and Coventry, England, and Newbury and Rowley, Massachusetts Jan 06 2021 Henry Sewall, son of Henry Sewall and Margaret Gresbrook, was baptized 8 April 1576 in Coventry, Warwickshire, England.
