My boss--a man with a penchant for trouble and the echo of tragedy lurking behind his dark gaze. My new coworkers appear to be universally insane. My deadbeat ex is in trouble with a capital "T," and if history is any indication, he'll do his best to drag my son and me right along with him. In other news, I'm also being hounded by creditors who seem to think you can make money appear in someone's bank account by threatening them over the phone. (Though to be fair, if that approach worked, I'd be all for it. Spoiler alert--it doesn't.) To top it all off, while my back was turned, I've somehow become a chess piece in a cold war between supernatural factions. Just because magic supposedly runs in my family doesn't mean I know the first thing about Fae or demons or vampires or any of this craziness. But it looks like I'm gonna have to learn. Modern Goddess: The Complete Series Mar 13 2021 Modern Goddess: The Complete Series contains all three installments in the Modern Goddess series. Sprawling fantasies intertwined with mythology, adventure, romance, and philosophy, pick this boxset up today and soar free with an Odette C. Bell series. Trapped by Thor: Yes, she's a goddess. And, oh yes, he is most certainly a god. You can tell from the fact he marches around in glimmering armor, picking fights with titans and picking up divine broads. But she didn't sign up for this. Sea monsters, kidnappings, evil plots, and the end of the world? Are you kidding? She spends most nights reading the weather report and icing cupcakes. It's all his fault. Trapped by Atlas: Jeanie's just an ordinary goddess holding down an ordinary job in these hard economic times. But when an actual legend wades into her life one day, making way more mess than she can clean, she quickly learns there's something extra to her ordinary. It'll take her deep into the golden age of the gods, deep into universe-ending danger, and even deeper into a love that's waited eons for her. Trapped by Apollo: The first casualty in every war is the truth. Which is terrible if you happen to be Truth herself. In the golden age of the gods, Veritas was one of the most celebrated deities. These days she sits on her couch, suffers from panic attacks, and shouts at the news. Modern times have not been kind to the truth, and now she's more elusive than ever. But when mysterious cracks begin appearing through her temple, Veritas is forced to act. Someone is attacking the truth, and there's only one person she can turn to. A god she'd rather push out a window than rely on. Her ex-husband, Apollo. Modern times killed their love, but if it kills the truth one last time, all will lose - none more so than Apollo.

Cabin Pressure Sep 18 2021 Stephanie Cole ('Doc Martin'), Benedict Cumberbatch and Roger Allam ('The Thick of It') star in the complete first series of the hit sitcom about the pilots of a tiny charter airline for whom no job is too small, but many, many jobs are too difficult. Written by John Finnemore, writer for 'The News Quiz', and 'That Mitchell & Webb Sound'. Run by the forbidding divorcée Carolyn Knapp-Shappey (an unfortunate marriage, namewise, but in Carolyn's opinion, marginally better than Carolyn Shappey-Knapp), her two pilots are the smooth, experienced and almost-certainly-fired-by-a-big-airline-for-all-round naughtiness Douglas, and struggling almost-competent pilot Martin. All-round help is provided by Carolyn's near-idiot son, Arthur... 'Unexpectedly brilliant' - Time Out. 'An inspired new sitcom' - Observer. 'I cannot find a single flaw in it. So top marks.' - Independent on Sunday. Full cast, starring Stephanie Cole, Roger Allam, Benedict Cumberbatch and John Finnemore.
