The Complete Guide to Lymph Drainage Massage Aug 25 2019 Lymph drainage massage is a technique utilized by massage therapists to provide relief from edema, an accumulation of fluids in the tissues that causes swelling. This book provides a scientifically-accurate explanation of the lymphatic system, the theory behind lymph drainage massage, and explains when it should be performed. Also provided is an explanation of the application of lymph drainage massage to the needs of well clients, rather than focusing on pathology, since most massage therapists and estheticians will not be treating lymph edema disease in their work. The book offers step-by-step procedures for facial and upper and lower body massage, giving you practical information that can be applied immediately. With an aging baby boomer generation and the population at large increasingly focused on well-being, technicians whether beginners or those looking to review and broaden their skills are increasingly interested in learning about lymph drainage massage and how it can enhance their clients' experience as well as their own careers. Milady's Guide to Lymph Drainage Massage can play a vital role in accomplishing all of these goals. Milady's Skin Care and Cosmetic Ingredients Dictionary Jun 15 2021 Milady's Skin Care and Cosmetic Ingredients Dictionary, third edition, is a multi-purpose resource for cosmetic professionals and consumers alike. Part one puts cosmetics in the context of skin care. It provides an overview of skin physiology. In order to understand how and why a product works it is essential to understand how the skin works. It gives an overview of the complexity of cosmetic chemistry particularly with respect to product penetration, and highlights the current challenges facing cosmetic formulators. In addition, it offers comprehensive discussion of the various skin types and conditions in order to help professionals in their product selection. Lastly, it defines common cosmetic industry terminology used by cosmetic manufacturers, professional estheticians, marketers and the media. The second part is dedicated to helping cosmetic users identify the function and purpose of specific ingredients. It is an alphabetical dictionary that lists and describes not only active principles but all other categories of ingredients that comprise a skin care cosmetic. As scientific knowledge of skin physiology and cosmetic chemistry advances, so do cosmetic products. This volume puts everything in context in an easy to read, easy to understand, user-friendly format.
