Jul 29 2022 Meet Noah Tass. Follow him as he tries to escape his hayseed hometown in Missouri. This is not a movie. This is someone's life. Noah was turning 23 and desperate leave. Pulnick had forever been a blemish on the anemic face of rural Bible-belt America. Always bland and soporific, it was now being invaded by white supremacist meth heads, visited by an unprecedented crime wave, exploited by spiritualists and local politicians, and driven to hysteria by paranoid rumors that the world would end on November 11th. Moreover, Noah's personal life was becoming more convoluted by the day. Everything seemed to conspire against his singular need to get out of this dreary, dead-end, death-wish armpit of a town. "11-11-11" is what you call a feel good novel. You'll feel good about your own life when you get a load of the losers who populate this living graveyard!

The Riley Covington Collection: Monday Night Jihad / Blown Coverage / Blackout / Inside Threat Aug 18 2021 This collection bundles all four titles from the thrilling Riley Covington series by Jason Elam and Steve Yohn into one volume for a great value! #1 Monday Night Jihad He thought his deadliest enemy knelt across the line of scrimmage. He was wrong! After a tour of duty in Afghanistan, Riley Covington is living his dream as a professional linebacker when he comes face to face with a radical terrorist group on his own home turf. Drawn into the nightmare around him, Riley returns to his former life as a member of a special ops team that crosses oceans in an attempt to stop the escalating attacks. But time is running out, and it soon becomes apparent that the terrorists are on the verge of achieving their goal—to strike at the very heart of America. This softcover edition also includes a teaser chapter of the next Riley Covington thriller. Written by a member of the NFL; gives readers an insider look at the world of professional athletes and military intelligence.

Examines the challenges of homeland security in large-venue events. Explores the tension between the desire for revenge and the constraints of the Christian faith, especially as it relates to Islam. Jason Elam has recently returned from Iraq, where he visited and supported the troops. You can read his journal at [mondnightjihad.blogspot.com](#) #2 Blown Coverage Linebacker Riley Covington returns to another season of mini-camp for the Colorado

Mustangs just as a wave of terrorist attacks begin to occur across the country. Sleeper cells are being awakened—likely by the leader of the Cause, who has recently escaped from captivity and is coordinating attacks not only on America but also on Riley and his loved ones. As Jim Hicks, Scott Ross, and the rest of the Counterterrorism Division follow leads in Europe, Riley goes on the offensive to draw out his attackers. But can the Cause be stopped before they're able to reach their ultimate goal? #3 Blackout Riley Covington is still reeling from his father's brutal murder when he learns he's been traded. Meanwhile, the counterterrorism division has detected a plot to detonate electromagnetic pulse bombs that could leave the U.S. without power, communications, and transportation—right down to dropping planes out of the sky. CTD scrambles to stop the attacks, but they run out of time. Amid the fallout, Riley, Scott, Skeeter, and CTD must regroup to make sure the second bomb doesn't reach its destination. #4 Inside Threat After taking two football seasons off, Riley Covington is attempting to make a comeback in the league while trying to forget Khadi Faroughi, now on security detail for a prominent senator. But a new attack turns both of their lives upside down yet again. During a state funeral, terrorists overrun the National Cathedral and take senators, congressmen, and their entourages hostage, including Khadi. This new generation of The Cause is made up of homegrown terrorists—an inside threat to the security of the nation. They release most of the hostages, but Khadi and several others are kept behind as significant bargaining chips. The Cause pledges to behead one member of Congress each day throughout the month of Ramadan as a punishment for their own country's rejection of Islam. Despite the protests of Counter-Terrorism Division director Scott Ross, Riley races to CTD armed with a plan and a fierce determination to rescue Khadi at all costs.

[Nightmare's Edge](#) Apr 01 2020 Nels Watson has been having nightmares for as long as he can remember--some so violent and real he wakes up sweat-soaked and trembling with fear. His problems start when he travels to the beachfront community of Costambar, on the north shore of the Dominican Republic. He meets his long-time girlfriend Novelee and strange things start happening--his worst nightmares begin coming true. He dreams of his friends being stalked and killed and suddenly realizes he is being hunted by a ruthless killer. Novelee's behavior becomes increasingly erratic and belongings go missing from his apartment. Who can he trust? Struggling through sleepless nights, a sleeping pill addiction and an alcoholic haze, Nels recruits the help of his powerful and well-connected friend Juan and tries to navigate his way through his tumultuous romance and a series of deadly attacks by the killer. Nightmare's Edge journeys deep into the underbelly of local culture and exposes the need for money that at times is the underlying motivation behind Dominican friendliness. It strips away the idyllic veneer, revealing the dark and predatory nature of many of this country's people.

A boy who loves to make noise gets to pick only one instrument (at his parents urging) in a music store, but there is too much to choose from! There's triangles and sousaphones! There's guitars and harpsichords! Bagpipes and cellos and trombones! How can he find the one that is just right for him out of all those options?

Blood Highways Sep 30 2022 Blood Highways is the heart-wrenching account of the biggest product liability case in history: the Ford-Firestone fiasco. At the center of the story are two people: Tab Turner, a charismatic trial attorney from Arkansas, who has made a career out of forcing Ford and other automakers to own up to knowingly trade human lives for profits; and Donna Bailey, a single mother and outdoor enthusiast who fought back from the brink of death to confront those ultimately responsible for her accident. Weaving together harrowing depictions of the accidents and their consequences with the stories of the men and women who labor to police the auto industry and its reckless cost-cutting, Blood Highways will transform the way you view corporations, the government, the courts, and the media. Above all, this book shows the price the public pays in wrecked and mangled lives when companies focus more on shaving costs than making quality products.

[Jelly's Gold](#) Jul 17 2021 Rushmore McKenzie, a retired St. Paul policeman and unexpected millionaire, often works as an unlicensed P.I., doing favors as it suits him. When graduate students Ivy Flynn

and Josh Berglund show up with a story about \$8 million in missing stolen gold from the '30s, McKenzie is intrigued. In the early 20th century, St. Paul, Minnesota was an open city—a place where gangsters could come and stay unmolested by the local authorities. Frank "Jelly" Nash was suspected of masterminding a daring robbery of gold bars in 1933, but, before he could unload it, he was killed in the Kansas City Massacre. His gold, they believe, is still somewhere in St. Paul. But they aren't the only ones looking. So are a couple of two-bit thugs, a woman named Heavenly, a local big-wig, and others. When Berglund is shot dead outside of Ivy's apartment, the treasure hunt turns unexpectedly deadly. In this hard-boiled mystery from David Housewright, Mac McKenzie is looking for more than a legendary stash from seventy-five years ago—he's looking for a killer and the long hidden truth behind Jelly's gold.

Dark Valentine Dec 22 2021 A one-night stand too compelling to walk away from ensnares two women in a high-stakes cat-and-mouse game that begins in the courtroom and ends in a dark labyrinth of danger and desire. Rhianna Lamb has just spent six months creating a new identity for herself to escape Werner Brigham, the man who stalked and assaulted her. When she arrives in the courtroom to take the witness stand against him, she is stunned to find herself staring at the woman she's having a fling with—none other than Julia Valiant, Brigham's hotshot defense attorney. Jules is equally shocked. Brought into the Brigham trial at the eleventh hour, she had no idea the "Kate" she's been seeing was also the plaintiff. For many reasons she has to win this case, but she also wants to win Rhianna. Her chances for that don't look good after she brutally cross-examines Rhianna and demolishes the prosecution's case. Werner Brigham is acquitted, and worse still, seems to think he can return to his old habits, this time with deadly intent. A new game is in play, one Jules has to win. But even if she does, will Rhianna ever forgive her?

Evil Elliot Sep 06 2020 Elliot Marshall has always been a golden boy. That was, until his uncle Jeffrey gifted him the demon called "Shame" that was inhabiting and otherwise completely controlling his body. With the demon bound to his flesh, Elliot will seek out and destroy anything and anyone in his path. As he slowly becomes one with the demon Shame, Elliot slowly begins to change from his human form into that of an actual demon. Once the process completes, there will be no telling how much hell this 13 year old child can let loose. (Horror)

[American Light Trucks and Utility Vehicles, 1967-1989](#) Oct 08 2020
The truck's role in American society changed dramatically from the 1960s through the 1980s, with the rise of off-roaders, the van craze of the 1970s and minivan revolution of the 1980s, the popularization of the SUV as family car and the diversification of the pickup truck into multiple forms and sizes. This comprehensive reference book follows the form of the author's popular volumes on American cars. For each year, it provides an industry overview and, for each manufacturer, an update on new models and other news, followed by a wealth of data: available powertrains, popular options, paint colors and more. Finally,

each truck is detailed fully with specifications and measurements, prices, production figures, standard equipment and more.

[Education Through Poetry](#) Jun 15 2021 Education through poetry expresses my thoughts and education on numerous different topics and ideas. I expressed my knowledge and wisdom through lines that rhyme most of the time. You can say that it's wisdom that rhymes. Among my favorites are the topics that address values including honor and integrity. Most of the values included have shaped me and made me the many have become. The different activities that are included are things I like to do or would like to do on the future. For example, I shared my thoughts on having children, although I personally have never had any. I grew up as a Jehovah's Witness and you will find many references to the organization and my heart felt feelings about my Creator. I have no intentions of changing anyone's beliefs but I have come to love what I've learned. The other ideas in the book come from personal experience mostly. I use the 1st, 2nd, and 3rd perspectives. Sometimes the stories told are what really happened, while others paint a picture based on personal wisdom. I've also included poems about my family and heroes in my life. Included are Michael Jordan, Magic Johnson, and Samuel L. Jackson. There are a few more that I share my thoughts on. But I won't spoil it for you. Other ideas are ones we can all relate to including invitations. We all like to get invited to an outing or party or such. These poems give you a spin on things you already know and allow you to think outside the box. These poems are good conversation starters and will captivate the mind.

On a Global Mission: The Automobiles of General Motors International Volume 3 Jan 29 2020 Volume One traces the history of Opel and Vauxhall separately from inception through to the 1970s and thereafter collectively to 2015. Special attention is devoted to examining innovative engineering features and the role Opel has taken of providing global platforms for GM. Each model is examined individually and supplemented by exhaustive supporting specification tables. The fascinating history of Saab and Lotus begins with their

humble beginnings and examines each model in detail and looks at why these unusual marques came under the GM Banner. Included is a penetrating review of Saab through to its unfortunate demise. Volume Two examines unique models and variations of Chevrolet and Buick manufactured in the Southern Hemisphere and Asia but never offered in North America. Daewoo, Wuling and Baojun are other Asian brands

covered in detail. This volume concludes with recording the remarkable early success of Holden and its continued independence through to today. Volume Three covers the smaller assembly operations around the world and the evolution of GM's export operations. A brief history of Isuzu, Subaru and Suzuki looks at the

three minority interests GM held in Asia. The GM North American model specifications are the most comprehensive to be found in a single book. Global and regional sales statistics are included. GM executives and management from around the globe are listed with the roles they held. An index ensures that these volumes serve as the ideal reference source on GM.
