Stealing Fire from Heaven Mar 18 2022 The Western magical traditions are currently undergoing an international resurgence. In *Stealing Fire from Heaven*, Nevill Drury offers an overview of the modern occult revival and seeks to explain this growing interest in ancient magical belief systems. Gnosticism and the Hermetica, the medieval Kabbalah, Tarot and Alchemy, and more recently, Rosicrucianism and Freemasonry, collectively laid the basis for the modern magical revival, which first began to gather momentum in Europe at the end of the nineteenth century. Western magic has since become increasingly eclectic, drawing on such diverse sources as classical Greco-Roman mythology, Celtic cosmology, Kundalini yoga and Tantra, shamanism, chaos theory, and the various spiritual traditions associated in many different cultures with the Universal Goddess. Drury traces the rise of various forms of magical belief and practice, from the influential Hermetic Order of the Golden Dawn to the emergence of Wicca and Goddess worship as expressions of contemporary feminine spirituality. He also explores Chaos Magick and the occult practices of the so-called Left-Hand Path, as well as twenty-first-century magical forays into cyberspace. He believes that the rise of modern Western magic stems essentially from the quest for personal spiritual transformation and direct experience of the sacred--a quest which the trance occultist and visionary artist Austin Osman Spare once referred to as "stealing fire from heaven." Considered in this light, Drury argues, modern Western magic can be regarded as a form of alternative spirituality in which the practitioners seek direct engagement with the mythic realm.

Shadow Bitten Jun 28 2020

Aryanity Nov 21 2019 Reader beware, the information within this treatise is of a nature known in toto only to a handful of people in this world. Amongst the

information within this treatise is of the most esoteric and occult nature concerning Atlantis the ancient Aryan race and the Third Reich. The powers that be have attempted to keep this truth in utter secrecy since the destruction of The Third Reich and have gone to great lengths to demonize the school of thought associated with these secrets. They have since attempted to skew the truth by creating a popular culture of fantasy designed to conceal the true nature regarding the history of the ancient Aryans and their modern rebirth as a culture. To some, this information will seem so outside the norm of what they have been taught their entire lives that they will choose to reject it, out of cognitive dissonance or the fear of having to confront a false world view that many if not most have held since childhood. Within this work many of your most cherished beliefs about history, about your place in this world, and about the moral fortitude of your leaders (both on the left and the right) may be challenged. The lies, which predominantly white/Aryan nations have been indoctrinated to hold true through social engineering for decades will be dispelled like an evil mist before your eyes and you will be set free of the psycho-spiritual prison in which you now reside...if you choose to accept it. This acceptance will require a total paradigm shift for most, a radical mental reprogramming that can make the most powerful of men cower in fear...fear of the radical kind of change that will bring about a total transformation of one's way of life, one's relationship with others, and how one views their place in the world. Likewise, if you choose to accept and proclaim the truth within these pages you will find yourself amongst the growing ranks of social pariah unable to express the truth locked inside them to family, friends, or the public at large without fear of being alienated or even persecuted for attempting to share their enlightenment. Though with every courageous step you take toward the light of truth you will come closer to a complete understanding of who you are, and your glorious destiny as a descendent of the Aryan race!

I read it twice in a row without stopping... if you like my work, I bet you'll like this a whole lot!" —Rae D. Magdon, author of Lucky 7 "I adored this brutally ruthless Hades... She was everything I wanted her to be... frightening and passionate all at once... a beautiful example of classic dark romance...
