The Book of Joe Jul 12 2021 In the tradition of Anna Quindlen's *Good Dog. Stay.*, the iconic star of the *Dr. Phibes* films shares the heartwarming tale of his mischievous mutt. Actor Vincent Price won acclaim for his performances as a menacing villain in dozens of macabre horror films, such as *House of Wax*. Less well known, though, is Price's lifelong love of animals, especially his fourteen-year-old mutt, Joe. From his wife's passion for poodles to film set encounters with all types of creatures, including goats, apes, and camels, Price's life was full of furry, four-legged friends. But it was Joe who truly captured his heart. Intelligent, courageous, and devoted to his

owner, Joe was a special dog with a personality all his own. In this touching and light-hearted memoir, with a new introduction by Bill Hader and a preface by Vincent Price's daughter, Victoria, Joe gets involved in all sorts of hijinks: At one point, the actor has to defend his canine companion in court! Despite some bad habits, like stealing guests' shoes, pursuing lustful trysts with neighboring dogs, or belly flopping into the garden fishpond—crushing more than a few fish—Price loves his Joselito, whose unconditional loyalty more than makes up for his minor indiscretions. And when Price's elderly cousin who comes to stay with him is stricken with cancer, Joe never leaves her side. Price's tender and witty recollections of his time spent with Joe will bring joy to any animal lover's heart. The Vincent Price Family Legacy will donate a portion of the proceeds from this book to the Fund for Animals.

Dog on the Roof! Jun 11 2021 They were the typical American family on a typical American road trip—Dad behind the wheel, Mom in the passenger seat, their five adorable kids piled in the back. And, of course, their beloved dog strapped to the roof. Wait . . . what? Now for the first time, here is the completely true—and only mildly embellished— shaggy-dog story of Seamus Romney, the famously fetching Irish setter whose master, future presidential candidate Mitt Romney, plopped him atop the family station wagon for that infamous 1983 car trip. From the majesty of Mount Rushmore to the fabulousness of San Francisco, from the sacred temple of Salt Lake City to the hallowed halls of Washington, D.C., here at last is Seamus's rooftop account of that headline-grabbing journey . . . unleashed. Doggedly chronicled by satirists Bruce Kluger and David Slavin (NPR's All Things Considered), and cleverly illustrated by Colleen Clapp (The Chris Matthews Show, NBC News), this American tale is more than just the story of a dog on a

hot tin roof. It is the inside (well . . . overhead) look at the Man Who Would Be President and the wild ride that's sweeping—and bewildering—the nation.

The Last Dog on the Hill Apr 21 2022 When Steve Duno found a puppy – flea-bitten and emaciated – on a Californian roadside, he had no idea what he was letting himself in for. Lou, as he called the dog, was the offspring of marijuana farm guard dogs; a half-Rotweiller, half-Alsatian bundle of intelligence, loyalty, and mischief. Despite his traumatic beginnings, Lou went on to achieve great things, from foiling an armed robbery and fighting kidnappers, to comforting elderly war veterans and Alzheimer's patients. Most importantly, he inspired his owner to become a pet behaviourist, and worked with him to rehabilitate hundreds of aggressive dogs that would otherwise have been put to sleep. With a vocabulary of over 200 words, there was never any doubt that Lou was smart. But he was also funny, heroic, and, for 16 years, Steve's best friend and companion. This is their story.

The Philosopher's Dog Nov 23 2019 In this beautifully written book Raimond Gaita tells inspirational, poignant, sometimes funny but never sentimental stories of the dogs, cats and cockatoos that lived and died within his own family. He asks fascinating questions about animals: Is it wrong to attribute the concepts of love, devotion, loyalty, grief or friendship to them? Why do we care so much for some creatures but not for others? Why are we so concerned with proving that animals have minds? Reflecting on these questions, and drawing on the ideas

of Descartes, Wittgenstein and J.M. Coetzee, Gaita pleads that we ask ourselves what it means to be creatures of 'flesh and blood.' He discusses mortality and sexuality, the relations between storytelling, philosophy and science and the spiritual love of mountains. An arresting and profound book, *The Philosopher's Dog* is a triumph of both storytelling and philosophy. This Routledge Classics edition includes a substantial new introduction and afterword by the author.
